

Red Apocalypse The Religious Evolution Of Soviet Communism

Chao Zhang

Red Apocalypse The Religious Evolution Of Soviet Communism:

Red Apocalypse Arthur Jay Klinghoffer, 1996-03-19 This unique work concentrates on Soviet Communism as a religious phenomenon The author argues that communism is a religion which was undermined by a crisis of faith Klinghoffer traces the evolution of this communist religion from Marx through Gorbachev covering Lenin Stalin and Krushchev His focus is on the parallels between the Soviet communist religion and the development of Christianity This thoroughly researched and carefully written book will be highly beneficial to students in courses on Soviet politics Soviet history Marxism and religion Contents Thy Religious Come Historic Redemption The Prophetic Jew The End of Days The Religious Atheist The Russified Mission Bolshevik on the Cross The Communist Religion Tenets of Faith The Spiritual Quest The Social Gospel The Soviet Church Laying the Foundations The Medieval Edifice From Renaissance to Secularization and Religious Evolution Index

The Oxford Handbook of Russian Religious Thought Caryl Emerson, George Pattison, Randall A. Poole, 2020 A comprehensive collection exploring the role of ideas institutions and movements in the evolution of Russian religious thought Contains cutting edge scholarship that expands understanding of one of the richest aspects of Russian cultural and intellectual life Considers the influence of Russian religious thought in the West and the role of religion in aesthetics music poetry art film and the novel An authoritative reference for students and scholars Book jacket Socialism as a Secular Creed Andrei Znamenski, 2021-01-29 Andrei Znamenski argues that socialism arose out of activities of secularized apocalyptic sects the Enlightenment tradition and dislocations produced by the Industrial Revolution He examines how by the 1850s Marx and Engels made the socialist creed scientific by linking it to history laws and inventing the proletariat the chosen people that were to redeem the world from oppression Focusing on the fractions between social democracy and communism Znamenski explores why historically socialism became associated with social engineering and centralized planning He explains the rise of the New Left in the 1960s and its role in fostering the cultural left that came to privilege race and identity over class Exploring the global retreat of the left in the 1980s 1990s and the great neoliberalism scare Znamenski also analyzes the subsequent renaissance of socialism in wake of the 2007 2008 crisis **The Dictators:**

Hitler's Germany, Stalin's Russia Richard Overy, 2006-01-17 A book of great importance it surpasses all others in breadth and depth Commentary If the past century will be remembered for its tragic pairing of civilized achievement and organized destruction at the heart of darkness may be found Hitler Stalin and the systems of domination they forged Their lethal regimes murdered millions and fought a massive deadly war Yet their dictatorships took shape within formal constitutional structures and drew the support of the German and Russian people In the first major historical work to analyze the two dictatorships together in depth Richard Overy gives us an absorbing study of Hitler and Stalin ranging from their private and public selves their ascents to power and consolidation of absolute rule to their waging of massive war and creation of far flung empires of camps and prisons The Nazi extermination camps and the vast Soviet Gulag represent the two dictatorships

in their most inhuman form Overy shows us the human and historical roots of these evils **The Cold War in the 1950s**

Nicolas Lewkowicz,2024-03-12 The book claims that the United States and the Soviet Union attained the mastery of the international order by projecting universalist values that responded to the particularist markers of the domestic order that was generated in the 1950s The geopolitical orientation adopted by the superpowers in the 1950s was shaped by the way in which their societies developed politically socially and economically in the 1950s The main argument of this book is that the quest for the mastery of the international order that informed superpower relations in the 1950s was guided by the need to respond to the local circumstances that emerged in the United States and the Soviet Union The particularist markers that arose in the 1950s led to the establishment of a geopolitical project underpinned by certain universalist values that could be applied in order to build the superpowers sphere of influence **The Oxford Handbook of Deification** Paul L.

Gavrilyuk,Andrew P. Hofer,Matthew Levering,2024-06-03 Modern theological engagements on deification have undergone two major paradigm shifts First the study of deification shifted from the periphery of theological discourse to its center For Adolf von Harnack deification was a pagan import that fatally corrupted and distorted the Gospel message of salvation In response the positive retrieval of the concept of deification belongs to the early years of the twentieth century By the 1910s in Russian religious thought and by the 1930s in much Roman Catholic theology deification had become a magnet concept attracting attention from many different viewpoints The second important shift relates to how deification is characterized Recent studies question the exclusively Eastern character of deification and draw attention to the engagements of this theme in Latin patristic and later Western Christian sources Reassessing the evidence for these two major shifts The Oxford Handbook of Deification comprehensively explores the points of convergence and difference on the constitutive elements of deification in different traditions and offers a foundation for ecumenical and interreligious dialogues The Handbook s first part analyzes the cultural and scriptural roots of deification the second part explores the most significant historical contributions to the understanding of deification in the early medieval and modern periods the third part develops systematic connections Readers will discover a surprising breadth depth and diversity of theologies of deification in Christian traditions Throughout the Handbook leading scholars in the field of Deification Studies propose vital new insights from a variety of perspectives for this central mystery at the heart of the Christian faith **Gulag Literature and the Literature of Nazi**

