# Reclaiming Leisure Art Sport And Philosophy

**Daniel D. McLean, Amy R. Hurd, Nancy  
Brattain Rogers**

## **Reclaiming Leisure Art Sport And Philosophy:**

**Reclaiming Leisure** H. Ramsay, 2005-09-20 Leisure activities account for much of our time and money But are contemporary forms of leisure good for us Are they really leisure And how much does and should leisure matter Classical philosophers paid attention to these questions Increasingly modern philosophers too are realizing the importance of leisure and of a good leisure work balance Hayden Ramsay looks at the meaning of leisure and the links between recreation relaxation virtue and happiness By focussing on leisure activities such as sport travel music and reading Ramsay explores the need for good play in a good life

**Kraus' Recreation and Leisure in Modern Society** Daniel D. McLean, Amy R. Hurd, Nancy Brattain Rogers, 2008 The Eighth Edition Of This Classic Textbook Continues To Provide A Detailed Overview Of The History Developments And Current Trends In Leisure Studies It Has Been Heavily Revised To Reflect Recent Societal Changes And The Challenges That Face The Leisure Services Industry In The 21st Century Students Will Learn How Trends Such As Dramatic Shifts In Population Make Up The Impact Of Technology And Marketing Affect Leisure Service Systems And The Recreation And Park Professions To Reflect These Trends The Text Focuses On Ten Different Types Of Organizations Ranging From Nonprofit Community Organizations Or Armed Forces Recreation To Sports Management And Travel And Tourism Sponsors

The Bloomsbury Companion to the Philosophy of Sport Cesar R. Torres, 2014-05-16 The Bloomsbury Companion to the Philosophy of Sport features specially commissioned essays from a team of leading international scholars The book by providing an overview of the advances in the philosophical understanding of sport and related practices serves as a measure of the development of the philosophy of sport but it also constitutes an expression of the discipline s state of the art The book includes a critical analysis of the historical development of philosophic ideas about sport three essays on the research methods typically used by sport philosophers twelve essays that address vital issues at the forefront of key research areas as well as four essays on topics of future disciplinary concern The book also includes a glossary of key terms and concepts an essay on resources available to researchers and practitioners an essay on careers opportunities in the discipline and an extensive annotated bibliography of key literature

**Music, Leisure, Education** Roger Mantie, 2022 This book explores historical and philosophical connections between music leisure and education Specifically it considers how music learning teaching and participation can be reconceptualized in terms of leisure Taking as its starting point the art of living and the ethical question of how one should live the book engages a wide range of scholarship to problematize the place of non professional music making in historical and contemporary Western conceptions of the good life and the common good Part I provides a general background on music education school music the work ethic leisure studies recreation play and conduct Part II focuses on two significant currents of thought and activity during the Progressive Era in the United States the settlement movement and the recreation movement The examination demonstrates how societal concerns over conduct the threat of leisure and differing views on the purpose of music learning and teaching

led to a fracturing between those espousing generalist and specialist positions The four chapters of Part III take readers through considerations of happiness eudaimonia and the good life issues of work life balance and the play spirit leisure satisfaction in relation to consumerism individualism and the common good and finally parenting logics in relation to extracurriculars music learning and serious leisure

**Leisure and Spirituality (Engaging Culture)** Paul

Heintzman, 2015-03-10 This addition to the award winning Engaging Culture series explores the link between leisure and spirituality offering a Christian perspective on leisure concepts and issues in contemporary society Paul Heintzman a respected scholar and experienced recreation practitioner interacts with biblical historical and contemporary leisure studies sources to provide a comprehensive understanding of leisure He also explains the importance of leisure for spiritual growth and development This work will appeal to professors and students as well as practitioners in the recreation and leisure services field youth and college pastors and camp ministries

