that echoes in the stillness He retraces his path to the workers compound behind the house As he reaches for his latch he turns and looks toward the arbor one last time She will come soon emerging from the shadows to enter the house her blue silk gown whispering across the parquet floors as her soft laughter floats through the rooms where she once played as a child The old man nods and closes his door for the night leaving young Desiree to her benign haunting until the sun rises upon the land once more **Household Journal of Popular Information, Amusement and Domestic Economy** ,1861
