Reconciliation Study Of Biblical Families:

Reconciliation Michael S. Moore,1994 This book shows how family life has always been difficult and reveals that the hope for families comes from understanding that the power of God works to resolve problems **Chaos or Covenant?** Michael S. Moore,2024-05-02 The purpose of this book is to introduce the Pentateuch to undergraduate students by approaching it from the perspective of five theological polarities chaos creation Genesis slavery freedom Exodus defilement holiness Leviticus wilderness homeland Numbers and conflict covenant Deuteronomy It examines these polarities in light of other great texts from the ancient Near East and Quran in the hope of ushering the reader into a deeper understanding of the one God revered by Jews Christians and Muslims **WealthWise** Michael S. Moore,2021-08-04 Like the first two books in this series *WealthWatch* and *WealthWarn* this volume attempts to do two things a examine the primary socioeconomic motifs in the Bible from a comparative intertextual perspective and b trace the trajectory formed by these motifs through Tanak into early Jewish and Nazarene texts Where *WealthWatch* focuses on Torah and *WealthWarn* focuses on the Prophets *WealthWise* focuses on wisdom literature The texts examined here include the Instructions of Shuruppak Codex Hammurabi the Poem of the Pious Sufferer Ludlul bel nemeqi the Babylonian Theodicy the Shamash Hymn the Dialogue of Pessimism various Hittite texts the Proverbs of Ahiqar 4QInstruction the Wisdom of Ben Sira and the Wisdom of Solomon plus Luke's Sermon on the Plain and the Epistle of James *Essays on Women in Earliest Christianity, Volume 2* Carroll D. Osburn,2007-07-01 Contributors Fred A Bailey Robert F Hull Jr David B Jackson Earl Lavender Jack P Lewis Bill Love Rick Marrs Allan McNicol John McRay Michael S Moore Frederick W Norris Tom Olbright Carroll D Osburn Dale Pauls Kathy J Pulley Charme E Robarts Gary Selby James Thompson Gerald C Tiffin Jack W Vancil James Walters Frank Wheeler John T Willis Timothy M Willis Wendell Willis **A Stay-At-Home Dad Vs. the Bible** Trevor Catlaster,2021-06-02 I was an egalitarian Christian stay at home dad caring for six children during my 20 year marriage However my in laws marriage counselors and church pastors were all complementarian Their counsel to my wife and I was that I had sinned against God for not being the breadwinner of the family This led to a grievous divorce Therefore I was inspired to research how the Bible was used to destroy families and communities from colonial America to the present day I also discuss the pushback that resulted from such biblical interpretation including and especially the rise of feminism Since it was an interpretation of the Bible that led to the dissolution of my marriage the institution of biblical marriage is also scrutinized especially in the context of divorce Stay at home dads should have the Christian right to be caregivers of their children if they choose to do so without being threatened with divorce **Retribution or Reality?** Michael S. Moore,2023-11-09 The book of Job is one of the greatest if not the greatest literary accomplishments of the ancient world yet in many ways it is just as relevant today as it was then This book examines Job from a comparative theological perspective in order to help contemporary readers access it learn from it and apply its insights to contemporary life WealthWatch Michael S. Moore,2011-05-12 The purpose of this book is

to help postmodern Westerners understand what the Bible has to say about wealth and possessions basing itself on the presumption that a nobody can understand themselves apart from some recognition of their spiritual roots and b that these roots sink deeper into the pages of the Bible than most Westerners realize Focusing upon that part of the Bible most widely recognized to be its ideological core that which is called Torah by some Pentateuch by others it interprets this great text against other great texts in its literary historical environment including a some epic poems from Mesopotamia b some Jewish texts from Syria Palestine and c some Nazarene parables from the Greek New Testament **Dictionary of the Old**

Testament: Prophets G MCCONVILLE, MARK J BODA, 2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament

Family Ministry Diana R. Garland, 1999-12-20 This book by Diana Garland provides a multifaceted well informed sense of both the Christian purpose of family and the complex world our families inhabit Winner of the 2000 Academy of Parish Clergy Book of the Year award *Praise or Performance?* Michael S. Moore, 2025-03-25 Today there are many books about worship and many books about the book of Psalms but only a few books about the relationship between the two Contemporary studies of the Psalter are in flux between those focused upon each psalm in its literary historical environment micro structuralists and those focused upon the Psalter as a great literary text comparable to other great texts from the

ancient world macro structuralists Contemporary worship is also in flux between traditionalists who want to sing hymns and progressives who want to experience contemporary Christian music the so called worship wars Praise or Performance seeks to open a dialogue between Psalms scholars on the one hand and Western worshipers on the other in the hope of sensitizing each group to their common theological interests ,2018-10-25 ThompsonCourierRakeRegister_2018 10 25 **Bible Studies for Family Reading** William Bell Mackenzie,1867 **When You've Been Wronged Study Guide** Erwin W. Lutzer,2011-09-01 Erwin Lutzer s book helped thousands grasp the healing power of forgiveness Now on DVD the message is even simpler to apply in real life situations Bitterness is a self inflicted wound By choosing not to forgive we voluntarily sentence ourselves to diminished pain filled lives Why would anyone do such a thing Because forgiveness seems an inappropriate response to offense Painful personal wounds cry out for justice But what if justice is not possible Or if it doesn t undo the damage done In this DVD series of lessons and companion study guide noted pastor and author Erwin Lutzer carefully illustrates how it is possible to right the wrongs of your life Whether you ve been wronged or have wronged others he makes it possible to experience the freedom of forgiveness and the restoration of a clear conscience [Africa Study Bible, NLT](#) John Jusu,2017 The Africa Study Bible brings together 350 contributors from over 50 countries providing a unique African perspective It s an all in one course in biblical content theology history and culture with special attention to the African context Each feature was planned by African leaders to help readers grow strong in Jesus Christ by providing understanding and instruction on how to live a good and righteous life Publisher **Allies or Aliens?** Michael S. Moore,2025-08-19 Contemporary nativism gathers much of its steam from what many Westerners fear to be a free for all of desperate refugees invading peaceful Western countries to seek shelter from dictatorial violence and civil war but in antiquity its impact is much more difficult to measure given a that so few extant texts overtly or covertly reference it and b that so many of those which do are inadequately incompetently even speciously interpreted Complicating this is the fact that at root the allies aliens polarity refers not simply to conflict between cultures but to the challenge of measuring the gaps between cultures what linguists call translation **Allies or Aliens** examines six Jewish diaspora texts and the traditions in their wake engaging them intertextually in order to a identify the response s to nativistic prejudice featured in each text b ascertain the effectiveness of each response and c suggest which response s might best help readers struggling to deal with nativistic prejudice today *The Evangelical Quarterly* ,2001 **What Is This Babbler Trying to Say?** Michael S. Moore,2016-03-03 This book is a collection of revised and updated essays about the Hebrew Bible written by a North American scholar over a period of several decades Subdivided into three parts Torah Prophecy Apocalyptic and Wisdom these seventeen essays attempt to model for younger scholars and students what the discipline of biblical interpretation can look like attending carefully to literary historical canonical and comparative intertextual methods of investigation
