Reconceptualizing Social Policy:

Reconceptualizing Social Policy: Sociological Perspectives On Contemporary Social Policy Coffey, Amanda, 2004-09-01 How can sociological perspectives help us make sense of contemporary social policy How has the discipline of social policy engaged in recent sociological debates and developments This book provides a variety of sociological frameworks for understanding contemporary social policy It explores how sociological perspectives may be used to theorize conceptualize and research social policy Amanda Coffey captures the different ways in which social policy can be understood as academic discipline policy process service provision and lived experience The book engages with a range of policy areas and client groups and pays attention to sociodemographic categories such as gender race class and age Themes include The body and processes of embodiment Citizenship and identity Equality and differences Space and time Research and representation Reconceptualizing Social Policy is a key text for students and lecturers in sociology and social policy

Poststructural Policy Analysis Carol Bacchi, Susan Goodwin, 2025-08-12 This book offers a distinctive approach to policy analysis and a refreshing and politically engaged way of thinking about policy It clearly articulates a Foucault influenced poststructural perspective on policy and policy analysis for researchers students and policy makers As a guide to practice the book introduces a critical analytical approach to policy analysis called What s the Problem Represented to be WPR Instead of treating policy as simply the government s best efforts to address problems this analytic strategy highlights how policies produce problems as particular sorts of problem and how governing takes place through these problematisations First published in 2016 the book describes the conceptual and theoretical underpinnings of the WPR approach to policy analysis in a detailed and accessible manner It features examples of application of the approach with topics as diverse as obesity economic policy migration drug and alcohol policy and gender equality In this second edition the authors centralise a complementary analytic strategy for poststructural policy analysis poststructural interview analysis PIA This edition integrates this material as a new chapter which sets out PIA as a novel approach to poststructural interview analysis and includes examples of PIA applications The new chapter provides excellent guidance to undertake interview analysis in a manner congruent with the poststructural precepts set out in the book *Technology Adoption and Social Issues: Concepts, Methodologies, Tools, and Applications* Management Association, Information Resources, 2018-02-02 As society continues to experience increases in technological innovations various industries must rapidly adapt and learn to incorporate these advances While there are benefits to implementing these technologies the sociological aspects still need to be considered Technology Adoption and Social Issues Concepts Methodologies Tools and Applications is an innovative reference source for the latest academic material on the various effects of technology adoption implementation and acceptance Highlighting a range of topics such as educational technology globalization and social structure this multi volume book is ideally designed for academicians professionals and researchers who are interested in the latest insights into

technology adoption **Health Policy** Iain Crinson, 2008-12-12 This textbook provides a critical assessment of developments in health and healthcare policy within the UK and Europe Each chapter integrates conceptual themes drawn from the fields of sociology and political science to offer a unique combination of theory historical detail and wider social commentary The book is divided into four sections Section One establishes a theoretical basis for the analysis of contemporary health policy Section Two examines the key constituents of health care systems which includes a comparative analysis of EU member states Section Three focuses on contemporary health care policy and provision in the UK Section Four assesses the increasingly limited ability of national governments to reduce threats to the health of their populations Written in an accessible style the student friendly approach highlights key concepts and includes introductions summaries and examples of further reading Each chapter also includes case studies and activities which encourage the reader to think about the planning implementation and assessment of specific healthcare policies This is a timely and authoritative textbook that covers a key topic of the curriculum while also contributing to topical debates The book will be essential reading for healthcare and social science students taking modules in health policy and will also be of interest to policy makers and practitioners in the field of healthcare Drugs: Policy And Politics Higate, Paul, Hughes, Rhidian, Lart, Rachel, 2006-05-01 Set within the context of current and recent policy and political response this study considers the way in which policy has been formulated and implemented with reference to a range of substantive and theoretical areas Race And Education: Policy And Politics In Britain Tomlinson, Sally, 2008-03-01 Provides crucial information on key educational issues events and conflicts in Britain from the 1960s to the present day **Sociology, Youth and Youth Work Practice** Simon Bradford, 2012-09-24 How can sociology inform our understanding of young people s experiences Introducing core theories by drawing on a range of cultural resources from pioneering research to genre defining films this book demonstrates how a sociological imagination can enhance informal educational and social welfare approaches to work with young people Breadline Europe Gordon, David, Townsend, Peter, 2000-12-27 The governments of 117 countries agreed at the World Summit on Social Development to prepare annual national anti poverty plans Two measures in particular were recommended for absolute and overall poverty This book examines poverty in Europe within this agreed international framework Revisiting The Welfare State Page, Robert, 2007-09-01 In Revisiting the Welfare State Robert Page provides an account of the British welfare state since 1940 His text re examines some of the most commonly held assumptions about the post war welfare state and reignites the debate about its role and purpose Robert Page starts from the premise that the student of social policy can gain a deeper understanding of the welfare state by studying political and historical accounts of the welfare state party manifestos policy documents and political memoirs Drawing from these sources he provides a clear guide to the changing role of the state in the provision of welfare since 1940 Each of the five chapters is devoted to a particular theme associated with the post war welfare state the last of which focuses on the strategy of the New Labour governments of Tony

