Chicano Writers Francisco A. Lomelí, Carl R. Shirley, 1999 Devoted to literature produced by writers of Mexican descent born in the United States living here permanently or having lived in the territory which until 1848 was part of Mexico

Notable Hispanic American Women Joseph M. Palmisano, 1998 Contains short biographies of three hundred Hispanic American women who have achieved national or international prominence in a variety of fields **Literature by Latinas and Latinos of the United States of America** , 1997 *Chicano Periodical Index* , 1987 *Catalog of Printed Books. Supplement* Bancroft Library, *Arts & Humanities Citation Index* , 1979 **Angeles Mastretta** Jane Elizabeth Lavery, 2005 The first major study on the works of the Mexican novelist Angeles Mastretta demonstrating the rich complexity and range of the author s fiction and essays The Mexican novelist Angeles Mastretta b 1949 has only recently received serious critical attention largely because her work has been seen as popular and therefore inappropriate for academic study

This first major work to be published on Mastretta seeks to demonstrate the rich complexity and range of the author's fiction and essays. In the tradition of Post Boom Latin American women's writing, Mastretta's texts are motivated by a desire to speak primarily of the silenced experiences and voices of women. Two of her novels, referential and testimonial in style, can be placed within the Mexican Revolutionary Novel tradition and explore the Revolutionary period and its consequences in the light of female experiences and perspectives. The hitherto unexplored themes of female sexuality and bodily erotics in Mastretta's texts are also considered in this volume. Her feminist works avoid facile simplifications; heterogeneous and dialogical, they interweave the historical and the fictional, the everyday and the fantastic. The originality of Mastretta's writing lies in its elusive postmodern ambiguities; shimmering surfaces are often interrupted by unexpected depths and proliferating meanings cannot be fully circumscribed by critical analysis.

Jane Elizabeth Lavery lectures in Latin American Studies at the University of Kent.

Tucson Memories Bonnie Henry, 2006-01-01 **Tucson in the 40's and 50's Through the Eyes and Ears of One Child** Rita Elliott, 2014-01-02 A memoir of the Dunbar Neighborhood, a predominantly black village community in downtown Tucson.

El Milagro and Other Stories Patricia Preciado Martin, 2016-12-15 Ticking clocks and tolling bells, scents of roses and warm tortillas: this is the barrio of years past as captured in the words of Patricia Preciado Martin. Cuentos, recuerdos, stories, memories: all are stirred into a simmering caldo by a writer whose love for her heritage shines through every page. Reminiscent of *Like Water for Chocolate*, the book is a rich mix of the simplest ingredients: food, family, tradition. We see Silviana striding to her chicken coop, triggering the feathered pandemonium of chickens who smell death in the air. We meet Elena standing before the mirror in her wedding dress and Teodoro Sánchez who sleeps under the sky and smells of chaparral and mesquite pollen and the stream bottom and the bone dust of generations. There's the monsignor sitting on the edge of a sofa sipping Nescafé from a china cup and here is Sister Francisca with her warm, minty breath warning us away from impure thoughts. Be on your best behavior too in Tía Petra's Edwardian parlor. La Doña Petrita, descended from conquistadores, might just deliver a tap on your head with her silver-handled walking stick. Then with Mamacita spend a summer afternoon bent over your embroidery with trembling hand and sweaty upper lip and all the while wondering what in the world it feels like to be kissed. Intermingled with the author's stories are collective memories of the barrio: tales halfway between heaven and earth that seem to connect barrio residents to each other and to their past. These cuentos are mystical and dreamy, peopled with ghosts and miracles and Aztec princesses dressed in feathers and gold. Come sit down and have some salsa and a tortilla, fresh and homemade. It goes without saying people who buy tortillas at the market might as well move to Los Angeles for they have already lost their souls. Then open the pages of this book. Help yourself to another feast of food and flowers, music and dancing, sunshine and moonlight, everything glorious and mundane, serious and humorous, earthly and spiritual, poignant and joyful in la vida mexicana americana.

Memories from the Salt Creek Neighborhood Alfie Casaus Salazar, 2019 In her own writing style of Spanglish, which weaves Spanish and English together.

Alfie Casaus Salazar shares her memories These memories include moving from a rural community in the San Luis Valley in southern Colorado to a small neighborhood in Pueblo called Salt Creek It was the early 1940s a time when the world was fighting in World War II Work at the CF I Steel Mill brought many people to Pueblo including Alfie s family In spite of many problems Alfie reiterates the importance of family and gives examples of how Salt Creek was more of a village where everyone watched out for one another She has captured a unique neighborhood that deserves telling its story from a person who witnessed first hand the challenges that were met to have the progress bring pride to anyone with a connection to Salt Creek or as it is affectionately known El Salado Back cover **Remembrance of Tucson's Past** Kerson DeGrazia

Diamos,1985-10-01 **Memories from the 1947 Class of Tucson High School** ,2002 Memories from the Salt Creek Neighborhood : Recuerdos Del Barrio Slado Alfie Casaus Salazar,2019 In her own writing style of Spanglish which weaves Spanish and English together Alfie Casaus Salazar share her memories These memories include moving from a rural community in the San Luis Valley in southern Colorado to a small neighborhood in Pueblo called Salt Creek It was the early 1940s a time when the world was fighting in World War II Work at the CF I Steel Mill brought many people to Pueblo including Alfie s family Alfie s descriptions of day to day life is compelling and shows the struggles the people of Salt Creek went through They had no professional health care or a viable water system In addition the children walked three miles to get to school and three miles back through some very dangerous terrain Salt Creek is a unique neighborhood in that it was part of Pueblo but separate at the same time It is hidden in a pocket of its own The city did not pay a lot of attention to the small community as far as improving its infrastructure Alfie captures a time when the neighborhood had no running water electricity paving or stree lights The people of Salt Creek used grass roots measures to be heard and got basic rights that other parts of the city took for granted Chapter six and seven give a small glimpse of the determination of the people to fight as a community for these basic rights In spite of many problems Alfie reiterates the importance of family and gives examples of how Salt Creek was more of a village where everyone watched out for one another She has captured a unique neighborhood that deserves telling its story from a person who witnessed first hand the challenges that were met to have the progress bring pride to anyone with a connection to Salt Creek or as it is affectionately known El Salado Back cover
