War of No Pity Christopher Herbert, 2021-07-13 On May 11 1857 Hindu and Muslim sepoys massacred British residents and native Christians in Delhi setting off both the whirlwind of similar violence that engulfed Bengal in the following months and an answering wave of rhetorical violence in Britain where the uprising against British rule in India was often portrayed as a clash of civilization and barbarity demanding merciless retribution Although by twentieth century standards the number of victims was small the Victorian public saw the Indian Mutiny of 1857 59 as an epochal event In this provocative book Christopher Herbert seeks to discover why He offers a view of this episode and of Victorian imperialist culture more generally sharply at odds with the standard formulations of postcolonial scholarship Drawing on a wealth of largely overlooked and often mesmerizing nineteenth century texts including memoirs histories letters works of journalism and novels War of No Pity shows that the startling ferocity of the conflict in India provoked a crisis of national conscience and a series of searing if often painfully ambivalent condemnations of British actions in India both prior to and during the war Bringing to light the dissident disillusioned antipatriotic strain of Victorian mutiny writing Herbert locates in it key forerunners of modern day antiwar literature and the modern critique of racism
