Recollections From The Colville Indian Agency 1886 1889:

Recollections from the Colville Indian Agency, 1886-1889 Rickard Daniel Gwydir, 2001 During his years at the Colville Agency Gwydir oversaw Salishan tribes from the Spokane Coville and Courer d Alene reservations **A Guide to the Indian Tribes of the Pacific Northwest** Robert H. Ruby, John A. Brown, Cary C Collins, 2013-02-27 The Native peoples of the Pacific Northwest inhabit a vast region extending from the Rocky Mountains to the Pacific Ocean and from California to British Columbia For more than two decades A Guide to the Indian Tribes of the Pacific Northwest has served as a standard reference on these diverse peoples Now in the wake of renewed tribal self determination this revised edition reflects the many recent political economic and cultural developments shaping these Native communities From such well known tribes as the Nez Perces and Cayuses to lesser known bands previously presumed extinct this guide offers detailed descriptions in alphabetical order of 150 Pacific Northwest tribes Each entry provides information on the history location demographics and cultural traditions of the particular tribe Among the new features offered here are an expanded selection of photographs updated reading lists and a revised pronunciation guide While continuing to provide succinct histories of each tribe the volume now also covers such contemporary and sometimes controversial issues as Indian gaming and NAGPRA With its emphasis on Native voices and tribal revitalization this new edition of the Guide to the Indian Tribes of the Pacific Northwest is certain to be a definitive reference for many years to come **American Indian Culture and Research Journal** ,2003 *Who Gets to Be Indian?* Dina Gilio-Whitaker, 2025-10-07 An investigation into how Native American identity became a commodity from cultural appropriation to ethnic fraud to disenrollment Settler capitalism has been so effective that the very identities of Indigenous people have been usurped misconstrued and weaponized In *Who Gets to Be Indian* scholar and writer Dina Gilio Whitaker Colville Confederated Tribes explores how ethnic fraud and the commodification of Indianness has resulted in mass confusion about what it means to be Indigenous in the United States As an entry point to the seemingly intractable problem of ethnic fraud Gilio Whitaker critically looks to the film industry including a case study of Sacheen Littlefeather who is most known as the Native American woman that rejected an Oscar on behalf of Marlon Brando in 1973 though later revealed she was not who she said she was Gilio Whitaker argues that this pretendian phenomenon originated in Southern California when the United States was forcing assimilation of Indians into white America culturally but also into its capitalist economic system With Indianness becoming a marketized commodity in the Hollywood film business the field became open to anyone who could convincingly adopt an Indian persona Deeply researched using socio historical analysis Gilio Whitaker offers insights from her own experiences grappling with identity to provide clarity and help readers understand how the commodification of Indianness have ultimately left many people of legitimate American Indian heritage to be disconnected from their tribes Personal and compelling Gilio Whitaker takes settler capitalism to task and helps us better understand how we got here in order to counteract the abuses of pretendianism

and disenrollment **Settlers of the American West** Mary Ellen Snodgrass, 2015-03-10 Depictions of the American west in literature art and film perpetuate romantic stereotypes of the pioneers the gold crazed 49er the intrepid sodbuster While ennobling the woodsman the farmwife and the lawman this tunnel vision of American history has shortchanged the whaler the assayer the innkeeper and the inventor The westward advance of the trailblazers created demand for a gamut of unsung adventurers surveyors financiers politicians surgeons entertainers grocers and midwives who built communities and businesses in the wilderness amid clashes with Indians epidemics floods droughts and outlawry Chronicling the worthy deeds ethnicities languages and lifestyles of ordinary people who survived a stirring period in American history this book provides biographical information for hundreds of individual pioneers on the North American frontier from the Mississippi River Valley as far west as Alaska Appendices list pioneers by state or country of departure destination ethnicity religion and occupation A chronology of pioneer achievements places them in perspective *Bartering with the Bones of Their Dead* Laurie

Arnold, 2012-12-15 *Bartering with the Bones of their Dead* tells the unique story of a tribe whose members waged a painful and sometimes bitter twenty year struggle among themselves about whether to give up their status as a sovereign nation Over one hundred federally recognized Indian tribes and bands lost their sovereignty after the Eisenhower Administration enacted a policy known as termination which was carefully designed to end the federal Indian relationship and to dissolve Indian identity Most tribes and bands fought this policy the Colville Confederated Tribes of north central Washington State offer a rare example of a tribe who pursued termination Some Colville tribal members who favored termination wanted a life free from federal supervision and a return to the era when each band of the confederation managed its own affairs Other termination advocates simply sought the financial payout that termination promised Opponents of termination wanted to protect tribal identities and lands hoped to preserve the Colville heritage and homeland for future generations and sought to compel the federal government to live up to its promises Laurie Arnold tells the story of those years on the Colville reservation with the perspective both of a thorough and careful historian and of an insider who grew up listening to the voices and memories of her elders Watch the book trailer http://www.youtube.com/watch?v=4N_jvwYb6z0 *In League*

Against King Alcohol Thomas J. Lappas, 2020-02-13 Many Americans are familiar with the real but repeatedly stereotyped problem of alcohol abuse in Indian country Most know about the Prohibition Era and reformers who promoted passage of the Eighteenth Amendment among them the members of the Woman s Christian Temperance Union But few people are aware of how American Indian women joined forces with the WCTU to press for positive change in their communities a critical chapter of American cultural history explored in depth for the first time in *In League Against King Alcohol* Drawing on the WCTU s national records as well as state and regional organizational newspaper accounts and official state histories historian Thomas John Lappas unearths the story of the Woman s Christian Temperance Union in Indian country His work reveals how Native American women in the organization embraced a type of social economic and political progress that their white counterparts

supported and recognized while maintaining distinctly Native elements of sovereignty self determination and cultural preservation They asserted their identities as Indigenous women albeit as Christian and progressive Indigenous women At the same time through their mutual participation white WCTU members formed conceptions about Native people that they subsequently brought to bear on state and local Indian policy pertaining to alcohol but also on education citizenship voting rights and land use and ownership Lappas s work places Native women at the center of the temperance story showing how they used a women s national reform organization to move their own goals and objectives forward Subtly but significantly they altered the welfare and status of American Indian communities in the early twentieth century The Canwell Files M. Kienholz,2012 Court certified expert on Soviet Communism and controversial figure in the Pacific Northwest Albert Canwell born in Spokane Washington followed his father one time Pinkerton detective with his brother Carl Spokane Public Safety Commissioner and nephew David CIA into law enforcement He married the daughter of a prominent Harvard educated surgeon and raised six children at Montvale Farms on the Little Spokane River Elected Washington State representative Canwell was aptly chosen to investigate the notorious Democratic Capitol Club and served as appointed chairman of the state s un American activities committee After unsuccessful campaigns for Congress Canwell established the American Intelligence Service providing material from his personal files to private parties businesses and government agencies FDA FBI INS His life effective activism and network security experts J B Matthews Louis Budenz and Whittaker Chambers legislators and U S presidents were a lightning rod for approbation and condemnation by friends and enemies Repeated smear campaigns professional agitation and uninformed pseudohistorians left a wake of disinformation and historical inaccuracies about his career and data contained in his files As political historian and biographer Kienholz shares the contents of his files and corrects a web of distortions and propaganda promoted by adherents to Soviet Communism
