pit of hopelessness is outlined in these pages as I discover the truth that whatever the present circumstances hope still remains Hope that is not just wishful thinking but hope that comes with the certainty of an expected conclusion The key is to understand that this present and short life is only the first act on the stage of eternity just the opening scene in an infinite drama where the second final and never ending act is spectacularly better than the first So take heart even the worst of situations can be overcome with hope and healing and the certain expectation of Heaven

Little Miss Moth: The Story of Three Maidens: Charity, Hope, and Faith Amy Le Feuvre, 2020-09-28 Three little girls were looking out of the window on a very wet afternoon in March They were so close together in age and height that sometimes two of them were taken for twins yet there was a year between each of them And they were unlike each other in looks Charity the eldest had a quantity of red auburn hair down her back She was very lively and talkative and her eyes were always sparkling with fun and happiness Hope next to her in age had fair golden hair and blue eyes she was sweet tempered and rather apt to be an echo of anyone with whom she was Faith the youngest was a quiet child with short dark curly hair and thoughtful brown eyes She had a very sweet little face but looked fragile and delicate beside her rosy sturdy sisters It was not a very cheerful scene outside the window One of those quiet dingy streets towards the outskirts of London where rows of houses faced each other all exactly alike and where the only traffic was the tradesmen's carts rattling along and an occasional cab or motor But the little girls were talking fast and happily The rain beating against the window panes did not depress them The dark grey sky the wet pavements the wind whirling the smoke along the street from the chimneys opposite the people hurrying by under sodden umbrellas all interested the six bright eyes And at last three voices shouted happily Here she comes Granny Here's Aunt Alice They left their post at the window and rushed to the door Mrs Blair their grandmother who was sitting in an easy chair by the fire knitting small stockings sprang up as if she were twenty instead of nearly seventy She took a small kettle off the hob and poured the hot water into a teapot Tea was laid on a round table in the middle of the room There was only a loaf of bread and a pot of treacle but everything was very bright and clean and the little room looked quite cheerful in contrast to the grey dingy street outside There was a canary hanging up in the window and a handsome black cat sat washing its face on the hearthrug Bright pictures were on the walls and in the centre of the table was a big bunch of yellow daffodils
