Red Stars Political Aspects Of Soviet Science Fiction:

Red Stars Patrick L. McGuire, 1985 Red Stars Patrick Llewellyn McGuire, 1979 The New Routledge Companion to Science Fiction Mark Bould, Andrew M. Butler, Sherryl Vint, 2024-06-13 The New Routledge Companion to Science Fiction provides an overview of the study of science fiction across multiple academic fields It offers a new conceptualisation of the field today marking the significant changes that have taken place in sf studies over the past 15 years Building on the pioneering research in the first edition the collection reorganises historical coverage of the genre to emphasise new geographical areas of cultural production and the growing importance of media beyond print It also updates and expands the range of frameworks that are relevant to the study of science fiction The periodisation has been reframed to include new chapters focusing on science fiction produced outside the Anglophone context including South Asian Latin American Chinese and African diasporic science fiction The contributors use both well established critical and theoretical approaches and embrace a range of new ones including biopolitics climate crisis critical ethnic studies disability studies energy humanities game studies medical humanities new materialisms and sonic studies This book is an invaluable resource for students and established scholars seeking to understand the vast range of engagements with science fiction in scholarship today Chapter 39 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license The Cambridge Companion to Science Fiction Edward James, Farah Mendlesohn, 2003-11-20 Table of contents **The Post-Soviet Politics of Utopia** Mikhail Suslov, Per-Arne Bodin, 2019-09-19 More than 700 utopian novels are published in Russia every year These utopias meaning here fantasy fiction science fiction space operas or alternative history do not set out merely to titillate instead they express very real Russian anxieties be they territorial right sizing loss of imperial status or turning into a colony of the West Contributors to this innovative collection use these narratives to re-examine post-Soviet Russian political culture and identity Interrogating the intersections of politics ideologies and fantasies chapters draw together the highbrow literary mainstream authors such as Vladimir Sorokin mass literature for entertainment and individuals who bridge the gap between fiction writers and intellectuals or ideologists Aleksandr Prokhanov for example the editor in chief of Russia's far right newspaper Zavtra In the process The Post-Soviet Politics of Utopia sheds crucial light onto a variety of debates including the rise of nationalism right wing populism imperial revanchism the complicated presence of religion in the public sphere the function of language and is important reading for anyone interested in the heightened importance of ideas myths alternative histories and conspiracy theories in Russia today **Red Star** Alexander Bogdanov, 2018-11-01 An Earth man's journey to the planet Mars where he is treated to a wondrous vision of a communist future complete with flying cars and 3D color movies Wonders Marvels A communist society on Mars the Russian revolution and class struggle on two planets is the subject of this arresting science fiction novel by Alexander Bogdanov 1873-1928 one of the early organizers and prophets of the Russian Bolsheviks

party The red star is Mars but it is also the dream set to paper of the society that could emerge on earth after the dual victory of the socialist and scientific technical revolutions While portraying a harmonious and rational socialist society Bogdanov sketches out the problems that will face industrialized nations whether socialist or capitalist A surprisingly moving story The New Yorker The contemporary reader will marvel at Bogdanov's foresight nuclear fusion and propulsion atomic weaponry and fallout computers blood transfusions and almost unisexuality Choice Bogdanov's novels reveal a great deal about their fascinating author about his time and ironically ours and about the genre of utopia as well as his contribution to it Slavic Review

Soviet Space Culture E. Maurer, J. Richers, M. Rüthers, C. Scheide, 2011-08-16 Starting with the first man made satellite Sputnik in 1957 and culminating four years later with the first human in space Yuri Gagarin space became a new utopian horizon This book explores the profound repercussions of the Soviet space exploration program on culture and everyday life in Eastern Europe especially in the Soviet Union itself

The Utopian Fantastic Martha A. Bartter, 2004-04-30 Utopia forms a major aspect of human desire one that is as important as religion Understanding utopia and the ways in which it can collapse into dystopia is crucial in many disciplines Fantastic literature including science fiction and fantasy is the only form of literature that takes utopia dystopia seriously Therefore analysis of these works provides a basis for serious experimentation in social science In this volume critics analyze contemporary literary thought experiments such as 1984 and We They show how utopian experiments can easily slide into dystopia Exploring these fictional sociocultural political experiments gives us new ways to think about our lives and culture While literature history and political science professors may find this book useful it can also serve as a call to arms to anyone dedicated to maintaining freedom and humane living in the world today

