Frederick Douglass and the Fourth of July James A. Colaiaco, 2015-03-24 A critical evaluation of the address the preeminent African American abolitionist and orator gave in observance of Independence Day On July 5th 1852 Frederick Douglass one of the greatest orators of all time delivered what was arguably the century's most powerful abolition speech At a time of year where American freedom is celebrated across the nation Douglass eloquently summoned the country to resolve the contradiction between slavery and the founding principles of our country In this book James A Colaiaco vividly recreates the turbulent historical context of Douglass speech and delivers a colorful portrait of the country in the tumultuous years leading to the Civil War Now including a reader's guide with discussion points this book provides a fascinating new perspective on a critical time in American history Praise for Frederick Douglass and the Fourth of July If you're feeling blasé about this year's observance of our oldest patriotic holiday James A Colaiaco's Frederick Douglass and the Fourth of July should stir you out of complacency What makes it essential reading is its deepening of one's appreciation for how the color blind malleable Constitution is a tissue of ambiguity and compromises The Wall Street Journal Colaiaco provides the most complete exposition yet of Douglass's constitutional abolitionism He performs a vital service in reviving the moral spirit of America's greatest exemplar of black manhood Claremont Review of Books Colaiaco's examination of this long forgotten masterpiece is long overdue and superbly realized Harold Holzer author of Lincoln at Cooper Union co-chairman U S Lincoln Bicentennial Commission **Neo-Passing** Mollie Godfrey, Vershawn Young, 2018-02-21 African Americans once passed as whites to escape the pains of racism Today's neo passing has pushed the old idea of passing in extraordinary new directions A white author uses an Asian pen name heterosexuals live out as gay and irony of ironies whites try to pass as black Mollie

Godfrey and Vershawn Ashanti Young present essays that explore practices performances and texts of neo passing in our supposedly postracial moment The authors move from the postracial imagery of Angry Black White Boy and the issues of sexual orientation and race in ZZ Packer s short fiction to the politics of Dave Chappelle s skits as a black President George W Bush Together the works reveal that the questions raised by neo passing questions about performing and contesting identity in relation to social norms remain as relevant today as in the past Contributors Derek Adams Christopher M Brown Martha J Cutter Marcia Alesan Dawkins Michele Elam Alisha Gaines Jennifer Glaser Allyson Hobbs Brandon J Manning Loran Marsan Lara Narcisi Eden Osucha Gayle Wald and Deborah Elizabeth Whaley

Voices from within the Veil William H. Alexander, Charles H. Ford, Cassandra L. Newby-Alexander, 2009-05-27 And then the Veil It drops as drops the night on southern seas vast sudden unanswering There is Hate behind it and Cruelty and Tears As one peers through its intricate unfathomable pattern of ancient old old design one sees blood and guilt and misunderstanding And yet it hangs there this Veil between Then and Now between Pale and Colored and Black and White between You and Me W E B DuBois Darkwater

Voices from within the Veil 1920 As the promoters of Jamestown 2007 began to speak of the accomplishment of greater diversity in the nation and to market the myth of the seamless confluence of Indian European and African traditions in the early colony many reflected not only about how the United States colonial origins were based on the entrepreneurial ambitions of English settlers the conquest and degradation of native populations and the subsequent uprooting and enslavement of untold numbers of Africans but also about how the more recent legacy of decades of discrimination and marginalization continue to shape our world today Despite the assimilation acculturation and dehumanization that have occurred in the Americas African Americans have continued to refashion their cultures to fit their own social needs and aesthetic preferences

Introduction **Voices from within the Veil** explores the 400 year prelude to the inclusion of African Americans in the commemoration of this nation s origins With innovative approaches and pioneering research these essays address both the conditions of African Americans marginalization and some of the paths toward their empowerment marronage the Underground Railroad social organization and massive protest movements among others

World Myth or History? J.G. Cheock, 2017-10-02 World myth deciphered and organized into a coherent story of our past It is almost impossible to read world mythology without noticing common threads and patterns that seem to paint a bigger picture A story told by our ancient ancestors for future generations to remember and learn What if the eyewitnesses to past events were taken seriously What if we listen to their stories with unbiased ears free of assumptions What if their stories were backed up by scientific discoveries What if the myths can explain the mysteries

Projections of Passing N. Megan Kelley, 2016-04-04 A key concern in postwar America was who s passing for whom Analyzing representations of passing in Hollywood films reveals changing cultural ideas about authenticity and identity in a country reeling from a hot war and moving towards a cold one After World War II passing became an important theme in Hollywood movies one that lasted

throughout the long 1950s as it became a metaphor to express postwar anxiety. The potent imagined fear of passing linked the language and anxieties of identity to other postwar concerns including cultural obsessions about threats from within. Passing created an epistemological conundrum that threatened to destabilize all forms of identity not just the longstanding American color line separating white and black. In the imaginative fears of postwar America, identity was under siege on all fronts. Not only were there blacks passing as whites but women were passing as men, gays passing as straight, communists passing as good Americans, Jews passing as gentiles, and even aliens passing as humans and vice versa. Fears about communist infiltration, invasion by aliens, collapsing gender and sexual categories, racial ambiguity, and miscegenation made their way into films that featured narratives about passing. N. Megan Kelley shows that these films transcend genre, discussing *Gentleman's Agreement*, *Home of the Brave*, *Pinky*, *Island in the Sun*, *My Son John*, *Invasion of the Body Snatchers*, *I Married a Monster from Outer Space*, *Rebel without a Cause*, *Vertigo*, *All about Eve*, and *Johnny Guitar* among others. Representations of passing enabled Americans to express anxieties about who they were and who they imagined their neighbors to be. By showing how pervasive the anxiety about passing was and how it extended to virtually every facet of identity, *Projections of Passing* broadens the literature on passing in a fundamental way. It also opens up important counter narratives about postwar America and how the language of identity developed in this critical period of American history.

Modernism and the Materiality of Texts Eyal Amiran, 2016-07-27. This book argues that elements of modernist texts that are meaningless in themselves are motivated by their authors' psychic crises.
