By Kim Hopper

Our community of 12,000+ authors share why this is one of their favorite books.

Reckoning With Homelessness

Mary Ellen Hombs

Reckoning With Homelessness:

Reckoning with Homelessness Kim Hopper, 2014-07-15 It must be some kind of experiment or something to see how long people can live without food without shelter without security Homeless woman in Grand Central Station Kim Hopper has dedicated his career to trying to address the problem of homelessness in the United States In this powerful book he draws upon his dual strengths as anthropologist and advocate to provide a deeper understanding of the roots of homelessness He also investigates the complex attitudes brought to bear on the issue since his pioneering fieldwork with Ellen Baxter twenty years ago helped put homelessness on the public agenda Beginning with his own introduction to the problem in New York Hopper uses ethnography literature history and activism to place homelessness into historical context and to trace the process by which homelessness came to be recognized as an issue He tells the largely neglected story of homelessness among African Americans and vividly portrays various sites of public homelessness such as airports His accounts of life on the streets make for powerful reading

[Encyclopedia of Homelessness](#) David Levinson, 2004-06-21 Click Additional Materials for downloadable samples This valuable reference provides an excellent overview of a serious world wide problem As such it is an essential purchase for all libraries LIBRARY JOURNAL star review Levinson s remarkable work deserves an award for tackling this complex social problem in such a very thorough and well organized way Highly Recommended CHOICE At any given moment about 3 million American women men and children are homeless And another 5 million Americans spend over 50% of their incomes on housing meaning that one missed paycheck one health crisis or one unpaid utility bill can push them out the door into homelessness Homelessness is one of the major social problems and personal and family tragedies of the contemporary world No community city or nation is immune and the lack of affordable housing and a decline in secure well paying jobs means that the problem will only get worse The Encyclopedia of Homelessness is the first systematic effort to organize and summarize what we know about this complex topic that impacts not only the homeless but all of society The Encyclopedia focuses on the current situation in the United States with a comparative sampling of homelessness around the world Key Themes Causes Lifestyle Issues Health Issues and Services History Legal Issues and Advocacy Government Policies and Programs Organizations Research Approaches Service Systems and Settings Size and Characteristics of the Homeless Population Public Perceptions of Homelessness World Issues and Perspectives Quick and Easy Regional Comparisons Additional descriptive articles cover homelessness today in a sample of American cities and a sample of cities and nations of the world allowing for quick and easy comparisons The Encyclopedia contains entries on Australia Brazil Canada Cuba France Guatemala Japan Nigeria Russia Sweden the United Kingdom Zimbabwe Tokyo Calcutta London and others around the world The Encyclopedia of Homelessness meets the needs of a broad audience offering a rich history and the data views and perspectives of experts from different disciplines and perspectives including Sociologists Anthropologists Economists Historians Social Policy Analysts and Planners Program Administrators Physicians Social

Workers Lawyers who provide advocacy and services Journalists Students of history social studies and the social sciences in high school through graduate school

Appendices In addition to the articles the Encyclopedia provides five carefully researched and compiled appendices that make this the key starting point for the study of homelessness

Homelessness Autobiographical and Fictional Homelessness in Popular Culture Film Directory of Street Newspapers Documentary History Selection of primary source material Master Bibliography Key Features Two volumes and over 150 entries organized alphabetically Entries written by an international team of leading authorities in the field Reader's Guide groups entries by broad topic areas Appendices offer a wealth of additional information

Finding Home: Policy Options for Addressing Homelessness in Canada, 2009 Homelessness Neil Larry Shumsky, 2012-01-16 This book presents an unflinching investigation of homelessness in the United States a problem that has been with us since the arrival of the first English settlers nearly 400 years ago The terms historically used to describe them include bums hoboes migrants street people transients tramps and vagrants Just as varied as the words we have used to describe them are the reasons many people have found themselves living in the land of opportunity without permanent residence The book considers homelessness and its distinctive character in three periods of American history the era of tramps and hoboes in the late 1800s early 1900s the era of transients and migrants in the 1930s and the era of homeless and street people in the last 40 years It clarifies the multiple meanings of the word homeless today and demonstrates that homelessness is a symptom of more than one problem leading to confusion about the issue of homelessness and hampering attempts to reduce its occurrence Author Neil Larry Shumsky PhD also postulates that the treatment of homelessness in England before the colonization of North America laid the foundation of pervasive American attitudes and practices

Homelessness in New York City Thomas J. Main, 2017-09-12 Introduction The beginnings of homelessness policy under Koch The development of homelessness policy under Koch Homelessness policy under Dinkins Homelessness policy under Giuliani Homelessness policy under Bloomberg Homelessness policy under De Blasio Conclusion