Historical Dictionary of Science Fiction Literature Brian Stableford, 2004-04-19 This reference tracks the development of speculative fiction influenced by the advancement of science and the idea of progress from the eighteenth century to the present day The major authors and publications of the genre and significant subgenres are covered Additionally there are entries on fields of science and technology which have been particularly prolific in provoking such speculation The list of acronyms and abbreviations the chronology covering the literature from the 1700s through the present the introductory essay and the dictionary entries provide science fiction novices and enthusiasts as well as serious writers and critics with a wonderful foundation for understanding the realm of science fiction literature The extensive bibliography that includes books journals fanzines and websites demonstrates that science fiction literature commands a massive following

Historical Dictionary of Science Fiction in Literature M. Keith Booker, 2014-10-01 The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a

tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students researchers and anyone wanting to know more about this subject

The Ashgate Encyclopedia of Literary and Cinematic Monsters Jeffrey Andrew Weinstock, 2016-04-01 From vampires and demons to ghosts and zombies interest in monsters in literature film and popular culture has never been stronger This concise Encyclopedia provides scholars and students with a comprehensive and authoritative A Z of monsters throughout the ages It is the first major reference book on monsters for the scholarly market Over 200 entries written by experts in the field are accompanied by an overview introduction by the editor Generic entries such as ghost and vampire are cross listed with important specific manifestations of that monster In addition to monsters appearing in English language literature and film the Encyclopedia also includes significant monsters in Spanish French Italian German Russian Indian Chinese Japanese African and Middle Eastern traditions Alphabetically organized the entries each feature suggestions for further reading The Ashgate Encyclopedia of Literary and Cinematic Monsters is an invaluable resource for all students and scholars and an essential addition to library reference shelves

A Martian Stranded on Earth Nikolai Kremmentsov, 2011-07-05 Much like Vladimir Lenin his onetime rival for the leadership of the Bolshevik party during its formative years Alexander Bogdanov 1873 1928 was a visionary In two science fiction novels set on Mars Bogdanov imagined a future in which the workers of the world liberated from capitalist exploitation create a physiological collective that rejuvenates and unites its members through regular blood exchanges But Bogdanov was not merely a dreamer He worked tirelessly to popularize and realize his vision founding the first research institute devoted to the science of blood transfusion In *A Martian Stranded on Earth* the first broad based book on Bogdanov in English Nikolai Kremmentsov examines Bogdanov's roles as revolutionary novelist and scientist presenting his protagonist as a coherent thinker who pursued his ideas in a wide range of venues Through the lens of Bogdanov's involvement with blood studies on one hand and of his fictional and philosophical writings on the other Kremmentsov offers a nuanced analysis of the interactions between scientific ideas and societal values

The Palgrave Handbook of Cold War Literature Andrew Hammond, 2020-09-04 This book offers a comprehensive guide to global literary engagement with the Cold War Eschewing the common focus on national cultures the collection defines Cold War literature as an international current focused on the military and ideological conflicts of the age and characterised by styles and approaches that transcended national borders Drawing on specialists from across the world the volume analyses the period's fiction poetry drama and autobiographical writings in three sections dominant concerns socialism decolonisation nuclearism propaganda censorship espionage common genres postmodernism socialism realism dystopianism migrant poetry science

fiction testimonial writing and regional cultures Asia Africa Oceania Europe and the Americas In doing so the volume forms a landmark contribution to Cold War literary studies which will appeal to all those working on literature of the 1945 1989 period including specialists in comparative literature postcolonial literature contemporary literature and regional literature

Across the Blocs Patrick Major, Rana Mitter, 2004-08-02 This book asks the reader to reassess the Cold War not just as superpower conflict and high diplomacy but as social and cultural history It makes cross cultural comparisons of the socio cultural aspects of the Cold War across the East West block divide dealing with issues including broadcasting public opinion and the production and consumption of popular culture

Four-Color Communism Sean Eedy, 2021-02-03 As with all other forms of popular culture comics in East Germany were tightly controlled by the state Comics were employed as extensions of the regime's educational system delivering official ideology so as to develop the socialist personality of young people and generate enthusiasm for state socialism The East German children who avidly read these comics however found their own meanings in and projected their own desires upon them Four Color Communism gives a lively account of East German comics from both perspectives showing how the perceived freedoms they embodied created expectations that ultimately limited the regime's efforts to bring readers into the fold

