Recuerdos De La Resistencia:

Las Mujeres y las guerras Asociación Española de Investigación Histórica de las Mujeres. Coloquio Internacional 2000, Mary Nash, Susanna Tavera, Asociación Española de Investigación Histórica de las Mujeres, 2003 La guerra ha sido motivo de preocupación y posicionamiento colectivo e individual para las mujeres de todas las pocas históricas e independientemente de que sus voces de protesta y o beligerancia fueran reconocidas en los ámbitos y las decisiones públicas. Con aportaciones desde la Edad Antigua hasta la Contemporánea este libro pone de relieve el diverso protagonismo político y social alcanzado por las mujeres en coyunturas de guerra da testimonio de la variedad de miradas historiográficas motivada por la capacidad femenina de innovar procedimientos de lucha y resistencia pública El golpe en la Legua Mario Garcés, Sebastián Leiva, 2012 Es un estudio monográfico que reconstruye los acontecimientos que el día 11 de septiembre se verificaron en esta emblemática población de Santiago y las industrias vecinas Indumet y Sumar **Cárceles de mujeres** Ángeles Egido León, Ricard Vinyes Ribas, Ana María Aguado Higón, Vicenta Verdugo, María Victoria Martins Rodríguez, Matilde Eiroa San Francisco, Encarnación Barranquero Texeira, Iván Heredia Urzáiz, Rosa María Aragües Estragués, Fernando Hernández Holgado, David Ginard I Féron, Miren Arantza Ugarte Lopetegi, Santiago Vega Sombría, Juan Carlos García Funes, Montserrat Duch Plana, Ángel Rodríguez Gallardo, Laura Mariani, 2017-05-16 La experiencia carcelaria de las presas de Franco se conoce fundamentalmente por los testimonios de las propias reclusas Este libro basado en la investigación rigurosa hace un recorrido por las principales prisiones femeninas Ventas Las Corts Saturrarán Segovia reconstruyendo la peregrinación a la que fueron sometidas las mujeres encarceladas en la guerra y en la posguerra por las prisiones de toda España subrayando las connotaciones específicas de cada prisión los hechos singulares que ocurrieron en algunas de ellas el perfil de las mujeres recluidas la tipología de los delitos atribuidos la intrahistoria en definitiva de una gran y terrible Historia que adquiere caracteres dramáticos en el caso de los niños encerrados junto a sus madres por el mismo hecho de ser hijos de presas Permite paralelamente observar la evolución del sistema penitenciario franquista y cómo se fue forjando la conciencia o cultura carcelaria de las presas que fueron capaces de construir en circunstancias tan adversas mecanismos de resistencia y solidaridades como las connotaciones específicas de la represión que el régimen franquista reservaba a la mujer castigada por su doble condición de roja y de mujer The experiences in prison of female prisoners in Franco's time was known mostly through the accounts of the prisoners themselves This book based on rigorous research studies the main prisons for women Ventas Las Corts Saturrarán Segovia etc and reconstructs the movements that imprisoned women had to undergo all over Spain from one prison to another during the Civil War and the postwar period pointing out the specific connotations of each prison the main events that took place in some of them the profile of the prisoners the kinds of crimes with which they were charged and in short the inside story of a great and terrible History which was dramatic in the case of the children imprisoned with their mothers for the fact of being the sons and daughters of prisoners The book also shows the parallel

evolution of the Francoist prison system and how the female prisoners acquired a prison conscience or culture and were able to build in such adverse circumstance some mechanisms of resistance and solidarity. It also shows the special connotations of the repression of the Franco regime towards women who were being doubly punished for being reds and for being women.

Mujeres con voz propia Julia Varela, 2012-02-01 Carmen Baroja Zenobia Camprubí y Mar a Teresa Le n al igual que las mujeres del grupo de Bloomsbury y de otras mujeres de la burguesía liberal española de la primera mitad del siglo XX lucharon denodadamente por alcanzar una autonomía personal y profesional. A partir del análisis socio histórico de sus trayectorias se percibe el peso que ejercieron en sus vidas la familia, la educación, las redes sociales, las asociaciones de mujeres, en fin, la vida cultural y política. Este libro pretende rendir un homenaje a todas aquellas mujeres que intentaron desasirse de los lazos de sujeción atados y bien atados por las principales instituciones de socialización de unas sociedades capitalistas en las que reinaba la dominación masculina. El Psicoanalista Y El Ascenso De Los Ángeles Caídos Hugo A.

Ocando Rincón, 2014-10-25 El autor plantea que este es un libro sencillo y escrito de manera coloquial aunque muy completo en cuanto a la descripción de la formación académica exhaustiva de los psicoanalistas, la formulación científica del psicoanálisis y la acción clínica curativa del psicoanalista. El escritor proyecta mostrar objetivamente el seguimiento psicoanalítico en historias reales de individuos que sufren denominados angustias. El libro está escrito para que las personas obtengan pleno conocimiento acerca de la importante amargura o felicidad a la que someten al entorno que las rodea siendo ellas mismas quienes activan al medio para su bien o su mal. El autor, gracias a su dilatada experiencia clínica y a la investigación, ha logrado una importante teoría y técnica de tratamiento que ha denominado Psicoanálisis Integral de Sanación enmarcado dentro del Psicoanálisis Clásico de la transferencia. Cuando los recuerdos HABLAN Ricardo Alberto Díaz, 2022-01-14 Claudette es una