Research Handbook on Homelessness Guy Johnson, Dennis Culhane, Suzanne Fitzpatrick, Stephen Metraux, Eoin O'Sullivan, 2024-08-06 The Research Handbook on Homelessness presents a comprehensive account of the current knowledge and understanding of homelessness the substantial challenges it presents and the latest developments in responding to the issue Bringing together 54 of the world's leading scholars in this field this multidisciplinary Research Handbook acknowledges the increasing interest in homelessness across various academic disciplines and highlights the constant evolution of this issue as well as the research methods that accompany it

Modern Homelessness Mary Ellen Hombs, 2011-04-19 This in depth examination reviews fundamental changes of the past decade that have reduced homelessness in the United States and other Western democracies Focusing on the last decade Modern Homelessness A Reference Handbook examines the issue in the United States and in other nations that have adopted new strategies to address homelessness and achieved notable results in preventing and ending it The handbook covers the

unprecedented reductions first announced in 2007 and the crucial shifts in strategy and investment and the results that brought them about These fundamental changes are analyzed to identify the factors that proved most effective in altering the national and local dialogue and response relative to this daunting issue In addition to a brief history of homelessness in contemporary times the handbook examines key developments of the past decade in research policy housing models and service delivery that have been shown to decrease homelessness These include active partnership among the governments of the United States Canada England Australia New Zealand and others that moved the discussion in a new direction The story is brought up to date with a consideration of the effects of the 2008 economic crisis

Poor and Homeless in the Sunshine State James Wright, 2017-07-05 A place like Orlando Florida is not transformed from swampland to sprawling metropolis through Peter Pan like flights of fancy but through theme park expansions requiring developmental schemes that are tough minded and often worsen relationships between the wealthy and the poor The homeless arrive with their own hopes and illusions which are soon shattered The rest of the local population makes its peace with the system Meanwhile the homeless are reduced to advocacy models that neither middle nor working class folks much worry about They are modern members of Ellison s invisible men but they comprise a racial and social mixture unlike any other in the American landscape This book is primarily about the dark side of this portrait the poor near poor homeless and dispossessed who live in the midst of this verdant landscape The phrase down and out has been used to describe people who are destitute or penniless since the late nineteenth century Here the term is used in a more expansive sense as synonymous with anyone who lives near at or over the edge of financial catastrophe

Homeless in Las Vegas Kurt Borchard, 2011-04-28 The homeless men and women represented in this book speak candidly about their plight its origins and the many obstacles to escaping it They discuss the unique challenges and opportunities that Las Vegas s focus on tourism indulgence and diversion offers its homeless residents This compelling and emotionally charged ethnography counters many of the stereotypes of homeless men and women revealing the remarkable diversity of their circumstances It also offers their perspectives on social services and civic attitudes toward homelessness

Homelessness, Housing, and Mental Illness Russell K. Schutt, Stephen M. Goldfinger, 2011-02-28 Humans are social animals and in general don t thrive in isolated environments Homeless people many of whom suffer from serious mental illnesses often live socially isolated on the streets or in shelters Homelessness Housing and Mental Illness describes a carefully designed large scale study to assess how well these people do when attempts are made to reduce their social isolation and integrate them into the community Should homeless mentally ill people be provided with the type of housing they want or with what clinicians think they need Is residential staff necessary Are roommates advantageous How is community integration affected by substance abuse psychiatric diagnoses and cognitive functioning Homelessness Housing and Mental Illness answers these questions and reexamines the assumptions behind housing policies that support the preference of most homeless mentally ill people to live alone in independent apartments

The analysis shows that living alone reduces housing retention as well as cognitive functioning while group homes improve these critical outcomes Throughout the book Russell Schutt explores the meaning and value of community for our most fragile citizens

Rewriting Homeless Identity , Jeremy S. Godfrey, 2015-12-24 Rewriting Homeless Identity Writing as Coping in an Urban Homeless Community focuses on the identities of homeless writers with initially limited or no specialized training in writing at a homeless community church Through an ethnographic two year study author Jeremy Godfrey hosted and participated in weekly writing workshops He also participated in the founding of a street newspaper within that community This book shows Godfrey s experiences in leading writing workshops and how they promoted self exploration within this community Students of the workshop negotiated their unique individual writing personas during the study Those personas were often coping with their experiences on the streets More importantly the writers viewed those experiences as central to their writing processes Much like the setting of the workshop at an urban non denominational community church the writers honed their coping tactics through conversational and performance driven writings Rewriting Homeless Identity highlights those writing samples and the conversations with homeless authors of the samples in relation to identity and a sense of growth

