Reckoning With Slavery A Critical Study In The Quantitative History Of American Negro Slavery:

Reckoning with Slavery Paul A. David, Herbert George Gutman, Richard Sutch, Peter Temin, Gavin Wright, 1976 With an introduction by Kenneth M Stampp Reckoning with Slavery: a Critical Study in the Quantitative History of American Negro Slavery Paul Allan DAVID, 1977 **Reckoning with Slavery** , 1976 **New Studies in the History of American Slavery** Edward E. Baptist, Stephanie M. H. Camp, 2006-01-01 These essays by some of the most prominent young historians writing about slavery fill gaps in our understanding of such subjects as enslaved women the Atlantic and internal slave trades the relationships between Indians and enslaved people and enslavement in Latin America Inventive and stimulating the essays model the blending of methods and styles that characterizes the new cultural history of slavery s social political and economic systems Several common themes emerge from the volume among them the correlation between race and identity the meanings contained in family and community relationships gender and life s commonplaces and the literary and legal representations that legitimated and codified enslavement and difference Such themes signal methodological and pedagogical shifts in the field away from master slave or white black race relations models toward perspectives that give us deeper access to the mental universe of slavery Topics of the essays range widely including European ideas about the reproductive capacities of African women and the process of making race in the Atlantic world the contradictions of the assimilation of enslaved African American runaways into Creek communities the consequences and meanings of death to Jamaican slaves and slave owners and the tensions between midwifery as a black cultural and spiritual institution and slave midwives as health workers in a plantation economy Opening our eyes to the personal the contentious and even the intimate these essays call for a history in which both enslaved and enslavers acted in a vast human drama of bondage and freedom salvation and damnation wealth and exploitation *The Overseers of Early American Slavery* Laura R. Sandy, 2020-04-03 Enmeshed in the exploitative world of racial slavery overseers were central figures in the management of early American plantation enterprises All too frequently dismissed as brutal and incompetent they defy easy categorisation Some were rogues yet others were highly skilled professionals farmers and artisans Some were themselves enslaved They and their wives with whom they often formed supervisory partnerships were caught between disdainful planters and defiant enslaved labourers as they sought to advance their ambitions Their history revealed here in unprecedented detail illuminates the complex power struggles and interplay of class and race in a volatile slave society , Slavery in America Kenneth Morgan, 2005 Designed specially for undergraduate course use this new textbook is both an introduction to the study of American slavery and a reader of core texts on the subject No other volume that combines both primary and secondary readings covers such a span of time from the early seventeenth century to the Civil War The book begins with a substantial introduction to the entire volume that gives an overview of slavery in North America Each of the twelve chapters that follow has an introduction that discusses the leading secondary books and articles on the topic in question followed by an essay and

three primary documents Questions for further study and discussion are included in the chapter introduction while further readings are suggested in the chapter bibliography Topics covered include slave culture the slave based economy slavery and the law slave resistance pro slavery ideology abolition and emancipation The essays by such eminent historians as Drew Gilpin Faust Don E Fehrenbacher Eric Foner John Hope Franklin and Sylvia R Frey have been selected for their teaching value and ability to provoke discussion Drawing on black and white male and female experiences the primary documents come from a wide variety of sources diaries letters laws debates oral testimonies travelers accounts inventories journals autobiographies petitions and novels Enterprise Stuart Weems Bruchey,1990 An economic history of the United States

The Civil War and Slavery Reconsidered Laura R. Sandy,Marie S. Molloy,2019-02-05 Following the suggestion of the historian Peter Parish these essays probe the edges of slavery and the sectional conflict The authors seek to recover forgotten stories exceptional cases and contested identities to reveal the forces that shaped America in the era of the Long Civil War c 1830 1877 Offering an unparalleled scope from the internal politics of southern households to trans Atlantic propaganda battles these essays address the fluidity and negotiability of racial and gendered identities of criminal and transgressive behaviors of contingent shifting loyalties and of the hopes of freedom that found expression in refugee camps court rooms and literary works *Black Southerners* John B. Boles,2021-05-11 This revealing interpretation of the black experience in the South emphasizes the evolution of slavery over time and the emergence of a rich hybrid African American culture From the incisive discussion on the origins of slavery in the Chesapeake colonie *A Companion to Digital Humanities* Susan Schreibman,Ray Siemens,John Unsworth,2008-03-03 This Companion offers a thorough concise overview of the emerging field of humanities computing Contains 37 original articles written by leaders in the field Addresses the central concerns shared by those interested in the subject Major sections focus on the experience of particular disciplines in applying computational methods to research problems the basic principles of humanities computing specific applications and methods and production dissemination and archiving Accompanied by a website featuring supplementary materials standard readings in the field and essays to be included in future editions of the Companion **Historical Dictionary of Slavery and Abolition** Martin A. Klein,2002 Slavery s origins lie far back in the mists of prehistoric times and have spanned the globe two facts that most history texts fail to address This comprehensive volume provides a historical overview of slavery through the ages from prehistoric times to the modern day while detailing the different forms the various sources and the circumstances existing in different countries and regions As a broad reference source it provides a complete look at slavery by discussing the causes and cures as well as the plight of those who fought for and against it Every public college and high school library will want this available for students and other researchers **Human Rights** Darren O'Byrne,2014-06-06 Human Rights An Introduction is an important text that provides a comprehensive overview of human rights and related issues from a social science perspective First this book does more than discuss theory it uses case studies and personal