Blair It is reading for students of social policy social work politics and contemporary history It will also appeal to the general reader who is seeking an accessible guide to the political history of the post war welfare state **Re-Conceptualizing Safe Spaces** Kate Winter,Andrea Bramberger,2021-10-25 This book broadens the idea of a safe space that is traditionally discussed in feminist studies to include gendered identities intersecting with class race ethnicity sexual orientation and ability within multiple aspects of education This collection showcases work supporting access to education of persistently marginalized individuals **Making Policy Move** John Clarke,Dave Bainton,Noémi Lendvai,Paul Stubbs,2015-04-15 Responding to increasing interest in the movement of policies between places sites and settings this timely book presents a critical alternative to approaches centred on ideas of policy transfer dissemination or learning Written by key people in the field it argues that treating policy s movement as an active process of translation in which policies are interpreted inflected and re worked as they change location is of critical importance for studying policy The book provides an exciting and accessible analytical and methodological foundation for examining policy in this way and will be a valuable resource for those studying policy processes at both undergraduate and post graduate levels Mixing collectively written chapters with individual case studies of policies and practices the book provides a powerful and productive introduction to rethinking policy studies through translation It ends with a commitment to the possibilities of thinking and doing policy otherwise **Education In A Post Welfare Society** Tomlinson, Sally,2005-11-01 Providing a critical overview of education policy since 1945 this book includes chronologies of education acts reports and initiatives and summaries of major legislation **Social Security and Welfare: Concepts and Comparisons** Robert Walker,2004-11-16 What are the objectives of social security and social assistance provisions How can we establish whether these provisions are effective How do countries differ in the design and effectiveness of their social security systems This introductory textbook provides a foundation for the systematic study of social security and means tested social assistance The book is structured around a model of policy evaluation which focuses attention on the multiple objectives and outcomes of social security and provides the basis for a multi disciplinary approach It progresses from an examination of the varied objectives of social security via a consideration of key implementation issues to the establishment of measures of effectiveness and efficiency Throughout the text theoretical issues are illustrated with reference to the experiences of six countries the United Kingdom the USA Australia Germany Sweden and South Korea to provide an international comparative framework This is a key textbook for students of social and public policy and economics and essential reading for anyone interested in social security social welfare and the welfare state **Social Work and Integration in Immigrant Communities** Kathleen Valtonen,2016-03-03 There has been a marked rise in global migration with many former countries of emigration becoming immigration destinations As a result of this social workers increasingly encounter immigrant clients and are called upon to work in their communities At the same time in the field of research theories conceptual frames perspectives and discourse have materialized and evolved to make sense of contemporary events

Social work professionals researchers and students must therefore need to be apprised of current thinking research and discourse in the field of integration Valtonen familiarizes the reader with the variation in national policies institutional arrangements and service responses which all provide rich contrasts and insights into a breadth of policy possibilities Since macro level developments in migration carry direct implications for social work as a discipline and a profession with a central stake and role in immigrant wellbeing this book provides salient information to help with visioning in the profession defining appropriate and concerted responses and building robust standing in the field as well as promoting the linking of disciplinary and multidisciplinary research with practice

