presentation and self reproach his moral and artistic dilemmas his dedication and his accomplishments John Berryman occupies a central place among the outstanding poets of recent times The course of his life ran between the extremes of personal degradation and artistic ecstasy He suffered the early suicide of his father the dominance of his mother poverty and professional setbacks psychiatric treatment alcoholism and sexual and spiritual vexation He became an electrifying fearful teacher and a loving jealous friend His mentors and close associates included Mark Van Doren Richard Blackmur Allen Tate Robert Lowell and Saul Bellow The years brought him spells of deep personal joy and artistic fulfilment but all too heavy a hand of terrible suffering The book will be an extremely interesting read for students of literature **Berryman and Lowell**

Patrick Samway S.J., 2020-10-31 This engaging study provides new perspectives on the lives and work of two major figures in American poetry and publishing in the second half of the twentieth century Robert Giroux 1914 2008 editor in chief of Harcourt Brace and Company and later of Farrar Straus and Giroux and John Berryman 1914 1972 Pulitzer Prize winning poet and Shakespearean scholar who also received a National Book Award and a Bollingen Prize for Poetry From their first meeting as undergraduates at Columbia College in New York City in the early 1930s Giroux and Berryman became lifelong friends and publishing partners Patrick Samway received unprecedented access to Giroux's letters and essays By incorporating either sections or whole letters of the correspondence between Berryman and Giroux into this book Samway makes available for the first time a historical account of their relationship including revealing portraits of their personal lives As Giroux edited over a dozen books by Berryman his letters

to the poet were often filled with editorial details and pertinent observations emanating from his genuine affection for his friend whose talent he never doubted even as Berryman endured prolonged periods of hospitalization due to his alcoholism. Giroux gave Berryman the greatest gift he could: sustained encouragement to continue writing without trying to manipulate or discourage him in any way. But Giroux also had a deep-seated secret desire to surpass the essays written about Shakespeare by Berryman as well as the book on Shakespeare written by their mutual professor Mark Van Doren. Giroux's volume *The Book Known as Q A Consideration of Shakespeare's Sonnets* was finally published in 1982. Samway's fascinating account of a gifted but troubled poet and his devoted yet conflicted editor will interest fans of Berryman and all readers and students of American poetry.

Madness in Literature Lillian Feder, 2020-10-06 To probe the literary representation of the alienated mind Lillian Feder examines mad protagonists of literature and the work of writers for whom madness is a vehicle of self-revelation. Ranging from ancient Greek myth and tragedy to contemporary poetry, fiction, and drama, Professor Feder shows how literary interpretations of madness as well as madness itself reflect the very cultural assumptions, values, and prohibitions they challenge.

Beginning with a letter to his parents in 1925 and concluding with a letter sent a few weeks before his death in 1972, Berryman tells his story in his own words. Included are more than 600 letters to almost 200 people: editors, family members, students, colleagues, and friends. The exchanges reveal the scope of Berryman's ambitions as well as the challenges of practicing his art within the confines of the publishing industry and contemporary critical expectations. Correspondence with Ezra Pound, Robert Lowell, Delmore Schwartz, Adrienne Rich, Saul Bellow, and other writers demonstrates Berryman's sustained involvement in the development of literary culture in the postwar United States. We also
