## **Red Shirt The Cross Of Savoy:**

**The Red Shirt and the Cross of Savoy** George Whitney Martin, 1969      **The Red Shirt and the Cross of Savoy** George Martin, 1969      Cardinal Giacomo Antonelli and Papal Politics in European Affairs Frank J. Coppa, 1990-01-01 Coppa provides the first full length study of Giacomo Antonelli friend and advisor to Pope Pius IX Pio Nono and his Secretary of State and chief minister from 1849 to 1876 Based on the documents of the secret Vatican Archives and neglected family papers in the State Archive in Rome the book gives an important reevaluation of this key diplomatic figure separating the man from the myth and delving into his character and policies The book examines both the personality and policies of the Cardinal who was seen to be the Pope s Richelieu and Mazarin combined Confronting the polemical literature which has charged him with sexual misconduct and venality the study examines his early formation and career the inspiration for his European policies his relationship to Pio Nono and the part he played in the Counter Risorgimento and the Papal reaction By improving our understanding of Papal Italian and European developments during these crucial decades this study provides new insights into Rome s fortress mentality and its rejection of the main currents that were transforming western life currents that influenced not only the Catholic Church but European society as a whole      **Elizabeth Barrett Browning's Spiritual Progress: Face to Face with God** Linda M. Lewis, 1998 Lewis English Bethany College studies Browning s religion as poetry and her poetry as religion interpreting her literary life as an arduous spiritual quest Using insights from contemporary feminist thought she argues that Browning s religious assumptions and insights range from the conventional to the iconoclastic and that her political and social ideology are consistent in light of her spiritual quest Draws on Browning s most admired poetry as well as her early poems and her political works and compares her ideology to that of early feminists conservatives and male Victorian poets Annotation copyrighted by Book News Inc Portland OR      **Political Repression in 19th Century Europe** Robert Justin Goldstein, 2013-06-17 Originally published in 1983 The nineteenth century was a time of great economic social and political change As Europe modernized previously ignorant and apathetic elements in the population began to demand political freedoms There was pressure also for a freer press for the rights of assembly and association The apprehension of the existing elites manifested itself in an intensification of often brutal form of political repression The first part of this book summarizes on a pan European basis the major techniques of repression such as the denial of popular franchise and press censorship This is followed by a chronological survey of these techniques from 1815 1914 in each European country The book analyzes the long and short term importance of these events for European historical development in the 19th and 20th centuries      **Britain's War for the Mediterranean** William Casey Baker, 2024-04-24 Britain s War for the Mediterranean provides a definitive study on British warmaking in the Mediterranean during the War of the First Coalition It traces the origins of foreign and naval policies from the early eighteenth century to describe the duality of British affairs These contradictions manifested themselves in the War of the First Coalition as Great

Britain attempted to build consensus in the Mediterranean World while clinging to its power base of naval power and commerce The book explores the decisions of individuals and the wider trends of the British political and naval system honed over the course of the eighteenth century In explaining war against Revolutionary France the book follows the decisions of admirals diplomats and politicians in attempting to cobble together a coalition of Spanish Austrian Sardinian and Neapolitan forces This book also makes connections with the other theaters of war The Austrian Netherlands and the Caribbean Britain's War for the Mediterranean examines the internal working of the British government during the crisis of the French Revolution It focuses on how politicians diplomats and military commanders formulated strategy for the Mediterranean theater One of the major conclusions of this book is that the British government never spoke with one voice Lacking synchronization in a changing conflict the structure and conflicting objectives of each branch of the government failed to create a coherent plan to resist Republican expansion in the region The book complicates the simplistic view of previous works on the weakness of allies and the naivete of the Pitt ministry providing agency to diplomats and commanders across the region The second major conclusion is that these conflicting objectives were firmly rooted in the experiences of the eighteenth century British diplomacy crippled in the aftermath of the American Revolution saw the French Revolution as an opportunity to build consensus and a shared view of a British world French aggression offered an opportunity to reclaim a position of influence lost over the course of the 1700s In contrast the trajectory of British foreign policy shaped the use of the Royal Navy in the eighteenth century A trans Atlantic force a war in the Mediterranean forced British admirals to relearn the complicated nature of regional foreign policy Diplomacy and naval power clashed over the conduct of the war one rooted in foreign courts the other in maritime coercion

### **Causes and Conflicts**

George Whitney Martin, 1997 More than a century ago over 200 leading lawyers met in a schoolroom on Fifth Avenue and Twenty Sixth Street to organize the Association of the Bar of the City of New York. They

were hot with reform and with the sting of professional shame Boss Tweed and his cronies were not only robbing the city's treasury but worse were also corrupting the courts and judges Boss Tweed and his gang were routed but not without a long struggle and the help of many others in the city Since that historical victory the Association has taken up other causes and conflicts sometimes with wide success sometimes failing but continuing a wide variety of activities with unabated zeal George Martin tells of these struggles in this volume It is the story of the Association through times of turbulence and times of trouble including the famous March on Washington the toppling of Mayor Jimmie Walker under the Judge Seabury investigation and the Joseph McCarthy Era George Martin has brought these great events and a number of no less interesting footnotes to history alive in Causes and Conflicts through these many vignettes about the Association's leaders