Homelessness in America Robert Hartmann McNamara, 2008-08-30 Homelessness is one of the most compelling social problems in the United States Dating from the early years in Colonial America to the current problems relating to homeless women and children homelessness has been the topic of discussion of scholars social activists and policy makers Many types of social problems are linked to homelessness including poverty substance abuse foster care and crime As a result unpacking the issues has proven to be a challenge for anyone interested in this topic Homelessness in America offers an assessment of what is known about each segment of the homeless population which contrary to conventional belief is comprised of a wide variety of faces from many backgrounds It explains linkages to other social issues and provides a balanced overview of homelessness in light of the varying perspectives on the topic While much of what has been written about homelessness has come from the academic perspective agendas often interfere with an accurate understanding of the problem Clearly there is a place for other types of perspectives including those that view homelessness through political and legal lenses These groups have provided us with a robust body of information within which we may better understand the questions relating to homelessness McNamara has brought together the voices of these groups in order to reveal the numerous political economic and social constraints that beset current attempts to solve homelessness In addition the commonly held belief that homelessness is a result of laziness or a poor work ethic is turned on its head to reveal that homelessness is truly a multifaceted and complex issue

Ed Koch and the Rebuilding of New York City Jonathan Soffer, 2012-01-31 In 1978 Ed Koch assumed control of a city plagued by filth crime bankruptcy and racial tensions By the end of his mayoral run in 1989 and despite the Wall Street crash of 1987 his administration had begun rebuilding neighborhoods and infrastructure Unlike many American cities Koch s New York was growing not shrinking Gentrification

brought new businesses to neglected corners and converted low end rental housing to coops and condos Nevertheless not all the changes were positive AIDS crime homelessness and violent racial conflict increased marking a time of great if somewhat uneven transition For better or worse Koch's efforts convinced many New Yorkers to embrace a new political order subsidizing business particularly finance insurance and real estate and privatizing public space Each phase of the city's recovery required a difficult choice between moneyed interests and social services forcing Koch to be both a moderate and a pragmatist as he tried to mitigate growing economic inequality Throughout Koch's rough rhetoric attacking his opponents as crazy wackos and radicals prompted charges of being racially divisive The first book to recast Koch's legacy through personal and mayoral papers authorized interviews and oral histories this volume plots a history of New York City through two rarely studied yet crucial decades the bankruptcy of the 1970s and the recovery and crash of the 1980s

Mean Streets Don Mitchell, 2020 *Mean Streets* offers in a single sustained argument a theory of the social and economic logic behind the historical development evolution and especially persistence of homelessness in the contemporary city By updating and revisiting thirty years of research and thinking Don Mitchell explores the conditions that produce and sustain homelessness and how its persistence relates to the way capital works in the urban built environment Consequently he unpacks the structure meaning uses and governance of urban public space As one reviewer commented thinking about the histories under which the homeless have been produced and regulated is vital Mitchell traces his argument through two sections a broadly historical overview followed by an exploration of recent Supreme Court jurisprudence that also expands the discussion beyond the regulation of the homeless and the poor arguing that this has metastasized to become more general issue affecting all urbanites

Homelessness in America Michele Wakin, 2022-02-18 This title provides a one stop resource for understanding the crisis of homelessness in the United States It covers risk factors for homelessness societal attitudes about the homeless and public and private resources designed to prevent homelessness and help those in need There are a number of questions to be answered when addressing the subject of homelessness in the United States What are the primary causes of homelessness What are the economic and socioeconomic factors that have an impact on homeless people What demographic trends can be identified in homeless populations Is the U S addressing the needs and concerns of homeless people adequately Where are the areas with the highest homeless populations What can be done to help homeless people who live with mental illness and or addiction problems *Homelessness in America A Reference Handbook* answers all of these questions and more It thoroughly examines the history of homelessness in the U S shining a light on the key issues events policies and attitudes that contribute to homelessness and shape the experience of being homeless It places special emphasis on exploring the myriad problems that force people into homelessness such as inadequate levels of affordable housing struggles with substance abuse and gaps in the U S social welfare system In addition it explains why some demographic groups are at heightened risk of homelessness

