Revising Fiction A Handbook For Writers:

Revising Fiction David Madden, 1988 From Big Idea to Book Jessie L. Kwak, 2022-04-12 Want to write a book Half the battle is finding a practice that works for you Successful author and creativity expert Jessie Kwak is here to help you do just that and have fun doing it In her view every part of the process is important idea generation development research planning drafting revising and publication and are all covered here in friendly accessible detail As in her previous book *From Chaos to Creativity* Kwak helps you set up a system that makes the most of your creative ideas and helps them find their best form and their audience Fiction and nonfiction writers alike can use this book as a muse a checklist and a resource for getting your ideas out of your head and into the world With a foreword by Charlie Gilkey author of *Start Finishing*

Southern Writers Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of *Southern Writers* assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners *Southern Writers* is an indispensable reference book for anyone intrigued by the subject *The Writer's Quotebook* Jim Fisher, 2006 If you have ever stared a page that remains stubbornly blank if you have ever wondered why writers write or whether good writers are born or made if you are a novelist playwright poet or journalist or simply delight in the written word *The Writer's Quotebook* is for you Whether you keep it in your office on your coffee table next to your keyboard or your bed this rich compendium of over one thousand quotations will inspire invigorate and illuminate the often challenging sometimes humorous but always fascinating task of those who bring words to life From William Faulkner and Ernest Hemingway to Doris Lessing and Joyce Carol Oates more than five hundred published writers put pen to paper on what the literary life is all about Selections come from seasoned professionals as well as those just establishing their voice and they represent a variety of nationalities and genres The book is divided into three sections The first part is devoted to the creative process including thoughts on where writers get their ideas the role of inspiration what kind of people write and where talent comes from In part two the subject shifts to writing as a craft Here authors ponder the

creation of protagonists and points of view the writing of dialogue setting and description creating plots and the anatomy of style The final third of the book deals with the challenges and rewards that come with the writing life Subjects in this section include the economic realities of writing classes conferences and workshops dealing with rejection and bad reviews writing habits and rituals despair alcohol suicide and fame Articulated with elegant metaphor in straightforward prose or with wry wit the carefully selected and thoughtfully organized quotations come together to form a narrative that entertains informs and in the case of aspiring writers shows the way to better writing

A Primer of the Novel David Madden, Charles Bane, Sean M. Flory, 2006-06-22 When the first edition of David Madden's *A Primer of the Novel* For Readers and Writers was published more than twenty five years ago there were no other books of its kind available Since then many authors and editors have produced works that attempt the same comprehensive coverage of the genre However these works tend to be either written solely for writers or solely for readers More often than not those written for readers tend to be aimed at advanced students or critics of the novel In this revised edition David Madden Charles Bane and Sean Flory have produced an updated work that is intended for a general readership including writers teachers and students who are just being introduced to the genre This unique handbook provides a definition and history of the novel a description of early narratives and a discussion of critical approaches to this literary form *A Primer of the Novel* also identifies terms definitions commentary and examples in the form of quotations for almost 50 types of novels and 15 artistic techniques A chronology of narrative in general and of the novel in particular from 850 B C to the present is also included along with indexes to authors titles novel types and techniques as well as a selective bibliography of criticism Although all novel types present in the first edition are still represented many have become more clearly defined This revised edition also cites several types of novels that did not appear in the first edition such as the graphic novel and the novel of Magical Realism As well as keeping all of the original examples from representative texts the authors have added new examples of more recent works While this book was conceived for a general audience it will be a valuable resource for students teachers and libraries It may be used in any English literature courses at any level including graduate and is suited for creative writing courses as well With its clear and immediately accessible features this handbo

David Madden Randy Hendricks, James A. Perkins, 2006 For four decades Knoxville Tennessee native David Madden has been writing compelling bestsellers such as *Bijou* and *The Suicide's Wife* as well as highly respected literary novels such as *Sharpshooter* David Madden *A Writer for All Genres* is the first full length critical work devoted to the whole of Madden's oeuvre and collectively the essays make the case that the attention paid to Madden's novels has overshadowed his innovative work as a critic poet short story writer and dramatist Madden is indeed a writer for all genres poetry fiction drama and criticism David Madden *A Writer for all Genres* will introduce a new generation of readers to an important and multitalented writer and begin a well deserved serious discussion of his place in the American literary tradition

Fiction Writing Master Class William Cane, 2015-02-18 Want to find your voice Learn from the best In

your development as a writer you've likely been told to develop your own unique writing style as if it were as simple as pulling it out of thin air. But finding your voice isn't easy; it requires time, practice, and a thorough understanding of how great fiction is written. Fiction Writing Master Class analyzes the writing styles of twenty-one superior novelists including Charles Dickens, Edith Wharton, Franz Kafka, Flannery O'Connor, Ray Bradbury, and many others. This fascinating and insightful guide mines the writing secrets of these exceptional authors and shows you how to use them to develop a writing style that stands out in a crowd. You'll discover how to create characters as memorable as Herman Melville's Captain Ahab, master point of view with techniques from Fyodor Dostoevsky, pick up the pace by keeping your sentences lean like Ernest Hemingway, incorporate sensual details like James Bond creator Ian Fleming, add suspense to your story by following the lead of horror master Stephen King. And that's not all. Fiction Writing Master Class is your key to understanding and implementing the proven techniques of history's greatest authors, taking your writing to a whole new level of excellence in the process.

Freefall into Fiction Barbara Turner-Vesselago, 2016-11-21. Barbara Turner Vesselago's first book, *Writing Without a Parachute*, showed writers how to fall in love with writing. This new book builds on this experience and encourages writers to pursue their work with intention and without inhibition. *Freefall into Fiction: Finding Form* is designed to help writers step by step to create publishable short stories, novels, and memoirs by finding their own unique balance between the exploration offered by *Freefall Writing* and the requirements of each particular genre. This book penetrates deep inside the writing process where that balancing act takes place.

James Agee in Context Michael A. Lofaro, 2023-01-17. It's difficult to overestimate the impact of the many new works by James Agee uncovered and published in the last twenty years. These previously unknown primary works have in turn encouraged a parallel explosion of critical evaluation and reevaluation by scholars, to which *James Agee in Context* is the latest contribution. This superb collection from well-known James Agee scholars features myriad approaches and contexts for understanding the author's fiction, poetry, journalism, and screenwriting. The essays bring the reader from the streets of James Agee's New York to travel with the author from Alabama to Hollywood to Havana. Contributors explore overlapping and sometimes unique subjects, themes, and accomplishments or lack thereof in Agee's uncovered works and highlight the diversity of interest that Agee's complete body of work inspires. The insightful scholarship on influence examines connections between Agee and Wright Morris, Helen Levitt, John Dos Passos, Ernest Hemingway, and Stephen Crane. Such juxtapositions serve to illustrate how Agee drew on literary influences as a young man, how he used his work as a journalist to craft fiction as he was about to turn thirty, and his influence upon others. The volume concludes with three poems and a short story by Agee, all previously unknown. It seems astonishing that so much remains to be discovered about this protean author, his materials, and his circle. Yet the recovery and analysis of neglected texts and information mined from newspapers and magazines proves the extent to which Agee kept his mind and his work as he himself put it, patiently concentrated upon the essential quietudes of the human soul.
