The Red Years Bandi, 2019-08-15 Though North Korea holds the attention of the world it is still rare for us to hear North Korean voices beyond those few who have escaped Known only by his pen name the poet and author Bandi stands as one of the most distinctive and original dissident writers to emerge from the country and his work is all the more striking for the fact that he continues to reside in North Korea writing in secret with his work smuggled out of the country by supporters and relatives The Red Years represents the first collection of Bandi's poetry to be made available in English As he did in his first work The Accusation Bandi here gives us a rare glimpse into everyday life and survival in North Korea Singularly poignant and evocative The Red Years stands as a testament to the power of the human spirit to endure and resist even the most repressive of regimes

Real and Phantom Pains, 2014-10-09 An anthology of ten plays embodying the Russian literary movement that began in the late twentieth century The plays selected for this anthology reflect the issues and styles typical of the new wave of dramatic writing in Russia New drama flourished almost exclusively in small spaces often in dingy basements that employed and accommodated small numbers of people The big theaters largely turned a blind eye to what was happening on small stages and in backrooms in playhouses libraries and community centers in a few chosen hot spots around Russia primarily Moscow Yekaterinburg and Togliatti In many cases they took actively hostile stances toward it This would change however And by the beginning of the century's second decade new drama was threatening to become a mainstream phenomenon Not every theater staged plays associated with new drama but almost every one began staging plays influenced by the themes methods and language of the new drama movement Featuring work from Yury Klavdiev Olga Mukhina Pavel Pryazhko Vasily Sigarev Maksym Kurochkin Mikhail Durnenkov Vyacheslav Durnenkov Yaroslava Pulinovitch Yelena Gremina and Maxim Osipov Few people know more about what is happening on the Moscow scene than John Freedman including few Russians As Moscow Times theater critic throughout the post Soviet period John could well have seen more theatrical productions in Russia than anyone else I can't imagine anyone who would do a

better job Blair A Ruble Director Program on Global Sustainability Resilience Woodrow Wilson Center While other existing volumes focus on 18th 19th and early 20th century Russian drama Freedman s edition would present the unique and important contributions of the new generation of Russian writers portraying the realities and experiences of a post Soviet generation John has carefully selected a representative cohort of ten of the most visible productive and influential of these writers for the volume Thomas J Garza University Distinguished Teaching Associate Professor University of Texas at Austin

Oblivion Sergei Lebedev, 2016-01-18 This acclaimed twenty first century Russian novel is a Dantean descent into the abandoned Soviet gulags written with a clear poetic sensibility The Wall Street Journal In Sergei Lebedev s debut novel an unnamed young man travels to the vast wastelands of the Far North to uncover the truth about a mysterious neighbor who once saved his life and whom he knows only as Grandfather II What he finds among the forgotten mines and decrepit barracks of former gulags is a world relegated to oblivion where it is easier to ignore both the victims and the executioners than to come to terms with a terrible past This disturbing tale evokes the great and ruined beauty of a land where man and machine work in tandem with nature to destroy millions of lives during the Soviet century Emerging from

biographical novel that traces four generations of the author's family. It chronicles their lives and migrations from Prussia to Austria to Ohio to the Oklahoma Territory back to Europe after World War I then once again to America finally settling in Pratt County, Kansas. Each move was for a different reason. The saga runs from 1862 to 1938 highlighting the fourteen years in which they homesteaded in the Oklahoma Panhandle. There the third generation son is a musician at the all night dances held on ranches and homesteads. The story also relates the impact of major events on the family: the Austro-Prussian War 1866, World War I, the Great Depression, the Dust Bowl, and the rise of Nazism in 1930's Germany. It's a tale of immigrants, love, war, and the roots of American music and dancing. Books or movies about the Old West often portray musicians as nameless, faceless individuals lost in the background. This book helps tell their story. These musicians played for pure enjoyment in farm or ranch houses, barns, and town halls at dances lasting all night long. During the nineteenth century and the early twentieth century, those Saturday dances were for many people the most important social events of their lives and were the glue that held fledgling communities together through good times and bad. *PLAY RED WING* is a song request. Red Wing was written by Kerry Mills in 1907 and on November 16 of that year, Oklahoma became the 46th state in the Union. Thus the book celebrates the centennial of both the song and the state. *The Red Qipao* Ayo Shanti, 2006-02. The Red Qipao is a rich, complex tapestry of interwoven themes involving two sisters, their radically different lives, and the mystery that haunts them. **The Red Heart** James Alexander Thom, 2010-08-18. The Slocum family of Northeastern Pennsylvania are the best of the white settlers: peace-loving Quakers who believe that the Indians hold the Light of God inside. It is from this good-hearted family that Frances is abducted during the Revolutionary war. As the child's terror subsides, she is slowly drawn into the sacred work and beliefs of her adoptive mother and of all the women of these Eastern tribes. Frances becomes Maconakwa, the Little Bear Woman of the Miami Indians. Then long after the Indians are beaten and their last hope, Tecumseh, is killed, the Slocums hear word of their long lost daughter and head out to Indiana to meet their beloved Frances. But for Maconakwa, it is a moment of truth: the test of whether her heart is truly a red one. *The Black and Red*, 1903. Hunter-trader-trapper, 1924.