chica del rea de Burdeos que estudia en París. Conoce a Rubén un joven cadete mexicano de la academia de la Asociación Internacional de Policía en Francia AIPOL. Le cuenta la historia de la granja vitivinícola de su familia. Como su bisabuelo tiene que luchar contra los alemanes durante la Primera Guerra Mundial y su abuelo hace lo mismo 20 años después en la Segunda Guerra Mundial contra la Alemania nazi de Hitler. Para después sucumbir durante la crisis del petróleo en 1973. Rubén sabe de una organización criminal internacional a gran escala que se dedica al robo, falsificación y venta fraudulenta de obras de arte desaparecidas. La historia, la ficción, el romance y la aventura se funden en esta novela llena de intrigas y emoción donde el lector se siente aprisionado desde la primera página. **Recuerdos históricos de la guerra de la independencia** Manuel

Antonio López, 1919 **RECUERDOS DE UN CONDENADO A MUERTE** Manuel López Lacárcel, 2014-01-28 con este libro no pretendo otra cosa que dejar constancia de unas vivencias y unos hechos que a mí me parecen interesantes dentro del contexto de la guerra civil española sobre la que tanto se ha escrito a pesar de lo cual aún quedan por decir infinitas cosas que se derivan de lo referido a esos episodios que sin duda alguna constituyen uno de los capítulos más nefastos de la historia de España. Manuel López Lacárcel Recuerdos de mi tiempo Antonio N. Pereira, 1891 **Recuerdos de los años**

cincuenta 2ª edición Ignacio Para Rodríguez-Santana, 2022-09-12 Tras una interesante exposición de los acontecimientos políticos, económicos, culturales, sociales y artísticos de aquellos años a partir de pequeños detalles de la vida común se puede entrever la realidad de la vida por un niño de clase media en la España de entonces y el cambio descomunal que se produce en la forma de vida desde mediados de los años cincuenta en que se inicia el desarrollo de un rápido crecimiento económico sin precedentes en nuestro país. Aquellos años no fueron en blanco y negro como se empezaban a decirnos ahora sino de nuevos y brillantes colores de novedades, de esperanzas por conseguir una vida mejor y más próspera y de ganas de defender a nuestro país y nuestra originalidad ante una Europa mediocre. Originalidad que veían y alababan los estudiantes extranjeros que llegaban cada vez en mayor número y de los turistas ansiosos de vivir nuestra diferencia y no solo nuestra playa y sol. España siempre ha sido europea y en aquellos años aunque distinta más europea que el resto. *Recuerdos históricos del coronel Manuel Antonio López* Manuel Antonio López, 1878 *Técnica y práctica del psicoanálisis* Ralph R. Greenson, 2004 Las obras clásicas sobre técnica psicoanalítica escritas por Freud, Glover Sharpe y Fenichel aunque excelentes son solo esbozos que no describen con suficiente detalle lo que el psicoanalista hace realmente cuando analiza a un paciente. El resultado es una gran diversidad de puntos de vista, así como vacilación, timidez e indecisión del psicoanalista cuando se trata de revelar sus procedimientos en la práctica del psicoanálisis. Asimismo, debido a la escasa producción de comunicación pública sobre detalles de procedimiento, abundan las conversaciones privadas entre analistas dentro de pequeños grupos cerrados y consecuentemente existen muchas facciones aisladas, hecho que redundaba en un aislamiento esotérico y retrasa el progreso científico. Por tal motivo, si bien este libro no elimina las diferencias de opinión y las controversias en cuestiones técnicas, podrá ser útil como punto común de referencia al exponer sistemática y detalladamente cómo trabaja un psicoanalista cuando analiza los fenómenos psíquicos de un paciente. Técnica y práctica del psicoanálisis contribuye a estimular el debate a fondo, franco y continuo acerca de la técnica psicoanalítica con lo cual podrá aclararse y someterse a prueba variaciones, innovaciones y modificaciones y determinarse su valor científico para el psicoanálisis. *Recuerdos de la guerra civil* Francisco Hernando, 1877 **Pensamiento y recuerdos de Otón, príncipe de Bismarck** Otto von Bismarck, 1898 *Recuerdos y crónicas de antaño* Rómulo F. Rossi, 1922 *Psicopatología de la vida cotidiana* Sigmund Freud, 2021-05-27 Ninguna teoría acerca del funcionamiento y estructura de la mente ha ejercido tanta influencia ni ha adquirido un estatus tan preponderante como la doctrina psicoanalítica, cuyas categorías y explicaciones no tardaron en convertirse en núcleo de un modo radicalmente nuevo de entender la realidad psíquica que ha marcado el mundo moderno. Publicada en 1904, *Psicopatología de la vida cotidiana* es una de las obras más populares de Sigmund Freud, 1856-1939, posiblemente porque los temas en ella estudiados, las razones de los olvidos mentales, la causa de las equivocaciones en la conversación o en la escritura, los actos fallidos, las supersticiones pertenecen a la experiencia directa de todos los lectores. *Impresiones y recuerdos sobre la campaña al Perú y Bolivia* José Clemente Larraín, 1910 *Recuerdos de la guerra del Paraguay* José
