

RECOLLECTIONS OF MEXICO

*The Last Ten Months of
Maximilian's Empire*

SAMUEL BASCH, M.D.
EDITED AND TRANSLATED BY
FRED D. ULLMAN

Recollections Of Mexico The Last Ten Months Of Maximilians Empire

Roderick J. Barman

Recollections Of Mexico The Last Ten Months Of Maximilians Empire:

Recollections of Mexico Samuel M. Basch, 2001-05 Masterfully translated and annotated by Fred D Ullman a distant relative of Dr Basch this memoir is a rare authoritative source on a key period in Mexican history and a unique supplement for courses on nineteenth century Mexico Sin Perd=N David R. Stevens, 2008-11 A look at the overthrow of France on Mexican soil and at the role played by the United States **Habsburgs on the Rio Grande** Raymond Jonas, 2024-04-16 Largely forgotten today the Second Mexican Empire was a transformative nineteenth century moment Raymond Jonas explores the conspiracy of European rulers and Mexican conservatives to erect an Old World empire on New World soil Though quixotic it was a scheme with a purpose to contain both Mexican democracy and the rising United States

Maximilian and Carlota M. M. McAllen, 2014-01-08 In this new telling of Mexico's Second Empire and Louis Napoleon's installation of Maximilian von Habsburg and his wife Carlota of Belgium as the emperor and empress of Mexico Maximilian and Carlota brings the dramatic interesting and tragic time of this six year siege to life From 1861 to 1866 the French incorporated the armies of Austria Belgium including forces from Crimea to Egypt to fight and subdue the regime of Mexico's Benito Juarez during the time of the U S Civil War France viewed this as a chance to seize Mexican territory in a moment they were convinced the Confederacy would prevail and take over Mexico With both sides distracted in the U S this was their opportunity to seize territory in North America In 1867 with aid from the United States this movement came to a disastrous end both for the royals and for France while ushering in a new era for Mexico In a bid to oust Juarez Mexican conservatives appealed to European leaders to select a monarch to run their country Maximilian and Carlota's reign from 1864 to 1867 was marked from the start by extravagance and ambition and ended with the execution of Maximilian by firing squad with Carlota on the brink of madness This epoch moment in the arc of French colonial rule which spans North American and European history at a critical juncture on both continents shows how Napoleon III's failure to save Maximilian disgusted Europeans and sealed his own fate Maximilian and Carlota offers a vivid portrait of the unusual marriage of Maximilian and Carlota and of international high society and politics at this critical nineteenth century juncture This largely unknown era in the history of the Americas comes to life through this colorful telling of the couple's tragic reign **Problems in Modern Mexican**

History William H. Beezley, Monica A. Rankin, 2017-04-20 Mexicans since national independence have defined their challenges as problems or dimensions in their lives They have faced these issues alone or with others through politics security the military police or even public health squads religion family and popular groups This unique reader collects documents texts visuals videos and sounds from organizational reports popular expressions and ephemeral creations to express these concerns reveal responses and measure successes They allow readers to consider and discuss how these documents enabled Mexicans to evaluate their history and culture from 1810 to the present Offering a wide variety of materials that can be tailored to the needs of individual instructors these rich sources will stimulate critical thinking and give

