John Claudius Loudon

Red Azalea:

Red Azalea Anchee Min, 2006-04-11 A revelatory and disturbing portrait of China this is Anchee Min's celebrated memoir of growing up in the last years of Mao's China. As a child Min was asked to publicly humiliate a teacher at seventeen she was sent to work at a labor collective. Forbidden to speak, dress, read, write or love as she pleased she found a lifeline in a secret love affair with another woman. Miraculously selected for the film version of one of Madame Mao's political operas Min's life changed overnight. Then Chairman Mao suddenly died taking with him an entire world. This national bestseller and New York Times Notable Book is exceptional for its candor, its poignancy, its courage and for its prose which Newsweek calls as delicate and evocative as a traditional Chinese brush painting. **The Red Azalea** Edward Morin, 1990-11-01 Introduction by Leo Ou fan Lee

Country of Red Azaleas Domnica Radulescu, 2016-04-05 A riveting novel about two women, one Serbian, one Bosnian, whose deep friendship spans decades and continents, war and peace, love and estrangement in the vein of Elena Ferrante and Julia Alvarez. From the moment Marija walks into Lara's classroom, freshly moved to Serbia from Sarajevo, Lara is enchanted by her vibrant beauty, confidence and wild energy and knows that the two are destined to be lifelong friends. Closer than sisters, the girls share everything from stolen fruit and Hollywood movies as girls to philosophies and even lovers as young women. But when the Bosnian War pits their homelands against each other in a bloodbath, Lara and Marija are forced to separate for the first time. Romantic Lara heads to America with her Hollywood handsome new husband and fierce Marija returns to her native Sarajevo to combat the war through journalism behind Bosnian lines. In America, Lara seeks fulfillment through work and family but when news from Marija ceases, the uncertainty torments Lara, driving her on a quest to find her friend. As Lara travels through war-torn Serbia and Bosnia following clues that may yet lead to the flesh and blood Marija, she must also wrestle with truths about her own identity. Told in lush, vivid prose, Country of Red Azaleas is a poignant testament to both the power of friendship and our ability to find meaning and beauty in the face of devastation. **A**

Monograph of Azaleas Ernest Henry Wilson, Alfred Rehder, 1921 Tell This Silence Patti Duncan, 2009-05 Tell This Silence by Patti Duncan explores multiple meanings of speech and silence in Asian American women's writings in order to explore relationships among race, gender, sexuality and national identity. Duncan argues that contemporary definitions of U.S. feminism must be expanded to recognize the ways in which Asian American women have resisted and continue to challenge the various forms of oppression in their lives. There has not yet been adequate discussion of the multiple meanings of silence and speech, especially in relation to activism and social justice movements in the U.S. In particular, the very notion of silence continues to invoke assumptions of passivity, submissiveness and avoidance while speech is equated with action and empowerment. However, as the writers discussed in Tell This Silence suggest, silence too has multiple meanings, especially in contexts like the U.S. where speech has never been a guaranteed right for all citizens. Duncan argues that writers such as Maxine Hong Kingston, Mitsuye Yamada, Joy Kogawa, Theresa Hak Kyung Cha, Nora Okja Keller and Anchee Min deploy

silence as a means of resistance Juxtaposing their unofficial narratives against other histories official U S histories that have excluded them and American feminist narratives that have stereotyped them or distorted their participation they argue for recognition of their cultural participation and offer analyses of the intersections among gender race nation and sexuality Tell This Silence offers innovative ways to consider Asian American gender politics feminism and issues of immigration and language This exciting new study will be of interest to literary theorists and scholars in women s American and Asian American studies
