Returnings Life After Death Experiences A Christian View:

Returnings John Aurelio, 1997-03 There is an abundance of insight into the Christian faith in this very brief book Returnings is a luminous work that speaks with integrity and creativity to our sense of anticipation and mystery in the face of life after death Values and Visions **Spiritual Advice for Buddhists and Christians** Dalai Lama XIV Bstan-'dzin-rgya-mtsho, 1998-06-01 In the words of the Dalai Lama the purpose of religion is not to build churches and elaborate temples but to cultivate positive human qualities such as tolerance generosity and love This text contains the four talks given by the Dalai Lama when he attended a meeting of Buddhist and Christian monks at Gethsemani Abbey Kentucky The Dalai Lama shares his understanding of four major themes explored in the meeting the practice of prayer and meditation in the spiritual life the stages in the process of spiritual development the role of the teacher and the community in the spiritual life and the spiritual goals of personal and societal transformation In each talk the Dalai Lama expresses the basic principles of Tibetan Buddhism and shows how they are applicable to daily practice for all spiritual seekers regardless of their religious affiliation What Really Happens After We Die: A Christian Perspective Margaret Light, 2025-03-28 What Really Happens After We Die A Christian Perspective explores the profound truths of life after death from a biblical standpoint This thought provoking journey delves into key Christian beliefs about the afterlife including the resurrection eternal life and the final judgment It examines the comfort and hope Christians find in knowing that death is not the end but a transition to eternal life with God Through the lens of Scripture the book provides clarity on the fate of the righteous and the wicked the peace that faith brings and the call to live with an eternal perspective **Spirits, Angels, Demons, and Gods** Don Little, 2010-03 **The Mystery of Christ** Thomas Keating, 2023-01-19 Following upon Open Mind Open Heart which presents a profound formation in Christian prayer this book demonstrates the contemplative dimension of Christian worship Here Father Keating recovers the deeper sense of the liturgical year and shares a theological and mystical perspective on the major feasts of the annual cycle The reader is immersed in the wonder of faith in the mystery of Christ and of the unique nature of God's action and presence in and through the liturgy of our lives A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and

con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