students new insights and often surprising respect and understanding for the ways Mexicans have managed to find humor even magic in their lives Addicted to Failure Brian Loveman, 2006 For supplementary documentation and useful websites click here This perceptive book critically explores why the United States continues to pursue failed policies in Latin America What elements of the U S and Latin American political systems have allowed the Cold War the war on drugs and the war on terror to be conflated Why do U S policies ostensibly designed to promote the rule of law human rights and democracy instead contribute to widespread corruption erosion of government authority human rights violations and increasing destabilization Why have the war on drugs and the war on terror neither reduced narcotics trafficking nor increased citizen security in Latin America Why do Latin American governments the European Union and U S policymakers often work at cross purposes when they all claim to be committed to democratization and development in the region Leading scholars answer these questions by detailing the nature of U S economic and security strategies in Latin America and the Andean region since 1990 They analyze the impacts and responses to these strategies by policymakers political leaders and social movements throughout the region explaining how programs often generate or exacerbate the very problems they were intended to solve Reviewing official policy and its defenders and critics alike this indispensable book focuses on the reasons for the failure of U S policies and their disastrous significance for Latin America and the United States alike Contributions by Adri n Bonilla Pilar Gait n Monica Herz Kenneth Lehman Brian Loveman Enrique Obando Orlando J P rez Eduardo Pizarro Philipp Sch nrock Mart nez and Juan Gabriel Tokatlian State Terrorism in Latin America Thomas C. Wright, 2007 Set in the larger context of the evolution of international human rights this cogent book examines the tragic development and ultimate resolution of Latin America s human rights crisis of the 1970s and 1980s Thomas Wright focuses especially on state terrorism in Chile under General Augusto Pinochet 1973 1990 and in Argentina during the Dirty War 1976 1983 The author probes the background of these regimes the methodology of state terrorism and the human rights movements that emerged in urgent response to the brutality of institutionalized torture murder and disappearance He also discusses the legacies of state terrorism in the post dictatorial period particularly the bitter battle between demands for justice and the military s claim of impunity Central to this struggle was the politics of memory as two radically different versions of the countries recent history clashed had the militaries conducted legitimate wars against subversion or had they exercised terrorism based on a misguided concept of national security The book offers a nuanced exploration of the reciprocal relationship between state terrorism and its legacies on one hand and international human rights on the other When the Chilean and Argentine militaries seized power the international human rights lobby was too weak to prevent the massive toll of state terrorism But the powerful worldwide response to these regimes ultimately strengthened international human rights treaties institutions and jurisprudence paving the way for the Rwanda and Yugoslavia genocide tribunals and the International Criminal Court Indeed Chile and Argentina today routinely try and convict former repressors in their own courts This compelling history

demonstrates that the experiences of Chile and Argentina contributed to strengthening the international human rights movement which in turn gave it the influence to affect the outcome in these two South American countries Ironically the brutal regimes of Chile and Argentina played the major role in transforming a largely dormant international lobby into a powerful force that today is capable of bringing major repressors from anywhere in the world to justice These intertwined themes make this book important reading not only for Latin Americanists but for students of human rights and of international relations as well Undocumented in L.A. Dianne Walta Hart,1997 Yamileth s daily experiences mirror the hopes and frustrations of women and men who confront new cultural economic and political environments Author Dianne Walta Hart s long and close relationship with Yamileth allows her to observe the newcomer s struggles and personal development through a poignant narrative **The U.S.-Mexican Border Today** Paul Ganster,Kimberly Collins,2021-03-10 This comprehensive survey systematically explores the dynamic historic and contemporary interface between Mexico and the United States along the shared 1 954 mile international land boundary Now fully updated and revised the book provides an overview of the history of the region and traces the economic cycles and social movements from the 1880s through the second decade of the twenty first century The border region shares characteristics of both nations while maintaining an internal social and economic coherence that transcends its divisive international boundary The authors conclude with an in depth analysis of key contemporary issues These include industrial development and manufacturing bilateral trade the United States Mexico Canada Agreement rapid urbanization border culture population and migration issues environmental crisis and climate change Native Americans cooperation and conflict at the border drug trafficking and violence the border wall and security populist national leaders and the border and the Covid 19 pandemic at the border They also place the border in its global context examining it as a region caught between the developed and developing world and highlighting the continued importance of borders in a rapidly globalizing world Richly illustrated with photographs maps charts and up to date statistical tables this book is an invaluable resource for all those interested in borderlands and U S Mexican relations

The Divine Charter Jaime E. Rodríguez,Jaime E. Rodríguez O.,2007 Although Mexico began its national life in the 1821 as one of the most liberal democracies in the world it ended the century with an authoritarian regime Examining this defining process distinguished historians focus on the evolution of Mexican liberalism from the perspectives of politics the military the Church and the economy Based on extensive archival research the chapters demonstrate that despite widely held assumptions liberalism was not an alien ideology unsuited to Mexico s traditional conservative and multiethnic society On the contrary liberalism in New Spain arose from Hispanic culture which drew upon a shared European tradition reaching back to ancient Greece This volume provides the first systematic exploration of the evolution of Mexican liberal traditions in the nineteenth century The chapters assess the changes in liberal ideology the nature of federalism efforts to create stability with a liberal monarchy in the 1860s the Church s accommodation to the new liberal order the role of the army and of the

civil militias the liberal tax system and attempts to modernize the economy in the latter part of the century Taken together these essays provide a nuanced and comprehensive analysis of the transformation of liberalism in Mexico Contributions by Christon I Archer William H Beezley Marcello Carmagnani Manuel Chust Brian Connaughton Robert H Duncan Aldo Flores Quiroga Alicia Hernandez Chavez Sandra Kuntz Ficker Andres Resendez Jaime E Rodriguez O and Jos Antonio Serrano Ortega

