

Red Scare

A STUDY IN National
Hysteria

1919

1920

BY ROBERT K. MURRAY

Red Scare A Study Of National Hysteria

Frances Turk

Red Scare A Study Of National Hysteria:

Red Scare Robert K. Murray, 1955-01-01 Red Scare was first published in 1955 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Few periods in American history have been so dramatic so fraught with mystery or so bristling with fear and hysteria as were the days of the great Red Scare that followed World War I For sheer excitement it would be difficult to find a more absorbing tale than the one told here The famous Palmer raids of that era are still remembered as one of the most fantastic miscarriages of justice ever perpetrated upon the nation The violent labor strife still makes those who lived through it shudder as they recall the Seattle general strike and Boston police strike the great coal and steel strikes and the bomb plots shootings and riots that accompanied these conflicts But exciting as the story may be it has far greater significance than merely that of a lively tale For just as American was swept by a wave of unreasoning fear and was swayed by sensational propaganda in those days so are we being tormented by similar tensions in the present climate of the cold war The objective analysis of the great Red Scare which Mr Murray provides should go a long way toward helping us to avert some of the tragic consequences that the nation suffered a generation ago before hysteria and fear had finally run their course The author traces the roots of the phenomenon relates the outstanding events of the Scare and evaluates the significant effects of the hysteria upon subsequent American life

RED SCARE. MURRAY., 1955 Red Scare Robert K. Murray, 1980-01-01 Red Scare Robert Keith Murray, 1964 Red Scare Frances Turk, **Red Scare** Regin Schmidt, 2000 The anticommunist crusade of the Federal Bureau of Investigation did not start with the Cold War Based on research in the early files of the FBI's predecessor the Bureau of Investigation the author describes how the federal security officials played a decisive role in bringing about the first anticommunist hysteria in the US the Red Scare in 1919 to 1920 The Bureau's political role it is argued originated in the attempt by the modern federal state during the early decades of the 20th century to regulate and control any organised opposition to the political economic and social order *American Anti-Communism* M. J. Heale, 1990-10 In *American Anticommunism* Heale examines the various forms American reactions to this perceived threat have taken from the attacks on workers in the Haymarket Riot to the widespread witch hunts of Senator Joe McCarthy *Fighting the Last War* Jeffrey M. Bale, Tamir Bar-On, 2024-01-24 The authors argue that the potential threat of a resurgence of fascism has been consistently exaggerated from 1945 until present day that the ongoing lack of conceptual and definitional clarity with respect to terms like fascism the radical right the alt right white supremacism populism racism etc has enabled ill informed or dishonest commentators to distort their meaning and abusively misapply those labels so as to delegitimize their political opponents and that the political and economic elites in charge of contemporary Western societies are now deliberately exaggerating and exploiting the threat posed by the domestic radical right in order to facilitate vilifying harassing deplatforming censoring canceling and repressing disgruntled citizens no matter where they may lie along the

political spectrum who openly criticize and vigorously oppose their agendas The authors also advocate the use of well established scholarly methods for carrying out research on the right and provide precise definitions of various terms in order to facilitate the development of more accurate categorizations

Loyalty and Liberty Alex Goodall,2013-12-15 *Loyalty and Liberty* offers the first comprehensive account of the politics of countersubversion in the United States prior to the McCarthy era Beginning with the loyalty politics of World War I Alex Goodall traces the course of American countersubversion as it ebbed and flowed throughout the first half of the twentieth century culminating in the rise of McCarthyism and the Cold War This sweeping study explores how antisubversive fervor was dampened in the 1920s in response to the excesses of World War I transformed by the politics of antifascism in the Depression era and rekindled in opposition to Roosevelt s ambitious New Deal policies in the later 1930s and 1940s Identifying varied interest groups such as business tycoons Christian denominations and Southern Democrats Goodall demonstrates how countersubversive politics was far from unified groups often pursued clashing aims while struggling to balance the competing pulls of loyalty to the nation and liberty of thought speech and action Meanwhile the federal government pursued its own course which alternately converged with and diverged from the paths followed by private organizations By the end of World War II alliances on the left and right had largely consolidated into the form they would keep during the Cold War Anticommunists on the right worked to rein in the supposedly dictatorial ambitions of the Roosevelt administration while New Deal liberals divided into several camps the Popular Front civil liberties activists and embryonic Cold Warriors who struggled with how to respond to communist espionage in Washington and communist influence in politics more broadly Rigorous in its scholarship yet accessible to a wide audience Goodall s masterful study shows how opposition to radicalism became a defining ideological question of American life

History's Memory Ellen Fitzpatrick,2004-10-25 This reinterpretation of a century of American historical writing challenges the notion that the politics of the recent past alone explains the politics of history Fitzpatrick offers a wise historical perspective on today s heated debates and reclaims the long line of historians who tilled the rich and diverse soil of our past

