This easy to read exploration from a Jewish perspective is the first comprehensive approach to successfully integrate classic Jewish spirituality with the 12 Steps of Alcoholics Anonymous AA and other recovery resources With clarity and passion Rabbi Paul Steinberg masterfully weaves traditional Jewish wisdom with the experience strength and hope of AA He draws on Jewish resources theological psychological and ethical that speak to the spiritual dimension of the disease and shows how the principles of Jewish spiritual recovery directly align with those of the AA 12 Steps Along the way he courageously shares his own personal struggles with alcoholism and addiction in a way that will help others find guidance and a new life path and stay on it
