Review of Maritime Transport. 1995 ,1996 **Review of Maritime Transport. 1995** ,1996 *Maritime Economics* Martin Stopford,1997 Now in its second edition Maritime Economics provides a valuable introduction to the organisation and workings of the global shipping industry It is an excellent and up to date treatment of shipping as an economic activity

Developments in Maritime Transport and Logistics in Turkey Mahmut Celal Barla,Osman Kamil Sag,Michael Roe,Richard Gray,2017-07-05 This edited collection brings together industrialists actively involved in the shipping trade with an interdisciplinary team of academics from the region to provide a unique broad perspective on the industry as a whole

A Handbook of Transport Economics André de Palma,Robin Lindsey,Emile Quinet,Roger Vickerman,2011-01-01 This Handbook is a stellar compilation of up to date knowledge about the important topics in transport economics Authors include the very best in the field and they cover the most important topics for today s research and policy applications Individual chapters contain sound readable well referenced explanations of each topic s history and current status I cannot think of a better place to start for anyone wanting to become current in the field or in any of its parts Kenneth Small University of California Irvine US Bringing together insights and perspectives from close to 70 of the world s leading experts in the field this timely Handbook provides an up to date guide to the most recent and state of the art advances in transport economics The comprehensive coverage includes topics such as the relationship between transport and the spatial economy recent advances in travel demand analysis the external costs of transport investment appraisal pricing equity issues competition and regulation the role of public private partnerships and the development of policy in local bus services rail air and maritime transport This Handbook is designed both for use on postgraduate and advanced undergraduate courses and as a reference for anyone working in the field It also complements the textbook Principles of Transport Economics Strategies for Asia-Pacific Shipping Jeff Hawkins,Richard Gray,2019-07-30 This title was first published in 2000 This text focuses on one geographical and economical area the Asia Pacific region on one type of decision makers commercial shipowners and on one type of business strategy corporate level strategy to show economic change and how organizations manage that change This book discusses the challenges that shipowners face to take advantage of that growth It also looks at the lack of information on strategic decision making that could assist the shipowners in taking advantage of the economic situation The chapters cover the types of business strategies available and how to select the criteria for selecting one of those strategies *The Common EU Maritime Transport Policy* Athanasios A. Pallis,2017-05-15 During the 1990s there were two major developments to the Common EU Maritime Transport Policy CMTP the establishment of European Union policies on safe seas and on shortsea shipping respectively This book critically analyzes and appraises these and other developments to the CMTP in this period while also studying policy Europeanization It focuses on both the economic environment of maritime transport and the interaction of policy makers and organized interests during the policy making process with an emphasis on the

political dimensions By developing an innovative economic model the book examines the ways in which governmental and non governmental policy makers and their ideas interact within the EU s structure and dynamics and shows how these factors account for why when and how the specific common EU policy has developed *Shipping Statistics and Market Review* ,1998 **Maritime Transport, 1995** Organisation for Economic Co-operation and Development,1997 **Greece and the Law of the Sea** Theodore C. Kariotis,2023-09-14
