Lasagna Means I Love You Kate O'Shaughnessy, 2024-04-02 What are the essential ingredients that make a family Eleven year old Mo is making up her own recipe in this unforgettable story that s a little sweet a little sour and totally delicious Nan was all the family Mo ever needed But suddenly she s gone and Mo finds herself in foster care after her uncle decides she s not worth sticking around for Nan left her a notebook and advised her to get a hobby like ferret racing or palm reading But how could a hobby fix anything in her newly topsy turvy life Then Mo finds a handmade cookbook filled with someone else s family recipes Even though Nan

never cooked Mo can't tear her eyes away Not so much from the recipes but the stories attached to them Though when she makes herself a pot of soup it is every bit as comforting as the recipe notes said Soon Mo finds herself asking everyone she meets for their family recipes Teaching herself to make them Collecting the stories behind them Building a website to share them And okay secretly hoping that a long lost relative will find her and give her a family recipe all her own But when everything starts to unravel again Mo realizes that if she wants a family recipe or a real family she's going to have to make it up herself
