Record Collectors International Directory:

The Record Collector's International Directory Gary S. Felton,1980 Encyclopedia of Recorded Sound Frank Hoffmann,2004-11-12 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company *The International Directory of National Archives* Patricia C. Franks,Anthony Bernier,2018-08-10 National Archives store materials relating to the history of a nation usually operated by the government of that nation This is the first ever comprehensive source of information about national archives around the world covers the national archives of all 195 countries recognized by the United Nations the 193 member states and the 2 that non member observer states The Holy See and the State of Palestine as well as Taiwan Republic of China Of the 196 countries 54 are in Africa 49 in Asia 44 in Europe 33 in Latin America and the Caribbean 14 in Oceania and 2 in Northern America All countries maintain a repository for government and historical records whether all allow public access will be determined through research for this work The National Archives of all 196 countries will be included in this work see Appendix A Each entry contains general information about the archive and when it is open to researchers if applicable historical information about the institution and how it developed information about the archives today its mission functions organization services and a description of its physical and digital infrastructures anda current focus section spotlighting one part of the collection s holdings *Wax Trash and Vinyl Treasures: Record Collecting as a Social Practice* Roy Shuker,2017-07-05 The term record collecting is shorthand for a variety of related practices Foremost is the collection of sound recordings in various formats although often with a marked preference for vinyl by individuals and it is this dimension of record collecting that is the focus of this book Record collecting and the public stereotypes associated with it is frequently linked primarily with rock and pop music Roy Shuker focuses on these broad styles but also includes other genres and their collectors notably jazz blues exotica and ethnic music Accordingly the study examines the history of record collecting profiles collectors and the collecting process considers categories especially music genres and types of record collecting and outlines and discusses the infrastructure within which collecting operates Shuker situates this discussion within the broader literature on collecting along with issues of cultural consumption social identity and the construction of self in contemporary society Record collecting is both fascinating in its own right and provides insights into broader issues of nostalgia consumption and material culture **Popular Music** Roman Iwaschkin,2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope The Directory of Directories ,1985 **International Directory of Second-hand Booksellers and Bibliophile's Manual** James Clegg,1927 **Directory Information Service** ,1981 **Bernhard Sindberg** Peter Harmsen,2025-08-05 shows that sometimes the most unlikely of people become the most heroic Asian Review of Books In December 1937 the Chinese capital Nanjing falls and the Japanese army unleash an orgy of torture murder and rape Over the course of six weeks

hundreds of thousands of civilians and prisoners of war are killed At the very onset of the atrocities the Danish supervisor at a cement plant just outside the city 26 year old Bernhard Arp Sindberg opens the factory gates and welcomes in 10 000 Chinese civilians to safety beyond the reach of the blood thirsty Japanese He becomes an Asian equivalent of Oskar Schindler the savior of Jews in the European Holocaust This biography follows Sindberg from his childhood in the old Viking city of Aarhus and on his first adventures as a sailor and a Foreign Legionnaire to the dramatic 104 days as a rescuer of thousands of helpless men women and children in the darkest hour of the Sino Japanese War It describes how after his remarkable achievement he receded back into obscurity spending decades more at sea and becoming a naturalized American citizen before dying of old age in Los Angeles in 1983 completely unrecognized In this respect too there is an obvious parallel with Schindler who only attained posthumous fame The book sets the record straight by providing the first complete account of Sindberg s life in English based on archival sources hitherto unutilized by any historian as well as interviews with surviving relatives What emerges is the surprising tale of a person who was average in every respect but rose to the occasion when faced with unimaginable brutality discovering an inner strength and courage that transformed him into one of the great humanitarian figures of the 20th century and an inspiration for our modern age demonstrating that the determined actions of one person any person can make a huge difference The Women of NOW Katherine Turk,2023-08-15 A clear blueprint for

change A must read Clara Bingham The Guardian The history of NOW its organization trials and revolutionary mission told through the work of three members In the summer of 1966 crammed into a D C hotel suite twenty eight women devised a revolutionary plan Betty Friedan the well known author of The Feminine Mystique and Pauli Murray a lawyer at the front lines of the civil rights movement had called this renegade meeting from attendees at the annual conference of state women s commissions Fed up with waiting for government action and trying to work with a broken system they laid out a vision for an organization to unite all women and fight for their rights Alternately skeptical and energized they debated the idea late into the night In less than twenty four hours the National Organization for Women was born In The Women of NOW the historian Katherine Turk chronicles the growth and enduring influence of this foundational group through three lesser known members who became leaders Aileen Hernandez a federal official of Jamaican American heritage Mary Jean Collins a working class union organizer and Chicago Catholic and Patricia Hill Burnett a Michigan Republican artist and former beauty queen From its bold inception through the tumultuous training ground of the 1970s NOW s feminism flooded the nation permanently shifted American culture and politics and clashed with conservative forces presaging our fractured national landscape These women built an organization that was radical in its time but flexible and expansive enough to become a mainstream fixture This is the story of how they built it and built it to last Includes 16 pages of black and white images
