USMLE All USMLE exams are tricky and test how well you have understood the concept Medicine is like a never ending encyclopedia It is almost impossible to remember everything but we still have to remember a tremendous amount of information For the USMLE exam we all read many different materials but at the end we can't go through all of them efficiently and that's why we all need a quick review notes which contain all the information we need for these tests The reason for making these notes is to simplify everything in an easy to remember way and cover all high yield topics that are most likely to be on the real exam so we can quickly review them at last minute You will be able to answer more than 70% of questions on the real exam from these notes In USMLE exams we usually get a definite idea after reading a question that these 3 out of 5 are wrong choices and we always stuck with two choices in deciding which one is the correct answer That's why I have pointed out CLUES in BOLD to identify right choices I have written these notes in such a way that we can easily remember and understand high yield concepts we don't get confuse on the test These notes have helped me achieved a score of 99 on USMLE Step 1 I was getting score of 90 on all 4 NBME practice tests but after I went through these notes carefully my score went from 90 to 99 on USMLE step 1 exam Read Remember and Revise high yield topics to get a good score on your test GOOD LUCK

Step-up Samir Mehta, Edmund A. Milder, Adam J.
