

Revelation 18:1-5

- Chapter 18 continues the vision from 17 focusing on the fall of Babylon
- The emphasis is different here – it is mainly on what John heard instead of what he saw
- The entire chapter records what three different speakers tell John and us of the fall
- Revelation 17 had paralleled Old Testament prophecy, especially Daniel; Revelation 18 is different as it is more of a dirge / funeral song (Isaiah 13-14; Jeremiah 50-51; Ezekiel 26-28)
- Babylon is the capital in a physical sense and as the false religion sense – she represents both political, religious, worldly, materialistic culture
- Remember, the identification of the actual city is less important than to see that it represents something MUCH bigger than a physical location it is a complete worldly system that has gained power and given power to/by the antichrist

Revelation Paralleled:

The Antichrist and the Second Coming Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67 70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years Scripture Parallels of the Old and New Testaments Steven Echavarria, 2025-07-10 Old Testament scriptures can be difficult to understand when you first read them and I am the first to admit that I had a hard time understanding what God was trying to tell me Have you ever wondered why there is an Old and a New Testament Why not just focus on the New Testament teachings The truth is that the New Testament expands our understanding of what is taught in the Old Testament God s inspired words provided many scriptures in the Old Testament that not only created instructions to live a moral life but also provided us a historical record of his promises When you put the Old and New Testaments together you will not only be able to read God s full plan for us but you will also begin to discover that some Old Testament scriptures parallel New Testament scriptures creating an undeniable connection to God s word You will learn that there are 938 Old Testament scriptures that parallel 662 New Testament scriptures In Scripture Parallels of the Old and New Testaments I wanted to show all those connections that show God s amazing power foresight authority promises and love he has for all of us This book was written to encourage the new believer to dig deeper into the scriptures help reignite the passion of the seasoned believer and bring nonbelievers to Christ To me the Bible is so rich in information that it became my passion project and I wanted to share a simple explanation of what the scriptures were saying The illustrations are to help readers better understand the scriptures and provide visuals to accompany these amazing accounts and lessons The vision of peeling back the words to see the awesome power of God seemed fitting **Whispers in the Moonlight** Elly Kroll, Dive into Whispers in the Moonlight a riveting tale of historical intrigue and timeless romance On the serene shores of Luna Bay Sarah a passionate historian uncovers an old diary that leads her on a journey through the town s maritime mysteries revealing the tragic love story of the Leviathan s ill fated

Be Saved Stuart B. Schwartz,2008-10-01 It would seem unlikely that one could discover tolerant religious attitudes in Spain Portugal and the New World colonies during the era of the Inquisition when enforcement of Catholic orthodoxy was widespread and brutal Yet this groundbreaking book does exactly that Drawing on an enormous body of historical evidence including records of the Inquisition itself the historian Stuart Schwartz investigates the idea of religious tolerance and its evolution in the Hispanic world from 1500 to 1820 Focusing on the attitudes and beliefs of common people rather than those of intellectual elites the author finds that no small segment of the population believed in freedom of conscience and rejected the exclusive validity of the Church The book explores various sources of tolerant attitudes the challenges that the New World presented to religious orthodoxy the complex relations between popular and learned culture and many related topics The volume concludes with a discussion of the relativist ideas that were taking hold elsewhere in Europe during this era