**An Introduction to the Philosophy of Leisure** Jason

Holt, 2025-05-20 This book is a friendly and engaging introduction to the philosophy of leisure Jason Holt frames the text around a novel definition of leisure as intrinsically motivated elective activities which he defends throughout the text in comparison to other accounts of leisure Beginning with Aristotle's influential theory and following its monumental legacy in Western culture this book also includes Asian African and Indigenous philosophies and traditions Topics discussed include leisure in relation to concepts of time consumerist vs reflective leisure play and games the place of freedom in leisure active vs idle leisure and what makes for authentic leisure Along with coordinating philosophies from many different times and places on the same conceptual map this book proposes a pluralist theory of how leisure fits into a meaningful and fulfilling life

**Kraus' Recreation & Leisure in Modern Society** Mclean, Amy R. Hurd, Denise M. Anderson, 2017-08-25 The

Eleventh Edition of Kraus Recreation and Leisure in Modern Society provides a detailed introduction to the history developments and current trends in leisure studies It addresses contemporary issues facing the recreation and leisure profession and focuses on challenges and opportunities that impact the profession now as well as years from now Extensive research into emerging trends helps support the text and provide insights into the future

**A History of Leisure** Peter

Borsay, 2006-02-27 Leisure is a key aspect of modern living How did our ancestors experience recreation in the past and how does this relate to the present To answer these questions Peter Borsay examines the history of leisure in Britain over the past 500 years analysing elements of both continuity and change A History of Leisure Explores a range of pastimes from festive culture and music to tourism and sport Emphasises a conceptual and critical approach rather than a simple narrative history Covers a range of themes including economy state class identities place space and time Treats the constituent parts of the British Isles as a fluid and dynamic amalgam of local and national cultures and polities Authoritative and engaging this text challenges conventional views on the history of leisure and suggests new approaches to the subject Borsay draws upon the insights provided by a variety of disciplines alongside that of history anthropology the arts geography and sociology to offer

an essential guide to this fascinating area of study      *Kraus' Recreation and Leisure in Modern Society* Daniel McLean, Amy Hurd, 2011-02-09 Focusing on ten different types of organizations ranging from nonprofit community organizations and armed forces recreation to sports management and travel and tourism sponsors this classic text is an invaluable resource for students considering a career in the recreation and leisure industry      *Multidisciplinary Perspectives on Play from Birth and Beyond* Sandra Lynch, Deborah Pike, Cynthia à Beckett, 2017-01-27 While firmly acknowledging the importance of play in early childhood this book interrogates the assumption that play is a birthright It pushes beyond traditional understandings of play to ask questions such as what is the relationship between play and the arts theatre music and philosophy and between play and wellbeing How is play relevant to educational practice in the rapidly changing circumstances of today's world What do Australian Aboriginal conceptions of play have to offer understandings of play The book examines how ideas of play evolve as children increasingly interact with popular culture and technology and how developing notions of play have changed our work spaces teaching practices curricula and learning environments as well as our understanding of relationships between children and adults This multidisciplinary volume on the subject of play combines the work of some of the world's leading researchers in the field of early childhood education with contributions from distinguished and emerging scholars in areas as diverse as education theatre studies architecture literature philosophy cultural studies theology and the creative arts Reconsidering the common focus on play in early education to investigate its broader impact this collection offers a refreshing and valuable addition to studies on play reconceptualizing it for the 21st century      *On the Eighth Day* Matt Hoven, J. J. Carney, Max T. Engel, 2022-06-07 During a 1980s Edmonton Oilers game fans unveiled a banner claiming On the 8th day God created Gretzky Intersections between religious belief and sporting participation are nothing new where players coaches and fans are known to pray cross themselves and point to the heavens during a game But what should be the relationship between sports and religious faith On the Eighth Day introduces the theology of sport from a Catholic standpoint It wrestles with sport's universal appeal its rich symbolism and its spiritual and moral characteristics Sport is a place where embodied games can be sacramental where traditions of the past speak to contemporary peoples and where truth and justice are demanded in a world affected by sin The eighth day recalls the playful re-creative work of God the Creator embodied in Christ's resurrection In this sense this book marks out a new day in Christian attitudes toward modern sport and the continuing call to redeem sport in service of human flourishing Comprehensive yet accessible the book will engage thoughtful lay sports fans and academic students alike      *The Visitor Studies Guide* Lee Davidson, 2025-05-22 The Visitor Studies Guide offers an up to date overview of the rapidly expanding field of theory and research practice relating to the public use of museums galleries libraries archives memorials zoos aquariums planetariums gardens urban parks arboretums nature centres historic sites and protected areas It surveys the field's evolution current challenges and future possibilities It reviews the most recent applications and theoretical advances in Visitor Studies and connects theory and practice through a

