Orisha The Gods Of Yorubaland:

Orisha: the Gods of Yorubaland Judith Illsley Gleason, 1971 **Orishas: African Hidden gods of Worship** Jim Landry, 2016-12-08 A emerging shift in praise worship and music has secretly been introduced into many Christian fellowships during past 400 years and now is the hour of restoration The demonic effects of drumming in Christian Worship Drum assisted Prophecy Secular Music and Television **Encyclopedia of Contemporary Latin American and Caribbean Cultures** Daniel Balderston, Mike Gonzalez, Ana M. Lopez, 2000-12-07 This vast three volume Encyclopedia offers more than 4000 entries on all aspects of the dynamic and exciting contemporary cultures of Latin America and the Caribbean Its coverage is unparalleled with more than 40 regions discussed and a time span of 1920 to the present day Culture is broadly defined to include food sport religion television transport alongside architecture dance film literature music and sculpture The international team of contributors include many who are based in Latin America and the Caribbean making this the most essential authoritative and authentic Encyclopedia for anyone studying Latin American and Caribbean studies Key features include over 4000 entries ranging from extensive overview entries which provide context for general issues to shorter factual or biographical pieces articles followed by bibliographic references which offer a starting point for further research extensive cross referencing and thematic and regional contents lists direct users to relevant articles and help map a route through the entries a comprehensive index provides further guidance **Encyclopedia of Goddesses and Heroines** Patricia Monaghan, 2009-12-18 This two volume set provides a comprehensive guide to the vast array of feminine divine figures found throughout the world Drawn from a variety of sources ranging from classical literature to early ethnographies to contemporary interpretations the Encyclopedia of Goddesses and Heroines provides a comprehensive introduction to the ways goddess figures have been viewed through the ages This unique encyclopedia of over thousands of figures of feminine divinity describes the myths and attributes of goddesses and female spiritual powers from around the world The two volume set is organized by culture and religion exploring the role of women in each culture s religious life and introducing readers to the background of each pantheon as well as the individual figures who peopled it Alternative names for important divinities are offered as are lists of minor goddesses and their attributes Interest in women s spirituality has grown significantly over the last 30 years both among those who remain in traditional religions and those who explore spirituality outside those confines This work speaks to them all Encyclopedia of Goddesses and Heroines Patricia Monaghan, PhD, 2014-04-06 More Than 1 000 Goddesses Heroines from around the World Groundbreaking scholar Patricia Monaghan spent her life researching writing about and documenting goddesses and heroines from all religions and all corners of the globe Her work demonstrated that from the beginning of recorded history goddesses reigned alongside their male counterparts as figures of inspiration and awe Drawing on anthropology folklore literature and psychology Monaghan s vibrant and accessible encyclopedia covers female deities from Africa the eastern Mediterranean Asia and Oceania Europe and the Americas as well

as every major religious tradition **Spearmasters** Molefi Kete Asante,Emeka Nwadiora,2007-04-26 Spear Masters contends that in Africa there exists only one religion with a vast array of denominations African religion is expressed in a different way by each of the denominations which creates confusion for those who believe that there are more than one African religion Spear Masters presents information about some of the larger and most significant expressions of the sole African religion so that the reader will understand the relationship between God the creator and the notions of the relationship with the family and community The term spear master relates to the integrity and ethics that had to accompany the maker and user of the spear in ancient African societies The essence of religion presented in Spear Masters is the deification of one s society and nation and making sacred the traditions and rituals of the ordinary lives of the people

