David Baxley, 2018-05-14 The Book of Revelation has long been thought of as a formidable and confusing work understandable to only elite bible scholars But like its very name Revelation understanding of this seemingly complex book is available to all God has even promised a special blessing to those who read it David Baxley D Min has broken down the perceived barriers and written a simple verse by verse commentary that is understandable to even beginning bible students It includes maps a chronology of end time events and wars definitions and cross references to Old Testament scriptures that point to the time of the end He also includes discussion of sections that are still not fully understood or defined with possible varying interpretations Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book It s a book of hope in the return of Jesus Christ and His perfect rule that will bring an end

to evil and injustice and believers will live with God forevermore A bible student for over 50 years and pastor for over 40 Dr David Baxley has studied and taught the Book of Revelation extensively While in the hospital recovering from a heart transplant he realized that the sequence of end time events was still not clear in his mind so he spent the next two years in intense study This book is the result of that study **Creative Bible Teaching** Lawrence O. The End of the Beginning A Bible Study on the Book of Revelation Virginia Ann Work, 2020-07-18 Is this the end of the world Recent events with the recent COVID 19 pandemic and other catastrophes that have affected the entire world signal that the end days are on our doorsteps The Judge and King Jesus Christ is standing at the door He is ready to come and shake up this world and judge sin What can we do What we should NOT do is give into fear and panic both tools of Satan There should be no room for fear in our lives when we trust the One who died for us and loves us with immeasurable love What we SHOULD do is understand what is happening and will happen in the near future according to God's Word God has graciously explained in great detail what His plan is for the world in the last days The End of the Beginning Bible Study on the book of Revelation is an in depth Bible study designed to teach the Word of God in a clear understandable way for both individual and group study Each lesson consists of information and questions to be answered from the text both essay and fill in the blank These questions will direct the student into the text and lead them to compare Scripture to Scripture to better understand it Included are 4 chapters from the book of Daniel into this study because Daniel lays a foundation to understand the truths in the book of Revelation This study takes the literal view of Scripture unless the passage clearly states it is a figure of speech I believe in a literal pre tribulation rapture of the church a literal 7 year Great Tribulation with a world dictator called the Antichrist and a literal kingdom age where Christ will rule the world from Jerusalem for 1 000 years The Bible must be taken literally to be understood as God meant it to be and it must be studied diligently and correctly In this study you will compare Scripture to Scripture read the passage in its context and discover the Greek meanings of the words used You will learn the customs of the day in which it was written You will be

encouraged to memorize a verse or two of Scripture with each lesson The book of Revelation is told from God s perspective You will be caught up with John to the third heaven and witness the incredible and awesome things God does in these last days Having gained a better understanding of what will happen next you will find hope and peace about God being in control of world events and you will experience joy in your daily walk as you grow in grace and in the knowledge of our Lord and Savior Jesus Christ My prayer is that this Bible study will lead to a deeper passion for God and for His Word and that passion will motivate many to share with those who are lost the hope we have in Christ Jesus What people are saying about the study I loved the thorough research into the passage the questions that caused us to dig deeper and how the study taught me to compare the text with other passages of Scripture to provide clarity Learning the Greek meaning behind the English words was special to me I appreciated the historical background that the study provided and the personal applications I learned so much from this study that I intend to teach others in my church Kathy The lessons were well thought out and well prepared I have confidence in Virginia s knowledge of the Bible She patiently taught helped me understand the Bible better Lois It was a very in depth study and I learned a lot Donna