For a Liberatory Politics of Home Michele Lancione, 2023-10-06 In *For a*

Liberatory Politics of Home Michele Lancione questions accepted understandings of home and homelessness to offer a radical proposition homelessness cannot be solved without dismantling current understandings of home Conventionally home is framed as a place of security and belonging while its loss defines what it means to be homeless On the basis of this binary a whole industry of policy interventions knowledge production and organizing fails to provide solutions to homelessness but perpetuates violent and precarious forms of inhabitation Drawing on his research and activism around housing in Europe Lancione attends to the interlocking crises of home and homelessness by recentering the political charge of precarious dwelling It is there if often in unannounced ways that a profound struggle for a differential kind of homing signals multiple possibilities to transcend the violences of home homelessness In advancing a new approach to work with the politics of inhabitation Lancione provides a critique of current practices and offers a transformative vision for a renewed liberatory politics of home

Transdisciplinary Ethnography in India Rosa Maria Perez, Lina M. Fruzzetti, 2021-08-18 This book familiarises readers with a new way to treat the subject of gender foregrounding the real voices of women their experiences doing ethnographic work and their courage in sharing their stories publicly for the first time in the context of India A useful companion to more theory based anthropological studies the book connects ethnographic data to what eventually becomes theories formed from the field Chapters by women from a variety of disciplines Anthropology Literary and Translation studies Political Sciences transcend the academic boundaries between social sciences and humanities The book shows how the researchers navigate in the field write in ways that defy their academic life and work and call into question their narrative voice The book presents a space for women to reflect on their individual themes of research and at partially filling the vacuum mentioned above the silences of women's voices and expressions The experiences described in the chapters differ both along the divide of a native and a non native fieldworker and along different disciplinary fields but they share the experience of a long term fieldwork in India and the need to self reflect on the impact of this experience on the way the field is represented on the people encountered in the field on the way the field impacted on the fieldworker The book is a useful presentation of how female researchers act in the field as women and scholars Filling a gap in the existing literature of ethnographic research methods the book will be of interest to students and researchers interested in the fields of Gender Studies Social Work Sociology Anthropology and Asian Studies

Toward Understanding Homelessness, 2007

Social Work and the Grand Challenge to Eliminate Racism Martell L. Teasley, Michael S. Spencer, Melissa Bartholomew, 2023 In the current era the ongoing challenge of race and ethnic relations and growing white supremacy reminds us that the centrality of racism needs considerable attention and has us profoundly questioning the structure and functioning of institutional practices In Social Work and the Grand Challenge of Ending Racism the authors argue that racism has been somewhat short shifted as an avenue of inquiry to help explain social problems and social welfare outcomes within the social work profession and within the greater society This book promotes innovative ways of preventing or interrupting

racism and to stress the development and proliferation of antiracism practices as a method of reducing racialized outcomes in society

Front Porch Politics Michael Stewart Foley, 2013-09-17 Reading this book revives the spirit of civic action today for those who are unjustifiably forlorn about overcoming injustice Ralph Nader An on the ground history of ordinary Americans who took to the streets when political issues became personal The 1960s are widely seen as the high tide of political activism in the United States According to this view Americans retreated to the private realm after the tumult of the civil rights and antiwar movements and on the rare occasions when they did take action it was mainly to express their wish to be left alone by government as recommended by Ronald Reagan and the ascendant New Right In fact as Michael Stewart Foley shows in *Front Porch Politics* this understanding of post 1960s politics needs drastic revision On the community level the 1970s and 1980s witnessed an unprecedented upsurge of innovative and impassioned grass roots political activity In Southern California and on the Lower East Side of Manhattan tenants challenged landlords with sit ins and referenda in the upper Midwest farmers vandalized power lines and mobilized tractors to protect their land and in the deindustrializing cities of the Rust Belt laid off workers boldly claimed the right to own their idled factories Meanwhile activists fought to defend the traditional family or to expand the rights of women while entire towns organized to protest the toxic sludge in their basements Recalling Love Canal the tax revolt in California ACT UP and other crusades famous or forgotten Foley shows how Americans were propelled by personal experiences and emotions into the public sphere Disregarding conventional ideas of left and right they turned to political action when they perceived from their actual or figurative front porches an immediate threat to their families homes or dreams *Front Porch Politics* is a vivid and authoritative people s history of a time when Americans followed their outrage into the streets Addressing today s readers it is also a field guide for effective activism in an era when mass movements may seem impractical or even pass The distinctively visceral local and highly personal politics that Americans practiced in the 1970s and 1980s provide a model of citizenship participation worth emulating if we are to renew our democracy

Reckoning With Homelessness Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reckoning With Homelessness PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reckoning With Homelessness PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Reckoning With Homelessness free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Reckoning With Homelessness Books

1. Where can I buy Reckoning With Homelessness books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Reckoning With Homelessness book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