Afro-Cuban Religious Experience Eugenio Matibag,2018-02-26 The books in the Florida and the Caribbean Open Books Series demonstrate the University Press of Florida s long history of publishing Latin American and Caribbean studies titles that connect in and through Florida highlighting the connections between the Sunshine State and its neighboring islands Books in this series show how early explorers found and settled Florida and the Caribbean They tell the tales of early pioneers both foreign and domestic They examine topics critical to the area such as travel migration economic opportunity and tourism They look at the growth of Florida and the Caribbean and the attendant pressures on the environment culture urban development and the movement of peoples both forced and voluntary The Florida and the Caribbean Open Books Series gathers the rich data available in these architectural archaeological cultural and historical works as well as the travelogues and naturalists sketches of the area in prior to the twentieth century making it accessible for scholars and the general public alike The Florida and the Caribbean Open Books Series is made possible through a grant from the National Endowment for the Humanities and the Andrew W Mellon Foundation under the Humanities Open Books program **The Lemonade Reader** Kinitra D. Brooks,Kameelah L. Martin,2019-05-24 The Lemonade Reader is an interdisciplinary collection that explores the nuances of Beyonc s 2016 visual album Lemonade The essays and editorials present fresh cutting edge scholarship fueled by contemporary thoughts on film material culture religion and black feminism Envisioned as an educational tool to support and guide discussions of the visual album at postgraduate and undergraduate levels The Lemonade Reader critiques Lemonade s multiple Afrodiasporic influences visual aesthetics narrative arc of grief and healing and ethnomusicological reach The essays written by both scholars and popular bloggers reflects a broad yet uniquely specific black feminist investigation into constructions of race gender spirituality and southern identity The Lemonade Reader gathers a newer generation of black feminist scholars to engage in intellectual discourse and confront the emotional labor around the Lemonade phenomena It is the premiere source for examining Lemonade a text that will continue to have a lasting impact on black women s studies and popular culture **Santeria** Joseph M. Murphy,2011-08-01 Santer a represents the first in depth scholarly account of a profound way of wisdom that is growing in importance in America today A

professional academic and himself a participant in the Santer a community of the Bronx for several years Joseph Murphy offers a powerful description and insightful analysis of this African Cuban religion He traces the survival of an ancient spiritual path from its West African Yoruba origins through nearly two centuries of slavery in the New World to its presence in the urban centers of the United States where it continues to inspire seekers with its compelling vision *Studies in Yoruba Folklore* John Michael Vlach,1973 *An Ethos of Transdisciplinarity* Sanya Osha,2025-04-01 Toyin Falola s astounding intellectual production must be one of the mysteries in the intellectual world It has transcended the confined world of historical research into broader horizons that include the role of the public intellectual The present study would undertake a rigorous analysis of the origins continuities and discontinuities of this transformation This means we have to recast the debates regarding who is a public intellectual from a multiplicity of discursive situations and historical and cultural contexts We have to employ methodological parallels from North Atlantic intellectual traditions How did the role of the public intellectual emerge in the first place in world intellectual history Addressing this question would enrich this research endeavour immensely In interrogating comparative discursive formations we shall re evaluate the roles functions and achievements of continental intellectuals such as Betrand Russell Jean Paul Sartre Andre Malraux Albert Camus Michel Foucault Edward Said Wole Soyinka and Pierre Bourdieu Again this discursive element will give this study a global appeal and range **African Traditional Religion in Biblical Perspective** Richard J. Gehman,2005 Practicing Sufism Abdelmajid Hannoum,2016-07-15 Islam in Africa is deeply connected with Sufism and the history of Islam is in a significant way a history of Sufism Yet even within this continent the practice and role of Sufism varies across the regions This interdisciplinary volume brings together histories and experiences of Sufism in various parts of Africa offering case studies on several countries that include Morocco Algeria Senegal Egypt Sudan Mali and Nigeria It uses a variety of methodologies ranging from the hermeneutical through historiographic to ethnographic in a comprehensive examination of the politics and performance of Sufism in Africa While the politics of Sufism pertains largely to historical and textual analysis to highlight paradigms of sanctity in different geographical areas in Africa the aspect of performance adopts a decidedly ethnographic approach combining history history of art and discourse analysis Together analysis of these two aspects reveals the many faces of Sufism that have remained hitherto hidden Furthering understanding of the African Islamic religious scene as well as contributing to the study of Sufism worldwide this volume is of key interest to students and scholars of Middle Eastern African and Islamic studies *Consulting Spirits* Joel Bjorling,1998-04-30 Throughout history people have been intrigued with spirits angels or devas as sources of wisdom and guidance They are not only interesting as those who possess an insight into events and circumstances but also as proof of life after death In this clear and useful reference guide Bjorling presents a listing of the literature on the various ways in which people of different cultures have consulted spirits through shamans and oracles magic mediums Voodoo and psychics Each chapter contains a general introduction to the respective topic as well as a

listing of pertinent books articles and dissertations His survey also includes early spirit contacts in Africa Latin America and Asia

