

Recovering The Social Contract

Eileen O'Neill, Marcy P. Lascano

Recovering The Social Contract:

Recovering the Social Contract Ron Replogle, 1989 The author defends a novel philosophical thesis about the nature and foundation of moral rights The thesis maintains that rights claims derive their credibility from a distinctive idea of equality according to which persons are not just equally valuable but equally invaluable The egalitarian ideal derives its normative content from widely acknowledged norms of competence that are distinguishable from and conceptually prior to the norms of rationality and morality that have exercised contemporary theorists of rational choice and justice When its nature and foundation are appreciated rights based justice can be seen to be more powerful and in an important sense less ideological than alternative conceptions In defending this view the author considers how ideology corrupts thinking about justice and maintains that contemporary theorists are ideological in a sense that disqualifies them from setting credible normative standards

The Social Contract in America Mark Hulliung, 2007 The first comprehensive examination of the social contract's role in American political development Traces the history of the contract the closest thing we have to a common philosophy from its role in the Founding up to current day debates and charts its rise and demise in influence over American political thought

Latin American Economic Outlook 2021 Working Together for a Better Recovery OECD, Economic Commission for Latin America and the Caribbean, CAF Development Bank of Latin America, European Commission, 2021-12-02 The Latin American Economic Outlook 2021 Working Together for a Better Recovery aims to analyse and provide policy recommendations for a strong inclusive and environmentally sustainable recovery in the region The report explores policy actions to improve social protection mechanisms and increase social inclusion foster regional integration and strengthen industrial strategies and rethink the social contract to restore trust and empower citizens at all stages of the policy making process

Tax Law in Times of Crisis and Recovery Dominic de Cogan, Alexis Brassey, Peter Harris, 2023-05-04 This book examines the relationship between tax law and crisis In times of environmental financial and public health breakdown policymakers look to tax for solutions Yet these crises also constrain the ways in which tax liabilities can be imposed and administered and limit the revenues that can be collected What should governments do in these circumstances and what are the wider consequences for states societies and institutions such as the EU The book shows how crises place strain on the basic functions of tax including revenue raising institution building regulation redistribution and the structuring of society These strains bear more heavily on some sections of business and society than others This makes the tax consequences of crisis unpredictable It also means that the best choice of legal response is not merely a technical matter Instead it engages deeper attitudes towards crisis relief change social values and democratic control These issues are highlighted by COVID 19 but are of utmost lasting importance The book takes a comprehensive approach and looks in more depth at the systemic roles that crises play in contemporary tax systems It features an impressive cast of leading researchers across multiple jurisdictions and is essential for policymakers and scholars alike

Feminist History of Philosophy: The

Recovery and Evaluation of Women's Philosophical Thought Eileen O'Neill, Marcy P. Lascano, 2019-06-26 Over the course of the past twenty five years feminist theory has had a forceful impact upon the history of Western philosophy The present collection of essays has as its primary aim to evaluate past women s published philosophical work and to introduce readers to newly recovered female figures the collection will also make contributions to the history of the philosophy of gender and to the history of feminist social and political philosophy insofar as the collection will discuss women s views on these issues The volume contains contributions by an international group of leading historians of philosophy and political thought whose scholarship represents some of the very best work being done in North and Central America Canada Europe and Australia