Transport, Environment And Society Cahill, Michael, 2010-02-01 The environmental consequences of our transport system in the shape of pollution and carbon emissions are well known Not so clear are the social consequences of contemporary transport and mobility policy Readers are introduced to the complexity of the relationship between transport and society together with the debates about the social inequalities produced by the transport system and the connection between social inequality social exclusion and transport disadvantage This book explores the social inequalities which result from the ways we travel connecting these to the key areas of social policy Reviewing the evidence on the social impact of transport the book discusses the ways in which a sustainable transport policy could emerge

Community Education and Neoliberalism Camilla Fitzsimons, 2017-03-01 This book explores community education in Ireland and argues that neoliberalism has had a profound effect on community education Rather than retain its foundational characteristics of collective equality led principles and practices community education has lost much of its independence and has been reshaped into spaces characterised by labour market activation vocationalisation and marketisation These changes have often though not always run contrary to the wishes of those involved in community education creating enormous tensions for practitioners course providers and participants

The Oxford Handbook of Cognitive Sociology Wayne H. Brekhus, Gabe Ignatow, 2019-06-26 In recent years there has been a growing interest in cognition within sociology and other social sciences Within sociology this interest cuts across various topical subfields including culture social psychology religion race and identity Scholars within the new subfield of cognitive sociology also referred to as the sociology of culture and cognition are contributing to a rapidly developing body of work on how mental and social phenomena are interrelated and often interdependent In The Oxford Handbook of Cognitive Sociology Wayne H Brekhus and Gabe Igantow have gathered some of the most influential scholars working in cognitive sociology to present an accessible introduction to key research areas in a diverse field While classical sociological and newer interdisciplinary approaches have been covered separately by scholars in the past this volume alternatively presents a broad range of cognitive sociological perspectives The contributors discuss a range of approaches for theorizing and analyzing the social mind including macro cultural approaches interactionist approaches and research that draws on Pierre Bourdieu s major concepts Each chapter further investigates a variety of cognitive processes within these three approaches such as attention

and inattention perception automatic and deliberate cognition cognition and social action stereotypes categorization classification judgment symbolic boundaries meaning making metaphor embodied cognition morality and religion identity construction time sequencing and memory A comprehensive look at cognitive sociology's main contributions and the central debates within the field the Handbook will serve as a primary resource for social researchers faculty and students interested in how cognitive sociology can contribute to research within their substantive areas of focus **EBOOK: Parents,**

Children, Young People And The State Sandra Shaw, 2010-01-16 This book provides an exploration of the social policies and practices of the Blair and Brown led Labour governments in relation to families children and young people in the United Kingdom Although not a commentary solely on the policies of New Labour the book examines Labour's Third Way by widening out the debate to consider family welfare policies in the context of the European Union globalization and international policy groups such as UNICEF Within the UK the Every Child Matters policy agenda provides a context for the areas considered While there has been considerable improvement in the lives of many children and young people during this period there have also been many headlines about abuse and failures of the care system Moreover the UK is still below the average in terms of child poverty within Europe and the well being of children and young people is of concern The author has taken a rigorous look at policy developments during this period focusing on key areas such as Health and well being Child Poverty Risks rights and responsibilities Young people being a risk and at risk Youth homelessness Looked after children Parents Children Young People and the State provides an accessible analysis of this key area for students lecturers researchers and policy makers with an interest in the well being of children and young people now and in the future

Parents, Children, Young People And The State Shaw, Sandra, 2010-01-01 This book provides an exploration of the social policies and practices of the Blair and Brown led Labour governments in relation to families children and young people in the United Kingdom TransCoding - From ›Highbrow Art‹ to Participatory Culture Barbara Lüneburg, 2018-07-15 Between 2014 and 2017 the artistic research project TransCoding From Highbrow Art to Participatory Culture encouraged creative participation in multimedia art via social media Based on the artworks that emerged from the project Barbara Lüneburg investigates authorship authority motivational factors and aesthetics in participatory art created with the help of web 2.0 technology The interdisciplinary approach includes perspectives from sociology cultural and media studies and offers an exclusive view and analysis from the inside through the method of artistic research In addition the study documents selected community projects and the creation processes of the artworks Slices of Life and Read me

Reconceptualizing Social Policy Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever.