testimonies in the debate Human rights as an area of academic interest cannot be easily divorced from human rights struggles and the reality of contemporary conditions Second the book is aimed at what is an emerging and growing cross disciplinary field of study Human rights issues are increasingly coming to the fore in a number of academic debates Whereas the study of human rights has traditionally been included in departments of law international relations and philosophy a number of courses are now being set up in departments of sociology and anthropology Consequently there is an increasing need to bring these disparate approaches together

The Gullah People and Their African Heritage William S. Pollitzer, 2005-11-01 The Gullah people are one of our most distinctive cultural groups Isolated off the South Carolina Georgia coast for nearly three centuries the native black population of the Sea Islands has developed a vibrant way of life that remains in many ways as African as it is American This landmark volume tells a multifaceted story of this venerable society emphasizing its roots in Africa its unique imprint on America and current threats to its survival With a keen sense of the limits to establishing origins and tracing adaptations William S Pollitzer discusses such aspects of Gullah history and culture as language religion family and social relationships music folklore trades and skills and arts and crafts Readers will learn of the indigo and rice growing skills that slaves taught to their masters the echoes of an African past that are woven into baskets and stitched into quilts the forms and phrasings that identify Gullah speech and much more Pollitzer also presents a wealth of data on blood composition bone structure disease and other biological factors This research not only underscores ongoing health challenges to the Gullah people but also helps to highlight their complex ties to various African peoples Drawing on fields from archaeology and anthropology to linguistics and medicine The Gullah People and Their African Heritage celebrates a remarkable people and calls on us to help protect their irreplaceable culture

Slavery Leonie Archer, 2013-07-04 First published in 1988 Bringing together normally self contained areas of research this book presents penetrating analyses of the nature and perpetuation of slavery through the ages

Abraham Lincoln and Reconstruction Peyton McCrary, 2015-03-08 After victorious federal troops swept through southern Louisiana in 1862 the state became the testing ground for Abraham Lincoln s approach to reconstruction and thus the focal point for the debate over post war policy in Washington Peyton McCrary offers a comprehensive account of the social and political upheavals in Louisiana set against the background of a new interpretation of the revolutionary dimensions of the Civil War party system He compares the moderate Republican regime set up by Lincoln with the antebellum social and political system and contrasts it with the reactionary government established in 1865 under the aegis of Andrew Johnson and the Democratic Party The author also explores the social history of the contract labor system the evolution of the Freedmen s Bureau and the growing participation of blacks in the Louisiana Republican movement Drawing on extensive research in unpublished manuscripts party records and newspapers and using sophisticated quantitative analysis of electoral and legislative behavior Professor McCrary suggests a significant revision of earlier interpretations of Lincoln s reconstruction policies He finds that the real architect of

the gradualist approach with which the President was publicly identified was his commanding general in Louisiana Nathaniel P Banks who was less open to the idea of Negro suffrage than was Lincoln himself Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

American Slavery Peter Kolchin, 2003 updated to address a decade of new scholarship the book includes a new preface afterword and revised and expanded bibliographic essay from publisher description [Africa and Africans in the Making of the Atlantic World, 1400-1800](#) John Thornton, 1998-04-28 This book explores Africa s involvement in the Atlantic world from the fifteenth century to the eighteenth century It focuses especially on the causes and consequences of the slave trade in Africa in Europe and in the New World African institutions political events and economic structures shaped Africa s voluntary involvement in the Atlantic arena before 1680 Africa s economic and military strength gave African elites the capacity to determine how trade with Europe developed Thornton examines the dynamics of colonization which made slaves so necessary to European colonizers and he explains why African slaves were placed in roles of central significance Estate structure and demography affected the capacity of slaves to form a self sustaining society and behave as cultural actors transferring and transforming African culture in the New World [Slavery Rice Culture](#) Julia Floyd Smith, 1991-01-31 Rice plantations were found in coastal Georgia which included Chatham Bryan Liberty McIntosh Glynn and Camden counties [Themes in Rural History of the Western World](#) Richard Herr, 2002-09 Drawing on a number of disciplines nine scholars examine the major issues addressed by rural history