Animal Sacrifice and Religious Freedom David M. O'Brien, 2004 The Santeria religion of Cuba the Way of the Saints mixes West African Yoruba culture with Catholicism Similar to Haitian voodoo Santeria has long practiced animal sacrifice in certain rites But when Cuban immigrants brought those rituals to Florida local authorities were suddenly confronted with a controversial situation that pitted the regulation of public health and morality against religious freedom After Ernesto Pichardo established a Santeria church in Hialeah in the 1980s the city of Hialeah responded by passing ordinances banning ritual animal sacrifice Although on the surface those ordinances seemed general in intent they were clearly aimed at Pichardo's church When Pichardo subsequently sued the city a federal court ruled in the latter's favor in effect privileging the regulation of public health and morality over the church's free exercise of its religion The U S Supreme Court heard Pichardo's appeal in 1993 and unanimously decided that the city had overstepped its bounds in targeting this particular religious group however the court was sharply divided regarding the basis of its decision Three concurring opinions registered distinctly different views of the First Amendment the limits of government regulation and the religious freedom of minorities In the end the nine justices collectively concluded that freedom of religious belief was absolute while the freedom to practice the tenets of any faith were subject to non discriminatory local regulations David O'Brien one of America's foremost scholars of the Court now illuminates this controversy and its significance for law government and religion in America His lively account takes us behind the scenes at every stage of the litigation to reveal a riveting case with more twists and turns than a classic whodunit Ranging with equal ease from primitive magic to municipal politics and to the most arcane points of constitutional law O'Brien weaves a compelling and instructive tale with a fascinating array of politicians lawyers jurists civil libertarians and animal rights advocates Offering sharp insights into the key issues and personalities he highlights cultural clashes large and small while maintaining a balance for both the needs of government and the religious rights of individuals The Santeria case reaffirmed that our laws must be generally applicable and neutral and may not discriminate against particular religions Tracing the path to that conclusion *Animal Sacrifice and Religious Freedom* provides a provocative and learned account of one of the most unusual and contentious religious freedom cases in American

history **Africalogical Perspectives** Katherine Bankole Medina,2008 *Gender in Cross-Cultural Perspective* Adrienne E. Strong,Richard Powis,2024-08-19 This fully updated new edition of *Gender in Cross Cultural Perspective* carefully introduces and responds to changes in anthropological approaches to and perspectives on gender With two new editors and new authors from the Global South and underrepresented communities it combines theoretically and ethnographically based chapters to examine gender roles and ideology around the world The books is divided thematically into five parts with the editors opening each section with a succinct introduction to the principal issues The book retains some of the classic chapters while offering new contributions and extended discussions throughout on methodology It also has entirely new contributions that reflect more recent developments in the discipline including more emphasis on LGBTQ communities COVID and migration This new edition also features additional support for teaching and learning including a film list and discussion questions that are now offered as supplemental online materials The eighth edition of *Gender in Cross Cultural Perspective* continues to be an essential resource for undergraduate and graduate students encountering the anthropology of gender for the first time **The Palgrave Handbook of African Traditional Religion** Ibigbolade S. Aderibigbe,Toyin Falola,2022-05-20 The Palgrave Handbook of African Traditional Religion interrogates and presents robust and comprehensive contributions from interdisciplinary experts and scholars Offering a range of perspectives and opinions through the prism of understanding the past about African Traditional religions and more importantly capturing their dynamics in the present and projecting their sustainability and relevance for the future this volume is an essential resource for knowledge and understanding of African Traditional religions in the global space of religious traditions **Tradition, Culture and Development in Africa** Ambe J Njoh,2016-12-05 The fact that Africa continues to lag behind all regions of the world on every indicator of development is hardly contentious However there is fierce debate on why this should be the case despite national and international efforts to reverse this situation While this book does not attempt to answer this question per se it addresses a largely ignored but important issue which might provide some insights into the matter This issue is the link between culture tradition and socio economic development in Africa By weaving a common thread through these concepts this book breaks new ground in the discourse on development It highlights the differences between Euro centric culture which is rooted in capitalist ideology and Protestant ethic and traditional African culture where concepts such as capital accumulation entrepreneurial attitudes and material wealth are not of top priority In doing so it dispels popular myths stereotypes and distortions as well as discounting misleading accounts about major aspects of African culture and traditional practices