diverse range of case studies from practitioners around the world and an introduction to the basic principles of research design It outlines an agenda for building a more integrated and theoretically driven field which is interdisciplinary and embraces critical perspectives It shows how Visitor Studies can be a vital tool for heritage agencies to fulfil their missions for positive social and environmental impact It also provides a platform for a more globally connected community of practice by profiling voices from previously under represented regions such as China Latin America and Aotearoa New Zealand Aimed at a global audience The Visitor Studies Guide is an introduction to the field for students and heritage practitioners and will be a valuable resource for teaching in museum and heritage programmes For experienced practitioners it offers a comprehensive view of current trends new approaches and methods across different heritage contexts and a reflection on the future scope and direction of the field

Tourist Experience Richard Sharpley, Philip Stone, 2010-10-04 To consume tourism is to consume experiences An understanding of the ways in which tourists experience the places and people they visit is therefore fundamental to the study of the consumption of tourism Consequently it is not surprising that attention has long been paid in the tourism literature to particular perspectives on the tourist experience including demand factors tourist motivation typologies of tourists and issues related to authenticity commodification image and perception However as tourism has continued to expand in both scale and scope and as tourists needs and expectations have become more diverse and complex in response to transformations in the dynamic socio cultural world of tourism so too have tourist experiences Tourist Experience provides a focused analysis into tourist experiences that reflect their ever increasing diversity and complexity and their significance and meaning to tourists themselves Written by leading international scholars it offers new insights into emergent behaviours motivations and sought meanings on the part of tourists based on five contemporary themes determined by current research activity in tourism experience dark tourism experiences experiencing poor places sport tourism experiences writing the tourist experience and researching tourist experiences methodological approaches The book critically explores these experiences from multidisciplinary perspectives and includes case studies from a wide range of geographical regions By analyzing these contemporary tourist experiences the book will provide further understanding of the consumption of tourism

**Kraus' Recreation and Leisure in Modern Society** Amy Hurd, Denise M. Anderson, Tracy Mainieri, 2021-08-06 Kraus Recreation and Leisure in Modern Society provides a detailed introduction to the history developments and current trends in leisure studies The Twelfth Edition focuses on the challenges and opportunities impacting the profession including dramatic demographic changes new technologies and innovations in marketing through an array of pedagogical features including engaging sidebars and case studies addressing contemporary issues Focusing on ten different types of organizations ranging from nonprofit community organizations and armed forces recreation to sports management and travel and tourism sponsors the Twelfth Edition is an invaluable resource for students considering a career in the recreation and leisure industry

The British National Bibliography Arthur James Wells, 2005 Proceedings North

American Society for Sport History, 2006      *Choice*, 2006      Canine Agility and the Meaning of Excellence Beth A. Dixon, 2024-11-20 This book is a philosophical inquiry about the meaning of excellence in canine agility No matter how accomplished we are as trainers students or competitors we are all either striving for excellence realizing excellence or falling short of it sometimes by a lot This study employs a unique methodology to explore the foundational issue of excellence in agility as well as in other canine sports Using interviews with ordinary practitioners of agility judges and competitors as well as memoirs autobiographies and fictional stories the author formulates and argues for the ethical concept of excellence

**Spor Felsefesi** Ersin AFACAN, 2019-12-29      **Konzepte der Muße** Jochen Gimmel, Tobias Keiling, 2016-09-07 Was für ein Glück verspricht die Muße Gibt es eine Freiheit die sich nur in Muße realisiert Mit einem Leben in Muße ist das Versprechen eines selbstbestimmten und erfüllten Daseins verbunden Die Beiträge dieses Bandes diskutieren was Muße ausmacht