**Aspects of Verdi** George Whitney Martin, 2004-08 This collection of original essays ranges widely among the composer's interests and achievements from his religious views to his skill as a cook from the politics that galvanized him to the poetry that inspired him from his earliest compositions to his final masterwork Falstaff completed at the age of 80 Drawing on original research and scholarship this book also contains two of Verdi's early works never before published in this form a translated collection of his letters also heretofore unpublished the text of the Requiem with indications of Verdi's emphases and a directory of his operas with sources casts theatres and premiere dates *The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. V* Robert A. Hill, Marcus Garvey, Universal Negro Improvement Association, 1983 Africa for the Africans was the name given in Africa to the extraordinary black social protest movement led by Jamaican Marcus Mosiah Garvey 1887-1940 Volumes I-VII of the Marcus Garvey and Universal Negro Improvement Association Papers chronicled the Garvey movement that flourished in the United States during the 1920s Now the long-awaited African volumes of this edition Volumes VIII and IX and a forthcoming Volume X demonstrate clearly the central role Africans played in the development of the Garvey phenomenon The African volumes provide the first authoritative account of how Africans transformed Garveyism from an external stimulus into an African social movement They also represent the most extensive collection of documents ever gathered on the early African nationalism of the inter-war period Here is a detailed chronicle of the spread of Garvey's call for African redemption throughout Africa and the repressive colonial responses it engendered Volume VIII begins in 1917 with the little-known story of the Pan-African commercial schemes that preceded Garveyism and charts the early African reactions to the UNIA Volume IX continues the story documenting the establishment of UNIA chapters throughout Africa and presenting new evidence linking Garveyism and nascent Namibian nationalism *The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. V* Marcus Garvey, 2023-09-01 The fifth volume of this monumental series chronicles what was perhaps the stormiest period in the history of Marcus Garvey and the UNIA the aftermath of the tumultuous 1922 convention Outside the UNIA a growing list of opponents including the black Socialists A. Philip Randolph and Chandler Owen and the NAACP's Robert Bagnall and William Pickens were turning their criticism of the

controversial Jamaican into a Garvey Must Go campaign Meanwhile Garvey's former UNIA ally Rev J W H Eason who had been impeached at the 1922 convention was emerging as a dangerous rival Eason was assassinated in January 1923 just as he was to testify against Garvey in the latter's mail fraud trial Though it may be impossible to determine if Garvey had a role in the killing the murder generated negative publicity that did untold damage to Garvey and his organization Throughout all this the federal government pressed its case against Garvey and his co-defendants on mail fraud charges stemming from irregularities in the sale of Black Star Line stock In June 1923 a jury found Garvey guilty and he was sentenced to five years in prison Internecine feuds wracked the movement while Garvey languished in New York City's Tombs prison awaiting bail so that he could mount an appeal As soon as he was released in September 1923 he turned his energy to reconsolidating the UNIA while considering the best appeal strategy For the UNIA Garvey resurrected an old commercial message that economic salvation was to be found in ships In March 1924 he reconstituted the defunct Black Star Line as the Black Cross Navigation and Trading Co and bought a ship the S S General Goethals in time for a tour of it by convention delegates The shipboard tour proved to be a highlight of the 1924 convention during which UNIA leadership was stunned by the Liberian government's formal repudiation of the movement's African colonization plans Despite the UNIA's unexpected setback in Liberia the movement continued to spread into new places particularly in America's southern states Generously illustrated with photographs and facsimile documents Volume V of The Marcus Garvey and Universal Negro Improvement Association Papers upholds the impeccable editorial standards of the first four volumes Once again a wealth of new sources collected from around the world demonstrates how vitally important Marcus Garvey and the mass movement he controlled were to Afro-American history The fifth volume of this monumental series chronicles what was perhaps the stormiest period in the history of Marcus Garvey and the UNIA the aftermath of the tumultuous 1922 convention Outside the UNIA a growing list of opponents including the black So The Works of Elizabeth Barrett Browning Vol 5 Sandra Donaldson, Rita Patteson, Marjorie Stone, Beverly Taylor, Simon Avery, Cynthia Burgess, Clara Drummond, Barbara Neri, 2024-12-20 A canonical Victorian writer and thinker Barrett Browning personified the engaged intellectual This edition provides a foundation for a complete analysis and interpretation of her works and of Victorian Britain The edition presents accurate and accessible texts of all her published literary works Volume 5 Last Poems 1862 Works Unpublished in EBB's Lifetime Consolidated Index

**The Frightful Stage** Robert Justin Goldstein, 2009 In nineteenth century Europe the ruling elites viewed the theater as a form of communication which had enormous importance The theater provided the most significant form of mass entertainment and was the only arena aside from the church in which regular mass gatherings were possible Therefore drama censorship occupied a great deal of the ruling class's time and energy with a particularly focus on proposed scripts that potentially threatened the existing political legal and social order This volume provides the first comprehensive examination of nineteenth century political theater censorship at a time in the aftermath of the French Revolution when the

European population was becoming increasingly politically active