Camps Leona Toker,2019-08-28 A literary scholar examines survival narratives from Russian and German concentration camps shedding new light on testimony in the face of evil In this illuminating study Leona Toker demonstrates how Holocaust literature and Gulag literature provide contexts for each other especially how the prominent features of one shed light on the veiled features and methods of the other Toker s analysis concentrates on the narrative qualities of the works as well as how each text documents the writer s experience in a form where fictionalized narrative can double as historical testimony Toker also views these texts against the background of historical information about the Soviet and the Nazi regimes of repression

Writers at the center of this work include Varlam Shalamov Primo Levi Elie Wiesel and Ka Tzetnik and others including Aleksandr Solzhenitsyn Evgeniya Ginzburg and Jorge Sempr n illuminate the discussion Toker also provides context for references to potentially obscure historical events and shows how they form new meaning in the text

The Sacred in Twentieth-Century Politics R. Griffin,R. Mallett,J. Tortorice,2008-11-05 The emerging shape of the post Cold War world provides evidence that rather than diminishing the profound intersection of political ideology and religious forms of belief is an ever more potent force in world affairs This volume offers both theoretic underpinnings and a comparative analysis that elucidates this potent and dangerous phenomenon

Jerusalem on the Amur Henry Felix Srebrnik,2008-10-03 In 1928 the Soviet Union proposed the establishment of an autonomous socialist Jewish republic in the far eastern reaches of Russian territory In Birobidzhan the eternal search for a Jewish homeland would be realized and Jews would possess their own institutions which would function in Yiddish A new Jew would be created emancipated and rejuvenated Although the project was eventually revealed to be a fraud thousands of left wing Jews in Canada and the United States passionately supported it and campaigned on its behalf some even emigrated to Birobidzhan

The International Dimension of Genocide in Rwanda A. Klinghoffer,1998-09-28 The mass killings in Rwanda in 1994 shocked the world but the international response was ineffective The end of the Cold War had created a moral climate supportive of humanitarian intervention and enforcement of the Genocide Convention but it had not produced adequate legal and structural mechanisms to carry out such action The book examines the failures of the United Nations the Organization of African Unity regional states and major world powers either to prevent or terminate the genocide and draws lessons for intervention in future

Politics as Religion Emilio Gentile,2020-09-01 Emilio Gentile an internationally renowned authority on fascism and totalitarianism argues that politics over the past two centuries has often taken on the features of religion claiming as its own the prerogative of defining the fundamental purpose and meaning of human life Secular political entities such as the nation the state race class and the party became the focus of myths rituals and commandments and gradually became objects of faith loyalty and reverence Gentile examines this sacralization of politics as he defines it both historically and theoretically seeking to identify the different ways in which political regimes as diverse as fascism communism and liberal democracy have ultimately depended like religions on faith myths rites and symbols Gentile maintains that the sacralization of politics as a modern phenomenon is distinct from the politicization of religion that has arisen from militant religious fundamentalism Sacralized politics may be democratic in the form of a civil religion or it may be totalitarian in the form of a political religion Using this conceptual distinction and moving from America to Europe and from Africa to Asia Gentile presents a unique comparative history of civil and political religions from the American and French Revolutions through nationalism and socialism democracy and totalitarianism fascism and communism up to the present day It is also a fascinating book for understanding the sacralization of politics after 9 11