Prologue ,1979 *Historical Dictionary from the Great War to the Great Depression* Neil A. Wynn,2013-12-16 The period from 1913 to 1933 is not often seen as a coherent entity in the history of the United States It is more often viewed in terms of two distinct periods with the pre war era of political engagement idealism and reform known as progressivism separated by World War I from the materialism conservatism and disengagement of the prosperous 1920s To many postwar observers and later historians the entry of the United States into the European conflict in 1917 marked not just a dramatic departure in foreign relations but also the end of an era of reform This second edition of *Historical Dictionary from the Great War to the Great Depression* covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone

wanting to know more about a vital period in U S history *The Day Wall Street Exploded* Beverly Gage, 2009-01-28 Just after noon on September 16 1920 as hundreds of workers poured onto Wall Street for their lunchtime break a horse drawn cart packed with dynamite exploded in a spray of metal and fire turning the busiest corner of the financial center into a war zone Thirty nine people died and hundreds more lay wounded making the Wall Street explosion the worst terrorist attack in U S history until the Oklahoma City bombing In *The Day Wall Street Exploded* Beverly Gage tells the story of that once infamous but now largely forgotten event Based on thousands of pages of Bureau of Investigation reports this historical detective saga traces the four year hunt for the perpetrators a worldwide effort that spread as far as Italy and the new Soviet nation It also gives readers the decades long but little known history of homegrown terrorism that helped to shape American society a century ago The book delves into the lives of victims suspects and investigators world banking power J P Morgan Jr labor radical Big Bill Haywood anarchist firebrands Emma Goldman and Luigi Galleani America's Sherlock Holmes William J Burns even a young J Edgar Hoover It grapples as well with some of the most controversial events of its day including the rise of the Bureau of Investigation the federal campaign against immigrant terrorists the grassroots effort to define and protect civil liberties and the establishment of anti communism as the sine qua non of American politics Many Americans saw the destruction of the World Trade Center as the first major terrorist attack on American soil an act of evil without precedent *The Day Wall Street Exploded* reminds us that terror too has a history Praise for the hardcover Outstanding New York Times Book Review Ms Gage is a storyteller she leaves it to her readers to draw their own connections as they digest her engaging narrative The New York Times Brisk suspenseful and richly documented The Chicago Tribune An uncommonly intelligent witty and vibrant account She has performed a real service in presenting such a complicated case in such a fair and balanced way San Francisco Chronicle **Woodrow Wilson and the American Diplomatic Tradition** Lloyd E. Ambrosius, 1987 Woodrow Wilson's contributions to the creation of the League of Nations as well as his failures in the Senate battles over the Versailles treaty are stressed in this account of his leadership in international affairs **Israel Yearbook on Human Rights, Volume 28 (1998)** Fania Domb, Yoram Dinstein, 2021-10-11 The Israel Yearbook on Human Rights an annual published under the auspices of the Faculty of Law of Tel Aviv University since 1971 is devoted to publishing studies by distinguished scholars in Israel and other countries on human rights in peace and war with particular emphasis on problems relevant to the State of Israel and the Jewish people The Yearbook also incorporates documentary materials relating to Israel and the Administered Areas which are not otherwise available in English including summaries of judicial decisions compilations of legislative enactments and military proclamations Volume 28 contains amongst others articles on Non Belligerent Occupation War Crimes in Internal Conflict Disability Law in Israel and the United States A Comparative Perspective *Israel Yearbook on Human Rights 1998* Yoram Dinstein, Fania Domb, 1999-09-01 The Israel Yearbook on Human Rights an annual published under the auspices of the Faculty of Law of Tel Aviv University since 1971 is devoted to

