Loss, Survive, Thrive Meryl Hershey Beck,2019-11-22

No one is prepared for the loss of a child No one It feels completely unnatural for children to predecease their parents Although it is not widely known each year there are over 135 000 under 40 year old deaths in the U S alone And according to one study 19% of parents outlive their children often carrying the weight of horrendous grief to their own graves Isolated and alone is how parents often describe the grief process Well meaning friends and family members usually rush to their side in the beginning Once the floral arrangements have wilted and the dinners from caring friends diminish there isn t really much that can be said to bring comfort to a suffering parent especially if those friends haven t experienced it themselves Unfortunately when these caring friends do bring up the loss quite often they say the wrong things Loss Survive Thrive offers a lifeline of hope Each chapter is an

inspirational story written by a parent who also experienced the agony of losing a child reclaimed his her vitality and is now living a fulfilling life Every story is authentic and heartfelt designed to uplift and inspire The collective authors reach out through the pages to virtually hold hands with those who are suffering We the contributors have all been there We know their pain and we know about survival And now through our stories we offer comfort and support in helping them get through the toughest time of their lives Bereaved parents share an unspeakable bond And Loss Survive Thrive imparts insight from what s likely the only voices that grieving parents can hear others who have walked in their shoes This book is a giant step toward healing the grieving heart *Mental Health in Nursing* Kim Foster,Peta Marks,Anthony O'Brien,Toby Raeburn,2020-10-20 Restructured and presented in 3 parts Section 1 Positioning Practice describes the context and importance of nursing in mental health and includes a new chapter on self care Section 2 Knowledge for Practice addresses the specialist practice of mental health nursing Each chapter examines specific mental health conditions assessment nursing management and relevant treatment approaches Section 3 Contexts of practice features scenario based chapters with a framework to support mental health screening assessment referral and support across a range of clinical settings Oxford Textbook of Palliative Nursing Betty R. Ferrell,Nessa Coyle,Judith A. Paice,2015 The Oxford Textbook of Palliative Nursing is the definitive text on nursing care of the seriously ill and dying It is a comprehensive work addressing all aspects of palliative care including physical psychological social and spiritual needs The text is written by leaders in the field and includes an impressive section on international palliative care Each chapter includes case examples and a strong evidence base to support the highest quality of care The book is rich with tables and figures offering practical resources for clinical practice across all settings of care and encompassing all ages from pediatrics to geriatrics