Fascism: Fascism and culture Roger Griffin,Matthew Feldman,2004 The nature

of fascism has been hotly contested by scholars since the term was first coined by Mussolini in 1919. However, for the first time since Italian fascism appeared, there is now a significant degree of consensus amongst scholars about how to approach the generic term, namely as a revolutionary form of ultra nationalism. Seen from this perspective, all forms of fascism have three common features: anticonservatism, a myth of ethnic or national renewal, and a conception of a nation in crisis. This collection includes articles that show this new consensus, which is inevitably contested, as well as making available material which relates to aspects of fascism independently of any sort of consensus, and also covering fascism of the inter and post war periods. This is a comprehensive selection of texts reflecting both the extreme, multi-faceted nature of fascism as a phenomenon and the extraordinary divergence of interpretations of fascism. *Church and State* Cristian Romocea, 2011-04-21. Twenty years have passed since the fall of the Iron Curtain, yet emerging democracies continue to struggle with a secular state which does not give preference to churches as major political players. This book explores the nationalist inclinations of an Eastern Orthodox Church as it interacts with a politically immature yet decisively democratic Eastern European state. Discussing the birth pangs of extreme nationalist movements of the twentieth century, it offers a creative retelling of the ideological idiosyncrasies which have characterized Marxist Communism and Nazism. Cristian Romocea provides a constant juxtaposition of the ideological movements as they interacted and affected organized religion at times seeking to remove it, assimilate it, or even imitate it. Of interest to historians, theologians, and politicians, this book introduces the reader through a case study of Romania to relevant and contemporary challenges churches worldwide are facing in a context characterized by increased secularization of the state and radicalization of religion. *Fascism, Totalitarianism and Political Religion* Roger Griffin, 2013-09-13. 9/11 and its aftermath demonstrate the urgent need for political scientists and historians to unravel the tangled relationship of secular ideologies and organized religions to political fanaticism. This major new volume uses a series of case studies by world experts to further our understanding of these complex issues. They examine the connections between fascism, political religion, and totalitarianism by exploring two inter-war fascist regimes, two abortive European movements, and two post-war American extreme right-wing movements with contrasting religious components. A highlight of this collection is a fresh article from Emilio Gentile, recently awarded an international prize for his contributions to our appreciation of the central role played by political religion in the modern age. This is preceded by an editorial essay by Roger Griffin, one of fascist studies' most original thinkers. Alongside these contributions, the reader is presented with a wealth of work that redefines the complex concept of totalitarian movement and our understanding of generic Fascism. Taken as a whole, it comprehensively analyses the links between particular totalitarian movements and regimes and the concrete historical phenomena produced in the light of current radical theories of fascism, totalitarianism, and political religion. This book will be of great interest to all students and scholars of international relations, politics, and contemporary history. This volume was previously published as a special issue of the journal *Totalitarianism*.

Movements and Political Religions **Faith and Fascism** Jorge Dagnino, 2017-03-21 This is a study of the Federazione Universitaria Cattolica Italiana FUCI between 1925 and 1943 the organisation of Catholic Action for the university sector The FUCI is highly significant to the study of Catholic politics and intellectual ideas as a large proportion of the future Christian Democrats who ruled the country after World War II were formed within the ranks of the federation In broader terms this is a contribution to the historiography of Fascist Italy and of Catholic politics and mentalities in Europe in the mid twentieth century It sets out to prove the fundamental ideological political social and cultural influences of Catholicism on the making of modern Italy and how it was inextricably linked to more secular forces in the shaping of the nation and the challenges faced by an emerging mass society Furthermore the book explores the influence exercised by Catholicism on European attitudes towards modernisation and modernity and how Catholicism has often led the way in the search for a religious alternative modernity that could countervail the perceived deleterious effects of the Western liberal version of modernity

The House of Government Yuri Slezkine, 2017-08-07 On the 100th anniversary of the Russian Revolution the epic story of an enormous apartment building where Communist true believers lived before their destruction The House of Government is unlike any other book about the Russian Revolution and the Soviet experiment Written in the tradition of Tolstoy's War and Peace Grossman's Life and Fate and Solzhenitsyn's The Gulag Archipelago Yuri Slezkine's gripping narrative tells the true story of the residents of an enormous Moscow apartment building where top Communist officials and their families lived before they were destroyed in Stalin's purges A vivid account of the personal and public lives of Bolshevik true believers the book begins with their conversion to Communism and ends with their children's loss of faith and the fall of the Soviet Union Completed in 1931 the House of Government later known as the House on the Embankment was located across the Moscow River from the Kremlin The largest residential building in Europe it combined 505 furnished apartments with public spaces that included everything from a movie theater and a library to a tennis court and a shooting range Slezkine tells the chilling story of how the building's residents lived in their apartments and ruled the Soviet state until some eight hundred of them were evicted from the House and led one by one to prison or their deaths Drawing on letters diaries and interviews and featuring hundreds of rare photographs The House of Government weaves together biography literary criticism architectural history and fascinating new theories of revolutions millennial prophecies and reigns of terror The result is an unforgettable human saga of a building that like the Soviet Union itself became a haunted house forever disturbed by the ghosts of the disappeared

