**Revelation and Divination in Ndembu Ritual** Victor Turner, 2018-05-31 Drawing on two and a half years of field work Victor Turner offers two thorough ethnographic studies of Ndembu revelatory ritual and divinatory techniques with running commentaries on symbolism by a variety of Ndembu informants Although previously published these essays have not been readily available since their appearance more than a dozen years ago Striking a personal note in a new introductory chapter Professor Turner acknowledges his indebtedness to Ndembu ritualists for alerting him to the theoretical relevance of symbolic action in understanding human societies He believes that ritual symbols like botanists stains enable us to detect and trace the movement of social processes and relationships that often lie below the level of direct observation *Revelation and Divination in Ndembu Ritual* Victor Witter Turner, 1975 Drawing on two and a half years of field work Victor Turner offers two thorough ethnographic studies of Ndembu revelatory ritual and divinatory techniques with running commentaries on symbolism by a variety of Ndembu informants Although previously published these essays have not been readily available since their appearance more than a dozen years ago Striking a personal note in a new introductory chapter Professor Turner acknowledges his indebtedness to Ndembu ritualists for alerting him to the theoretical relevance of symbolic action in understanding human societies He believes that ritual symbols like botanists stains enable us to detect and trace the movement of social processes and relationships that often lie below the level of direct observation *Revelation and Divination in Ndembu Ritual* Victor Turner, 1975 *Ritual Passage, Sacred Journey* Richard P. Werbner, 1989 *Theoretical Explorations in African Religion* Wim van Binsbergen, Matthew Schoffeleers, 2013-10-28 First published in 1985 This collection of papers on theoretical and methodological perspectives in the study of African religion is the outcome of a conference which the editors were asked to convene on behalf of the African Studies Centre Leiden in December 1979

**Theory in Social and Cultural Anthropology** R. Jon McGee, Richard L. Warms, 2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why In response SAGE Reference is publishing the two volume *Theory in Social and Cultural Anthropology An Encyclopedia* Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader s Guide

groups entries thematically and each entry is followed by Cross References In the electronic version the Reader s Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early times to the present Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion

**Physiognomy in Ming China: Fortune and the Body** Xing Wang,2020-03-23 In *Physiognomy in Ming China Fortune and the Body* Xing Wang investigates the intellectual and technical contexts in which the knowledge of physiognomy xiangshu was produced and transformed in Ming China 1368 1644 C E Known as a fortune telling technique via examining the human body and material objects Xing Wang shows how the construction of the physiognomic body in many Ming texts represent a unique unprecedented somatic cosmology Applying an anthropological reading to these texts and providing detailed analysis of this technique the author proves that this physiognomic cosmology in Ming China emerged as a part of a new body discourse which differs from the modern scholarly discourse on the body

**Kalonga Gawa Undi X** Walima Tuesday Kalusa,Mapopa Mtonga,2010 This study reconstructs the life history of Paramount Chief Kalonga Gawa Undi X of the Chewa speaking people of Zambia s Eastern Province Born in 1931 he played a key role in the nationalist movement in Zambia formerly Northern Rhodesia in the late 1950s and early 1960s and participated in the constitutional talks in England at the height of the struggle for political freedom Throughout his life he successfully fought to preserve the power and authority of traditional leaders thereby confounding attempts by both colonial governments and African urban elites to undermine chiefly prerogative and power With this study the author asks us to rethink the standard historical accounts of the role of traditional leaders in African independence

*Religion, Philosophy and Knowledge* Gregory W. Dawes,2016-11-07 This book offers a philosophical approach to religion that acknowledges both the diversity of religions and the many and varied dimensions of the religious life Rather than restricting itself to Christian theism it covers a wide range of religious traditions examining their beliefs in the context of the actual practice of the religious life After outlining the aims of religion the book focuses on claims to knowledge What kinds of knowledge do religions purport to offer In what idiom is it couched From what sources do devotees draw their claims to knowledge Are these sources reliable Rather than trying to settle age old questions about religious belief the book offers its readers a set of criteria with which they can make informed decisions in matters of faith

*African Voices, African Lives* Pat Caplan,2003-09-02 *African Voices African Lives* explores the world of Mohammed a swahili peasant living on Mafia Island Tanzania Through his own words some written some spoken and those of his relatives including his ex wife and one of his daughters he enables us to see the world through his eyes including the invisibile world of spirits which plays a significant role in his life This information is gathered by Pat Caplan the anthropologist over almost three decades of talking and writing to each other She acts not only as translator and editor but also as interpreter bringing in her own knowledge gathered from

field data as well as comparative material from other anthropological work. By utilising a mixture of styles narrative and life history ethnographic observation and the diary kept by Mohammed at the anthropologist's bequest *African Voices African Lives* will make an important contribution to current debates in anthropology by grappling with issues raised by personal narratives authorial authority and with reflexivity.
