Returning A Collection Of Tales:

The Cambridge Guide to Women's Writing in English Lorna Sage, 1999-09-30 This Guide aims to consolidate and epitomise the re-reading of women's writing that has gone on in the last twenty-five years. This is an opportunity for stock-taking a timely project when so much writing has been rediscovered, reclaimed and republished. There are entries on writers on individual texts and on general terms, genres and movements, all printed in a single alphabetical sequence. The earliest written documents in medieval English, the visionary writings of Julian of Norwich and Margery Kempe, are covered in an historical and geographical sweep that takes us up to the present day. The book reflects the spread of literacy, the history of colonisation and the development of post-colonial cultures, using and changing the English language. The entries are written by contributors from all the countries covered. The result is a work of reference with a unique feeling for the vitality, wealth and diversity of women's writing.

Return of the Native Thomas Hardy, 2024-11-24 The Return of the Native is English author Thomas Hardy's sixth published novel. It first appeared in the magazine *Belgravia*, a publication known for its sensationalism, and was presented in twelve monthly instalments in 1878. Because of the novel's controversial themes, Hardy had some difficulty finding a publisher; reviews, however, though somewhat mixed, were generally positive. In the twentieth century, *The Return of the Native* became one of Hardy's most popular novels. The novel takes place entirely in the environs of Egdon Heath, and with the exception of the epilogue, *Aftercourses*, covers exactly a year and a day. Like all of Hardy's work, *The Return of the Native* is passionate and controversial, with themes and sympathies beyond what a good Victorian would ever admit. A modern and honest novel of chance and choice, faith and infidelities, this dark story asks what is free will and what is fate. What is the true nature of nature, and how do we fit together? Can we fit together? A tragedy set in the barren land of Egdon Heath. Our heroine, Eustacia, is proud, passionate, cruel, fickle, avaricious, and desperate. She burns every life she touches; never able to find the mad love and exotic world she dreams of. Our supposed hero, Clym, is modest, steady, plain, moral, and dutiful. He is satisfied returning from Paris to the simple comfort of home. Originally released as five books in classic tragic form, a sixth tacking on a happy ending was added by editor and public pressure.