publishing studies by distinguished scholars in Israel and other countries on human rights in peace and war with particular emphasis on problems relevant to the State of Israel and the Jewish people The Yearbook also incorporates documentary materials relating to Israel and the Administered Areas which are not otherwise available in English including summaries of judicial decisions compilations of legislative enactments and military proclamations Volume 28 contains amongst others articles on Non Belligerent Occupation War Crimes in Internal Conflict Disability Law in Israel and the United States A Comparative Perspective Nightmare in Red Richard M. Fried,1991-03-28 According to newspaper headlines and television pundits the cold war ended many months ago the age of Big Two confrontation is over But forty years ago Americans were experiencing the beginnings of another era of the fevered anti communism that came to be known as McCarthyism During this period the Cincinnati Reds felt compelled to rename themselves briefly the Redlegs to avoid confusion with the other reds and one citizen in Indiana campaigned to have The Adventures of Robin Hood removed from library shelves because the story s subversive message encouraged robbing from the rich and giving to the poor These developments grew out of a far reaching anxiety over communism that characterized the McCarthy Era Richard Fried s Nightmare in Red offers a riveting and comprehensive account of this crucial time He traces the second Red Scare s antecedents back to the 1930s and presents an engaging narrative about the many different people who became involved in the drama of the anti communist fervor from the New Deal era and World War II through the early years of the cold war to the peak of McCarthyism and beyond McCarthy s censure to the decline of the House Committee on Un American Activities in the 1960s Along the way we meet the familiar figures of the period Presidents Roosevelt Truman and Eisenhower the young Richard Nixon and of course the Wisconsin Senator Joseph R McCarthy But more importantly Fried reveals the wholesale effect of McCarthyism on the lives of thousands of ordinary people from teachers and lawyers to college students factory workers and janitors Together with coverage of such famous incidents as the ordeal of the Hollywood Ten which led to the entertainment world s notorious blacklist and the Alger Hiss case Fried also portrays a wealth of little known but telling episodes involving victims and victimizers of anti communist politics at the state and local levels Providing the most complete history of the rise and fall of the phenomenon known as McCarthyism Nightmare in Red shows that it involved far more than just Joe McCarthy Uncle Sam Wants You Christopher Capozzola,2008-07-21 In April 1917 the United States embarked on World War I with little history of conscription an army smaller than Romania s and a political culture that saw little role for the federal government other than delivering the mail Uncle Sam Wants You tells the gripping story of the American homefront in World War I revealing how the tensions of mass mobilization led to a significant increase in power in Washington Christopher Capozzola shows how in the absence of a strong federal government Americans at first mobilized society by stressing duty obligation and responsibility over rights and freedoms In clubs schools churches and workplaces Americans governed each other But the heated temper of war quickly unleashed coercion on an unprecedented scale making

wartime America the scene of some of the nation's most serious political violence including notorious episodes of outright mob violence To solve this problem Americans turned over increasing amounts of power to state institutions In the end whether they were some of the four million men drafted under the Selective Service Act or the tens of millions of homefront volunteers or counted themselves among the thousands of conscientious objectors anti war radicals or German enemy aliens Americans of the World War I era created a new American state and new ways of being American citizens Based on a rich array of sources that capture the voices of both political leaders and ordinary Americans *Uncle Sam Wants You* offers a vivid and provocative new interpretation of American political history

Anti-Communism in Twentieth-Century America
Larry Ceplair, 2011-10-05 This compelling critical analysis of anti communism illustrates the variety of anti Communist styles and agendas thereby making a persuasive case that the threat of domestic communism in Cold War America was vastly overblown In the United States today communism is an ideology or political movement that barely registers in the consciousness of our nation Yet merely half a century ago communist was a buzzword that every citizen in our nation was aware of a term that connoted traitor and almost certainly a characterization that most Americans were afraid of *Anti Communism in Twentieth Century America A Critical History* provides a panoramic perspective of the types of anti communists in the United States between 1919 and the collapse of the Soviet Union It explains the causes and exceptional nature of anti communism in the United States and divides it into eight discrete categories This title then thoroughly examines the words and deeds of the various anti Communists in each of these categories during the three Red Scares in the past century The work concludes with an unapologetic assessment of domestic anti communism This book allows readers to more fully comprehend what the anti communists meant with their rhetoric and grasp their impact on the United States during the 20th century and beyond for example how anti communism has reappeared as anti terrorism

Privacy and the Constitution Madeleine Mercedes Plasencia, 1999 First published in 2000 Routledge is an imprint of Taylor Francis an informa company

Unveiling the Power of Verbal Beauty: An Psychological Sojourn through **Red Scare A Study Of National Hysteria**

In a global inundated with monitors and the cacophony of instant interaction, the profound energy and psychological resonance of verbal art often diminish in to obscurity, eclipsed by the continuous assault of noise and distractions. Yet, nestled within the musical pages of **Red Scare A Study Of National Hysteria**, a interesting work of fictional brilliance that pulses with natural thoughts, lies an wonderful trip waiting to be embarked upon. Published with a virtuoso wordsmith, that magical opus courses viewers on a psychological odyssey, delicately revealing the latent potential and profound affect stuck within the complicated internet of language. Within the heart-wrenching expanse of this evocative evaluation, we can embark upon an introspective exploration of the book is main subjects, dissect their interesting writing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.

Red Scare A Study Of National Hysteria Introduction

In the digital age, access to information has become easier than ever before. The ability to download Red Scare A Study Of National Hysteria has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Red Scare A Study Of National Hysteria has opened up a world of possibilities. Downloading Red Scare A Study Of National Hysteria provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Red Scare A Study Of National Hysteria has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Red Scare A Study Of National Hysteria. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Red Scare A Study Of National Hysteria. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Red Scare A Study Of National Hysteria, users should also

consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Red Scare A Study Of National Hysteria has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Red Scare A Study Of National Hysteria Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Red Scare A Study Of National Hysteria is one of the best book in our library for free trial. We provide copy of Red Scare A Study Of National Hysteria in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Red Scare A Study Of National Hysteria. Where to download Red Scare A Study Of National Hysteria online for free? Are you looking for Red Scare A Study Of National Hysteria PDF? This is definitely going to save you time and cash in something you should think about.