Indians, Oil, and Politics Allen Gerlach, 2003-02-01 It is indispensable that Ecuador has peace but to have peace you need freedom and to have freedom you need justice And the Indian population needs justice President Gustavo Noboa January 23 2000 For five centuries the Indians had very little voice in Ecuador Now they are major protagonists who seek more acceptable terms in which to coexist in a society with two vastly different world views and cultures that of Indians and that of the descendants of Europeans Their recent political uprising has become the most powerful and influential indigenous movement in Latin America They have inspired other Indian movements throughout the continent Author Allen Gerlach details the origins and evolution of the Indian rebellion focusing on the key period of the last thirty years In the process he also presents a concise political history of Ecuador Gerlach infuses his text with an abundant supply of quotations from participants in the rise in ethnic politics bringing Ecuador's history and the Indians' opposition to the country's government to life In addition *Indians Oil and Politics* serves as a case study on what happens to a nation when its economy is based solely on one commodity in this instance oil The discovery of oil in the Amazon in 1967 was a major factor in Ecuador's modernization and also sparked the Indians' fight for their rights Oil wealth wreaked havoc on the environment and cultures of the native people of the Amazon and it did not end old traditions of political fragmentation and corruption Gerlach explains that the Indians fought back by forming federations to advance their interests and by joining forces with similar structures molded in the highlands of Ecuador Together they created the country's first truly national indigenous organization in 1986 CONAIE The Confederation of Indigenous Nationalities of Ecuador and by 2000 their movement was a major force to be reckoned with one which increasingly influenced state policy This book shows how the Indians helped bring down two governments when massive demonstrations led to the fall of two regimes in 1997 and 2000 The Indians battled for economic advancement but above all demanded respect for the dignity of their culture and for their moral and historical rights to their lands and territories This valuable case study of the politics of ethnicity will become increasingly useful for those interested in Latin American politics

On the Border Andrew Grant Wood, 2004-09-14 A stunningly beautiful backdrop where cultures meet meld and thrive the U S / Mexico borderlands is one of the most dynamic regions in the Americas *On the Border* explores little known corners of this fascinating area of the world in a rich collection of essays Beginning with an exploration of mining and the rise of Tijuana the book examines a number of aspects of the region's social and cultural history including urban growth and housing the mysterious underworld of border town nightlife a film noir treatment of the Peteet family suicides borderlands cuisine the life of squatters and popular religion As stimulating as it is lively *On the*

Border will spark a new appreciation for the range of social and cultural experiences in the borderlands Francisco de Miranda, a Transatlantic Life in the Age of Revolution Karen Racine, 2003 Before there was Simon Bolívar there was Francisco de Miranda He was among the most infamous men of his generation loved or hated by all who knew him Venezuelan General Francisco Gabriel de Miranda 1750-1816 participated in the major political events of the Atlantic World for more than three decades Before his tragic last days he would be Spanish soldier friend of U S presidents paramour of Catherine the Great French Revolutionary general in the Belgian campaigns perennial thorn in the side of British Prime Minister William Pitt and fomentor of revolution in Spanish America He used his personal relationships with leaders on both sides of the Atlantic to advance his dream of a liberated Spanish America Author Karen Racine brings the man into focus in a careful thorough analysis showing how his savvy firm political beliefs and courageous actions saved him from being the simple scoundrel that his dalliances suggested Shedding light on one of history's most charismatic and cosmopolitan world citizens Francisco de Miranda will appeal to all those interested in biography and Latin American history

Illusions of Empire William S. Kiser, 2021-12-07 *Illusions of Empire* adopts a multinational view of North American borderlands examining the ways in which Mexico's North overlapped with the U S Southwest in the context of diplomacy politics economics and military operations during the Civil War era William S Kiser examines a fascinating series of events in which a disparate group of historical actors vied for power and control along the U S Mexico border from Union and Confederate generals and presidents to Indigenous groups diplomatic officials bandits and revolutionaries to a Mexican president a Mexican monarch and a French king Their unconventional approaches to foreign relations demonstrate the complex ways that individuals influence the course of global affairs and reveal that borderlands simultaneously enable and stifle the growth of empires This is the first study to treat antebellum U S foreign policy Civil War campaigning the French Intervention in Mexico Southwestern Indian Wars South Texas Bandit Wars and U S Reconstruction in a single volume balancing U S and Mexican source materials to tell an important story of borderlands conflict with ramifications that are still felt in the region today

