Agatha Christie Lucy Worsley, 2022-09-08 A new fascinating account of the life of Agatha Christie from celebrated literary and cultural historian Lucy Worsley Nobody in the world was more inadequate to act the heroine than I was Why did Agatha Christie spend her career pretending that she was just an ordinary housewife when clearly she wasn't Her life is fascinating for its mysteries and its passions and as Lucy Worsley says She was thrillingly scintillatingly modern She went surfing in Hawaii she loved fast cars and she was intrigued by the new science of psychology which helped her through devastating mental illness So why despite all the evidence to the contrary did Agatha present herself as a retiring Edwardian lady of leisure She was born in 1890 into a world that had its own rules about what women could and couldn't do Lucy Worsley's biography is not just of a massively internationally successful writer It's also the story of a person who despite the obstacles of class and gender became an astonishingly successful working woman With access to personal letters and papers that have rarely been seen Lucy Worsley's biography is both authoritative and entertaining and makes us realize what an extraordinary pioneer Agatha Christie was truly a woman who wrote the twentieth century Kimble's Top Vicky Joynson, 2013 High on a hilltop of windswept grasslands once the site of a Celtic fort stands Kimble's Top the award winning innovative house built for Gina by her architect husband in the late 1960s Now Gina has died and her will leaves Kimble's Top not to her daughter but to her brash domineering niece Robyn Gina's father William cannot believe she had intended to leave her daughter with nothing Besides his suspicions have already been awakened by the sight of Robyn in intimate conversation with her uncle Tommy William's hard headed businessman son Tommy and Robyn have barely exchanged a civil word for years William an 83 year old widower plagued by loneliness and old age is nevertheless determined to learn the truth Spurred on by the lies and deception he meets along the way he soon begins to make painful discoveries Ultimately his journey will lead to the revelation of a closely guarded secret at the heart of Kimble's Top itself Set in the historic market town of Wellingborough Kimble's Top has a sense of place firmly rooted in the Northamptonshire landscape and recognises that the deepest human dramas are often played out within the ordinary scenes of everyday life The Publishers Weekly, 1905 **Publishers' Weekly**, 1905 *Camberwell Beauty* Jenny Eclair, 2012-12-06 Don't miss the unforgettable new novel from Jenny Eclair INHERITANCE is out now _____ Viciously funny Daily Mail Welcome to one of the nicest streets in one of London's vilest boroughs a determined middle class oasis of skips and bay trees where Volvos sniff each others' bumpers and men called Giles live with women called Samantha This is a satellite dish free zone of tall houses standing shoulder to shoulder with big front doors five floors apiece Come inside shut the door and smell the coffee you could almost be in Kensington This is where the actors writers and media types live where small children wearing smart uniforms and shoes in the shape of lightbulbs get ferried every day to schools that are not local Some people are luckier than others fortune smiles on some and gobs on the rest Jo Metcalf no 95 smokes and spies on the smug Cunninghams down the street as they play their bile