I Want to Believe A.M. Gittlitz, 2020-04-20 Advocating nuclear war attempting communication with dolphins and taking an interest in the paranormal and UFOs there is perhaps no greater or stranger cautionary tale for the Left than that of Posadism Named after the Argentine Trotskyist J Posadas the movement's journey through the fractious and sectarian world of mid 20th century revolutionary socialism was unique Although at times significant Posadas movement was ultimately a failure As it disintegrated it increasingly grew to resemble a bizarre cult detached from the working class it sought to liberate The renewed interest in Posadism today especially for its more outlandish fixations speaks to both a cynicism towards the past and nostalgia for the earnest belief that a better world is possible Drawing on considerable archival research and numerous interviews with ex and current Posadists I Want to Believe tells the fascinating story of this most unusual socialist movement and considers why it continues to capture the imaginations of leftists today

Science Fiction and the Dismal Science Gary Westfahl, Gregory Benford, Howard V. Hendrix, 2019-12-10 Despite the growing importance of economics in our lives literary scholars have long been reluctant to consider economic issues as they examine key texts This volume seeks to fill one of these conspicuous gaps in the critical literature by focusing on various connections between science fiction and economics with some attention to related fields such as politics and government Its seventeen contributors include five award winning scholars five science fiction writers and a widely published economist Three topics are covered what noted science fiction writers like Robert A Heinlein Frank Herbert and Kim Stanley Robinson have had to say about our economic and political future how the competitive and ever changing publishing marketplace has affected the growth and development of science fiction from the nineteenth century to today and how the scholars who examine science fiction have themselves been influenced by the

economics of academia Although the essays focus primarily on American science fiction the traditions of Russian and Chinese science fiction are also examined A comprehensive bibliography of works related to science fiction and economics will assist other readers and critics who are interested in this subject The Red Rockets' Glare Asif A. Siddiqi, 2010-02-26 An academic study on the birth of the Soviet space program situating the birth of cosmic enthusiasm within Russian and Soviet history Passion and Perception Richard Stites, 2010 This collection of Stitesiana includes 29 essays on Russian culture representing the bulk of 20 years of scholarship in addition to well known monographs and diverse pieces in popular magazines Soviet-American Relations, 1953-1960 Victor Rosenberg, 2015-01-24 Dwight D Eisenhower and Nikita Khrushchev presided over a pivotal period in Soviet American relations The ongoing Korean War and the lack of an American ambassador in Moscow illustrate the strain in Soviet American relations at the start of Eisenhower's presidency but things changed after Stalin died only 44 days later Stalin's successors began to liberalize both domestic and foreign policy in what became known as the Thaw There was an increase in diplomatic exchanges including the first modern summit conferences Of even greater importance the Soviet leaders began to reestablish the scientific cultural and tourist contacts that had been broken under Stalin Because political and ideological tensions remained and there were still restrictions on contacts the Soviet overtures can best be described as a half offered hand of friendship and perhaps it was less of a thaw than the end of a blizzard Nevertheless these contacts began a process which would help end the Cold War three decades later This history of relations between the Soviet Union and the United States during the Eisenhower and Khrushchev administrations explores political social and cultural exchanges and assesses their impact upon the two countries Besides diplomatic documents memoirs from Americans and Soviets and works of history it relies upon eyewitness accounts by journalists tourists and others to paint a detailed picture of the era Notes are included for each chapter and there is a bibliography and an index

Red Stars Political Aspects Of Soviet Science Fiction Introduction

In today's digital age, the availability of Red Stars Political Aspects Of Soviet Science Fiction books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Red Stars Political Aspects Of Soviet Science Fiction books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Red Stars Political Aspects Of Soviet Science Fiction books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Red Stars Political Aspects Of Soviet Science Fiction versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Red Stars Political Aspects Of Soviet Science Fiction books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Red Stars Political Aspects Of Soviet Science Fiction books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded.

Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Red Stars Political Aspects Of Soviet Science Fiction books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Red Stars Political Aspects Of Soviet Science Fiction books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Red Stars Political Aspects Of Soviet Science Fiction books and manuals for download and embark on your journey of knowledge?

FAQs About Red Stars Political Aspects Of Soviet Science Fiction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
