Red Pedagogy Native American Social And Political Thought

D. Sullivan,J. Greenberg

Red Pedagogy Native American Social And Political Thought:

Red Pedagogy Sandy Grande, 2004 This ground breaking text explores the intersection between dominant modes of critical educational theory and the socio political landscape of American Indian education The proposed new Red Pedagogy is an insurgent but poetic vision for education one that is dedicated to the principles of sovereignty emancipation and equity for all human beings and the rest of nature

Red Pedagogy Sandy Grande, 2015-09-28 This ground breaking text explores the intersection between dominant modes of critical educational theory and the socio political landscape of American Indian education Grande asserts that with few exceptions the matters of Indigenous people and Indian education have been either largely ignored or indiscriminately absorbed within critical theories of education Furthermore American Indian scholars and educators have largely resisted engagement with critical educational theory tending to concentrate instead on the production of historical monographs ethnographic studies tribally centered curricula and site based research Such a focus stems from the fact that most American Indian scholars feel compelled to address the socio economic urgencies of their own communities against which engagement in abstract theory appears to be a luxury of the academic elite While the author acknowledges the dire need for practical community based research she maintains that the global encroachment on Indigenous lands resources cultures and communities points to the equally urgent need to develop transcendent theories of decolonization and to build broad based coalitions
