## **Reconciliation Sacrament With A Future:**

**Reconciliation** Sandra DeGidio, 1985-01-01      The Future of the Sacrament of Penance Frank O'Loughlin, 2009 Calls for a change in attitude toward and a renewal in understanding the use of the sacrament of penance      **Reconciliation** John W. De Gruchy, 1872 Whether born in the Mideast Africa Asia or brought home to the streets of America violent hatreds often threaten to swamp the minimal cooperation needed to foster life and health Does Christianity have anything besides warmed over pieties to offer a world torn by estrangement alienation and violently opposed worldviews In this signal contribution to public theology John de Gruchy an internationally esteemed political theologian emphatically affirms the possibility and necessity of reconciliation For Christians he says reconciliation is the center and perennial test of their faith De Gruchy expands reconciliation's relevance beyond personal piety and ecclesial harmony to encompass group relations politics and even the environment In all cases he argues it involves the restoration of justice Forged in the recent experience of South Africa his work delineates the political and ecclesial significance of reconciliation and shows its importance for interreligious relations addressing victimization and international peace Reconciliation will be welcomed by all whose faith leads them to help alleviate the world's mounting agonies      **Confession** Fr. Paul Farren, 2014-03-01 The sacrament of Confession is probably the most talked about sacraments in the Catholic Church as well as a spiritual practice being revived in many Protestant churches This book explores the sacrament focusing on the two people who confess God and the penitent God is the primary confessor when he confesses his forgiveness for and trust in the one who is celebrating the sacrament The gift of freedom the existence of hell and the role of conscience are discussed at length Jean Vanier in his foreword says Somewhere along the line in the history of the Church people have become more centred upon obedience to laws than upon this relationship with love with a person with Jesus This book flows from an understanding of Confession as a meeting of love and as a renewal of friendship How that friendship is renewed is explored using the Rite of Penance and St Peter in the Gospel This helps us understand what happens in the sacrament and how we can celebrate it Ultimately Fr Paul describes reconciliation as God's gift to us to express God's humble forgiveness and his confidence in us and also the place where we take responsibility for our lives      **A Covenantal Imagination** William Johnson Everett, 2021-12-15 This harvest of articles drawn from William Johnson Everett's career of teaching and research on four continents and in a variety of institutions shows the breadth depth and diversity of his interests Like spotlights in the wider field of Christian social ethics they illuminate the key threads that have held together an emerging tapestry of thought woven around the powerful concept of covenant Whether lifting up concepts of covenant federalism and corporation the oikos of work family and faith the public nature and mission of the church or the ethical meaning of journey metaphors his rich and artful style leads us into thinking more deeply about the way our lives are joined in a covenantal imagination about a more just and sustainable world      *The Sacrament of Reconciliation* David Michael Coffey, 2001 The author discusses the theology of the sacrament of Reconciliation

that emanated from the reformed rites that were promulgated after Vatican II He treats the public nature of sin and forgiveness and shows that the Church has always been concerned to continue Christ's reconciling ministry in a public and sacramental way Further he treats the constitutive parts of the developed sacrament and analyzes the sacramental forms of reconciliation as well as the non sacramental form in a way that reveals their complementarity He concludes by suggesting some possibilities for the development of the sacrament