Mañana es San Perón Mariano Ben Plotkin, 2002-10-01 The regime of Juan Perón is one of the most studied topics of Argentina's contemporary history This new book an English translation of a highly popular critically acclaimed Spanish language edition provides a new perspective on the intriguing Argentinian leader Mariano Plotkin's cultural approach makes Perón's popularity understandable because it goes beyond Perón's charismatic appeal and analyzes the Peronist mechanisms used to generate political consent and mass mobilization *Mañana es San Perón* is the first book to focus on the cultural and symbolic dimensions of Peronism and populism Plotkin also presents important material for the study of populism and the modern state in this region *Mañana es San Perón* explores the creation of myths symbols and rituals which constituted the Peronist political imagery This political imagery was not designed to reinforce the legitimacy of a political system defined in abstract terms but to assure the undisputed loyalty of different sectors of society to the Peronist government and to Perón

himself The evolution of the institutional framework that made the creation of this symbolic apparatus possible is also discussed This well researched book shows the methods designed by the Per nist regime to broaden its social base through the incorporation and activation of groups which had traditionally occupied a marginalized position within the political system non union workers women and the poor Plotkin investigates how Per n used the education system to build his popularity He examines the public assistance programs financed through the Eva Per n Foundation and demonstrates how they were used to politicize women for the first time He explains how Eva Per n and the Per nist regime not only tried to gain the support of women as voters but also as potential missionaries who would spread the Per nist word in the privacy of their homes This well written and engaging account of one of Latin America s most colorful and appealing leaders is an excellent resource on Argentina and Latin American history and politics

Latin America in the Middle Period, 1750-1929 Stuart F. Voss, 2002 The customary division of Latin American history into colonial and modern periods has come into question recently This new book demonstrates that there was a middle period in Latin America s historical evolution since the European Conquest one no longer colonial but not yet modern which has left a legacy in its own right for contemporary Latin America This volume is a narrative text on Latin America s long nineteenth century from the period of Imperial Reforms in the late eighteenth century up to the Great Depression Incorporating local and regional studies from the last three decades which have profoundly broadened and altered customary views about Latin America the book is a synthesis of this Middle Period Latin America in the Middle Period re evaluates the relation between subsistence and market production in the post independence economy stressing regional diversity It also re evaluates the mechanics of politics which customarily have been seen as liberal conservative caudillo oligarchy region nation and merchant landowner industrialist The text discusses the acceleration of the forces of modernization the rise of industrial capitalism and the beginnings of a national ordering of life in the late nineteenth and early twentieth centuries which eroded the fabric of Middle Period society a process consummated in the aftermath of world depression in the 1930s ushering in modern Latin America This new volume is an excellent resource for courses in nineteenth century Latin American history and the second half of Latin American history survey

A Parisian in Brazil Adèle Toussaint-Samson, 2001-09-01 This virtually unknown insightful account by a highly intelligent observant and forthright Frenchwoman of her decade long stay in Brazil during the 1850s provides a remarkable firsthand view of a slaveocrat society In an effort to improve their family s fortune enterprising and highspirited young Parisian Ad_ le Toussaint Samson traveled with her husband from France to Brazil in the mid 1800s While there she wrote of her experiences painting a vivid and detailed portrait of the reality of slavery gender relations and daily life in mid nineteenth century Brazil Translated into English by her daughter Emma in 1891 Toussaint s book is one of few first person accounts by a female sojourner in Latin America during this period This 124 page eminently readable primary document provides a firsthand view of a slaveholding society describing both men and women slave and free rich and poor The introduction to a

carefully annotated re edition of this tale not only puts the book into the context of Brazilian history including questions of gender relations and of slavery but also confronts such problems as who the author really was and precisely where and when many events occurred illuminating the nature of historical research Well written and lively A Parisian in Brazil is an excellent resource for courses on Latin America women in Latin America and Brazilian history **The Banana Wars** Lester D.

