Praying with the Scriptures offers opening sentences and prayers of adoration and or approach confession thanksgiving and dedication for every Sunday and almost every other special day for which The Revised Common Lectionary provides readings These prayers draw upon the rich language and imagery of the Scriptures enabling worshippers to make the words of the Bible their own in the context of corporate worship Written by one of the leading authors of modern worship material in the Reformed tradition this collection of prayers provides an invaluable resource for leaders of worship in churches using the RCL **Prayers for the Seasons of God's People** B. David Hostetter,1998 Pastors and worship leaders know that one encounters God through the reading of Scripture in worship They sometimes have difficulty however in integrating the day s readings from the lectionary with the other elements of worship While worshippers usually meet the biblical text face to face in the sermon David Hostetter believes that it would be better if they were attuned to hear the Word throughout the whole of worship This book will help pastors and other leaders weave the themes of the day s lessons throughout the worship service Entries for each Sunday of the three year cycle of the Revised Common Lectionary include Call to Worship Invocation Prayer of Confession and Declaration of Pardon Prayer of the Day Prayer of Thanksgiving Prayer of Dedication Offertory Prayer Prayer of Intercession and Commemoration One sentence introductions to each of the lessons **Invocations and Benedictions for the Revised Common Lectionary** John Drescher,2011-07-01 Invocations and Benedictions for the Revised Common Lectionary is an ideal resource for worship leaders and planners Materials related to the full three year cycle of the Revised Common Lectionary are included in this one resource making it an excellent addition to an existing library of lectionary resources Invocations and Benedictions for the Revised Common Lectionary supplies one invocation and one benediction for each Sunday of years A B and C of the lectionary In addition worship material for 14 special occasions and seasonal celebrations is included A scripture index provides assistance with locating invocations and benedictions related to specific biblical passages *The Revised Common Lectionary Consultation On Common Texts*,2012-09-10 This edition includes the definitive list of RCL citations together with a new comprehensive introduction and notes to the reading sets illuminating the origin and development of the lectionary that is explored weekly by thousands of preachers worship leaders and students of scripture
