## **Reclaiming The Fire How Successful People Overcome Burnout:**

**Reclaiming the Fire** Steven Berglas, 2001-07-03 The definitive work on avoiding burnout written by the psychologist who is the leading specialist on the issue An illuminating and useful book for anyone coping with the pressures of work In *Reclaiming the Fire* Dr Steven Berglas analyzes the rises and falls of corporate executives middle managers lawyers entrepreneurs and others as they struggle to handle the trappings of successful careers How does one deal with encore anxiety the monotony of having to use talents that are no longer psychologically rewarding Why is it that our national obsession with wealth traps people in careers that often lead them to wonder Is that all there is And why do highly successful people often set themselves up for disastrous falls Dr Berglas answers all these questions and many more in this groundbreaking book by discussing real people whose careers have left them feeling pressured burdened and jaded In his most progressive and striking contribution to the literature on career success Dr Berglas debunks the persistent myth that women suffer more stress and burnout than men He disproves the common claim that women involved both in careers and in family life suffer from trying to have it all and he demonstrates how the drive to form close interpersonal ties a drive that is intrinsic to women can actually prevent both men and women from experiencing burnout In a related analysis of the mentoring process Dr Berglas shows why it is more important for careerists to build legacies for future generations a process he terms generativity than to become obsessed with their own personal success He proves that the process not only benefits the student but provides the mentor with psychological satisfaction and even improved physical health *Reclaiming the Fire* uses the working world not the psychiatric couch as a venue for understanding the psychological and emotional burdens of success It is the first comprehensive account of how to balance self esteem and ambition while maintaining challenge and stimulation throughout your career *Reclaiming the Fire* provides insight into Why baby boomers are currently suffering an epidemic of career dissatisfaction Why women are uniquely suited to cope with the pressures that cause men to suffer burnout and what men can learn from them How to escape golden handcuffs the workaholic devotion to a job that is no longer emotionally satisfying How to cope with anger that threatens to sabotage your career How all professionals can identify the passions that will allow them to sustain and enjoy success throughout their lives **Stay Hungry & Kick**

**Burnout in the Butt** Steven Berglas, 2018-09-18 One of the foremost authorities on career guidance Dr Steven Berglas shows you how to find passion and renewed energy through your work Most Americans today are frustrated that no matter how much emotional currency they invest in the work they are trying to do well each day leaves them disappointed depleted and distressed Dr Berglas has spent more than 25 years studying this phenomenon while a faculty member at Harvard Medical School s Department of Psychiatry and as an Adjunct Professor at USC s Marshall School of Business He has devoted four decades to helping high earning clients derive psychological rewards from work Berglas clients range from CEOs and other C Level executives to professional athletes lawyers politicians and artists In *STAY HUNGRY KICK BURNOUT IN THE*

BUTT Berglas explores what causes people to suffer psychological burnout and how to prevent it Specifically Berglas walks you through a program that enables you to identify passions and harness the energy already within you to fuel psychologically gratifying professional pursuits Debunking common myths Dr Berglas knows there s no one size fits all solution to any psychological problem which is why he will help you identify your core passion and then offer clear actionable advice on how to harness it to live a happier and more fulfilling life guided by purpose **In It for the Long Haul** Glenn E. Ludwig,2002-01-01 When pastors and congregations come together in ministry they generally do so with the hope that the relationship will be long lasting and dynamic The reality however is that long term pastorates are an increasingly rare phenomenon in congregations While there are many reasons that most pastors can only sustain their ministries in a parish for a relatively limited number of years Glenn Ludwig argues that this does not have to be the case if both pastors and congregations take deliberate steps toward an enduring friendship **The Encyclopedia of Stress and Stress-Related Diseases, Second Edition** Ada P. Kahn,2006 Presents information on stresses in the environment their causes effects and possible ways to minimize or eliminate them *Supervision in Educational, Social and Medical Services Professions* Georgeta Rață,2013-07-26 Supervision in Educational Social and Medical Services Professions investigates both theoretical and practical aspects of stress burnout and brain drain the need for supervision the benefits of professional supervision and the most common types of supervision and provides a definition of the supervisor and their role in educational social and medical professions The book also presents quantitative research on a sample of 400 professionals educators medical assistants psychologists and social workers aimed at identifying the need for supervision the understanding and acceptance level of supervision the advantages of supervision as well as the burnout and brain drain levels of professionals supplying direct services to their clients The book is the result of a postdoctoral grant and will appeal to a wide range of professionals such as social workers psychologists medical assistants and doctors teachers researchers as well as to all those interested in the field of social work and willing to develop professionally and personally **High Octane Women** Sherrie Bourg Carter, M.D.,2011-02-02 In this authoritative well researched book full of helpful insights and practical advice a psychologist draws on more than 15 years experience and expertise in stress management to explore the unique challenges that high achieving women face and how they can avoid burnout **Counting Our Losses** Darcy L. Harris,2011-01-19 This text is a valuable resource for clinicians who work with clients dealing with non death nonfinite and ambiguous losses in their lives It explores adjustment to change transition and loss from the perspective of the latest thinking in bereavement theory and research The specific and unique aspects of different types of loss are discussed such as infertility aging chronic illnesses and degenerative conditions divorce and separation immigration adoption loss of beliefs and loss of employment Harris and the contributing authors consider these from an experiential perspective rather than a developmental one in order to focus on the key elements of each loss as it may be experienced at any point in the lifespan Concepts related to adaptation and coping with

loss such as resilience hardiness meaning making and the assumptive world transcendence and post traumatic growth are considered as part of the integration of loss into everyday life experience **CIO** ,2001-07-01 **From Engineer to Manager** B.