Langley,2001-11-01 The Banana Wars United States Intervention in the Caribbean 1898 1934 offers a sweeping panorama of America s tropical empire in the age spanned by the two Roosevelts and a detailed narrative of U S military intervention in the Caribbean and Mexico In this new edition Professor Langley provides an updated introduction placing the scholarship in current historical context From the perspective of the Americans involved the empire carved out by the banana warriors was a domain of bickering Latin American politicians warring tropical countries and lawless societies that the American military had been dispatched to police and tutor Beginning with the Cuban experience Langley examines the motives and consequences of two military occupations and the impact of those interventions on a professedly antimilitaristic American government and on its colonial agents in the Caribbean the American military The result of the Cuban experience Langley argues was reinforcement of the view that the American people did not readily accept prolonged military occupation of Caribbean countries In Nicaragua and Mexico from 1909 to 1915 where economic and diplomatic pressures failed to bring the results desired in Washington the American military became the political arbiters in Hispaniola bluejackets and marines took on the task of civilizing the tropics In the late 1920s with an imperial force largely of marines the American military waged its last banana war in Nicaragua against a guerrilla leader named Augusto C Sandino Langley not only narrates the history of America s tropical empire but fleshes out the personalities of this imperial era including Leonard Wood and Fred Funston U S Army who left their mark on Cuba and Vera Cruz William F Fullam and William Banks Caperton U S Navy who carried out their missions imbued with old school beliefs about their role as policemen in disorderly places Smedley Butler and L W T Waller Sr U S M C who left the most lasting imprint of A **Princess Isabel of Brazil** Roderick J.

Barman,2002-05-01 As the elder daughter of an emperor whose wife had presented him with no sons Isabel stood to inherit the monarchy of Brazil with the passing of Dom Pedro II On three separate occasions Isabel was named regent or head of state when her father was required to leave the country for extended periods On each occasion she served as the dutiful daughter following her father s instructions to the letter and resisting any attempts at personal aggrandizement During her third regency as her father recuperated in Europe rather than accumulate personal power and oppose the forces of republicanism and abolition Isabel personally led the struggle to pass the Gold Law of 1888 abolishing slavery throughout Brazil thus ridding the country of one of the institutions upon which traditional monarchical Brazil was based and speeding the downfall of the monarchy she would inherit in 1889 Princess Isabel of Brazil examines Isabel s role as an extraordinary woman who had access to material wealth and education and power in patriarchal nineteenth century Brazil

Professor Barman looks at how her life was constrained by her subordinate roles as daughter wife mother and even as empress in waiting using the fascinating career of Isabel to examine the interplay of gender and power in the nineteenth century This new book is an excellent resource for courses biography women s studies and Latin American history courses

Gringolandia Stephen D. Morris, 2005 Mexico s views of the United States have been characterized as stridently anti American but recent policy changes in Mexico culminating with the North American Free Trade Agreement NAFTA mark a fundamental transformation in the relationship This thoughtful and original work answers questions about the impact of these policy shifts on Mexican nationalism and perceptions of the United States Have popular and elite views changed Has the government s anti American rhetoric become anachronistic What has been the effect on Mexican national identity As the only developing country to have entered into a free trade agreement with a developed country Mexico offers a unique and invaluable case study of the impact of globalization on a nation and its national identity Exploring Mexico s experience also allows us to consider how other countries perceive the United States especially in the post 9 11 climate Analyzing the diversity of Mexican views of the United States Gringolandia contributes a rich and nuanced dimension to our understanding of contemporary Mexico and Mexicans feelings about the vital cross border relationship

Finding specific Recollections Of Mexico The Last Ten Months Of Maximilians Empire, especially related to Recollections Of Mexico The Last Ten Months Of Maximilians Empire, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Recollections Of Mexico The Last Ten Months Of Maximilians Empire, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Recollections Of Mexico The Last Ten Months Of Maximilians Empire books or magazines might include. Look for these in online stores or libraries. Remember that while Recollections Of Mexico The Last Ten Months Of Maximilians Empire, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Recollections Of Mexico The Last Ten Months Of Maximilians Empire eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Recollections Of Mexico The Last Ten Months Of Maximilians Empire full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Recollections Of Mexico The Last Ten Months Of Maximilians Empire eBooks, including some popular titles.

FAQs About Recollections Of Mexico The Last Ten Months Of Maximilians Empire Books

What is a Recollections Of Mexico The Last Ten Months Of Maximilians Empire PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Recollections Of Mexico The Last Ten Months Of Maximilians Empire PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Recollections Of Mexico The Last Ten Months Of Maximilians Empire PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Recollections Of Mexico The Last Ten Months Of Maximilians Empire PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Recollections Of Mexico The Last Ten Months Of Maximilians Empire PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