If God is Dead, Everything is Permitted? Guenter Lewy, 2017-07-28 Dostoevsky's dictum that when God is dead everything is permitted can have several meanings It can refer to the behavior of individuals suggesting that someone who is or becomes an unbeliever will conduct himself immorally Alternatively the saying can pertain to the moral character of an entire country and mean a society that rejects God is doomed to moral decay Guenter Lewy presents a few of the major arguments of those who question the relationship between morality and religion and examines the case for the continuing

dependence of morality upon religion Beginning with Dostoevsky's *The Brothers Karamazov* Lewy introduces the reader to the position that morality depends on religious belief He then follows the idea throughout history from its origin to its extension during the Enlightenment to the Victorians to the roots of atheism Lewy then presents a critical discussion of Sweden as a model of a secular nation where morality is retained although most of the population is not religious He shows that Sweden offers a serious and unique illustration of how democracy and morality can flourish in a post modern environment If God is Dead Everything is Permitted as the author acknowledges is more of an essay than a seamless history of the relationship of religion and morality Lewy's fascination with the intersection and influence of religion on morality is not a new topic Indeed the discussion is important and alive today in light of new technological and scientific advances Although Lewy may not put closure to the debate about whether morality is dependent on religion the evidence presented here sheds light on the morality of today by examining its historical past

Russia After Lenin Vladimir Brovkin, 2005-08-04 In *Russian Society and Politics 1921-1929* Vladimir Brovkin offers a comprehensive cultural political economic and social history of developments in Russia in the 1920's *Keeping Faith with the Party* Nanci Adler, 2012-03-05 How is it that some prisoners of the Soviet gulag many of them falsely convicted emerged from the camps maintaining their loyalty to the party that was responsible for their internment In camp they had struggled to survive Afterward they struggled to reintegrate with society reunite with their loved ones and sometimes renew Party ties Based on oral histories archives and unpublished memoirs *Keeping Faith with the Party* chronicles the stories of returnees who professed enduring belief in the CPSU and the Communist project Nanci Adler's probing investigation brings a deeper understanding of the dynamics of Soviet Communism and of how individuals survive within repressive regimes while the repressive regimes also survive within them

Knowledge and Pain, 2012-01-01 Pain studies both in exact sciences and in the humanities are a fast shifting field This volume condenses a spectrum of recent views of pain through the lens of humanistic studies Methodologically the volume is an interdisciplinary study of the questions pertaining to the accessibility of pain physical or emotional to understanding and of the possible influence of suffering on the enhancement of knowledge in private experience or public sphere Undeterred by the widespread belief that pain cannot be expressed in language and that it is intransmissible to others the authors of the essays in the collection show that the replicability of records and narratives of human experience provides a basis for the kind of empathetic attention dialogue and contact that can help us to register the pain of another and understand its conditions and contexts Needless to say the improvement of this understanding may also help map the ways for the ethics of response to and help for pain Whereas the authors of the volume tend to share the view of pain as a totally negative phenomenon the position taken in Elaine Scarry's *The Body in Pain* they hold this view applicable mainly to the attitudes to the pain of others and the imperative of minimise the causes of another's suffering They also consider this view to be culturally and temporally circumscribed The volume suggests that one's own personal experience of suffering along with the

awareness of the seriality of such experience among fellow sufferers can be conducive to emotional and intellectual growth. The reading of literature dealing with pain can lead to similar results through vicariously experienced suffering whose emotional corollaries and intellectual consequences may be conveyed through artistic rather than discursive means. The distinctive features of the volume are that it processes these issues in a historicising way, deploying the history of the ideas of pain from the Middle Ages to the present day, and that it makes use of the methodology of different disciplines to do so, arriving to similar conclusions through as it were different paths. The disciplines include analytic philosophy, historiography, history of science, oral history, literary studies, and political science.

Red Apocalypse The Religious Evolution Of Soviet Communism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Red Apocalypse The Religious Evolution Of Soviet Communism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Red Apocalypse The Religious Evolution Of Soviet Communism has opened up a world of possibilities. Downloading Red Apocalypse The Religious Evolution Of Soviet Communism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Red Apocalypse The Religious Evolution Of Soviet Communism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Red Apocalypse The Religious Evolution Of Soviet Communism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Red Apocalypse The Religious Evolution Of Soviet Communism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Red Apocalypse The Religious Evolution Of Soviet Communism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Red Apocalypse The Religious Evolution Of Soviet Communism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Red Apocalypse The Religious Evolution Of Soviet Communism Books

What is a Red Apocalypse The Religious Evolution Of Soviet Communism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Red Apocalypse The Religious Evolution Of Soviet Communism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Red Apocalypse The Religious Evolution Of Soviet Communism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Red Apocalypse The Religious Evolution Of Soviet Communism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Red Apocalypse The Religious Evolution Of Soviet Communism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not

be legal depending on the circumstances and local laws.
