Revisioning The Past Prospects In Historical Theology:

Revisioning the Past Mary Potter Engel, Walter E. Wyman, 1992 Probes various proposals and prospects for historical theology in light of recent scholarly trends The history of dogma has become distinct from historical theology which is less inclined to search the sources for justifications of present day doctrines The rise of social history has shifted the focus from the Great Thinkers to the lived religious experience of believers and previously neglected resources women minorities and so called heretics are being retrieved

Historical Theology Gregg Allison, 2011-04-19 Historical Theology presents the key pillars of the contemporary church and the development of those doctrines as they evolved from the history of Christian thought Most historical theology texts follow Christian beliefs in a strict chronological manner with the classic theological loci scattered throughout various time periods movements and controversies making for good history but confusing theology This companion to the classic bestseller Systematic Theology is unique among historical theologies Gregg Allison sets out the history of Christian doctrine according to a topical chronological arrangement one theological element at a time instead of committing to a discussion of theological thought according to its historical appearance alone This method allows you to Contemplate one tenet of Christianity at a time along with its formulation in the early church through the Middle Ages Reformation and post Reformation era and into the modern period Become familiar with the primary source material of Christian history s most important contributors such as Cyprian Augustine Aquinas Luther Calvin Barth and others Understand the development of evangelical doctrine with a focus on the centrality of the gospel Discern a sense of urgent need for greater doctrinal understanding in the whole church Historical Theology is an easy to read textbook for any Christian who wants to know how the church has come to believe what it believes today Gregg Allison s clear and concise structure make this resource an ideal introduction to Christian doctrine

The Theodicy of Peter Taylor Forsyth Theng Huat Leow, 2011-11-08 The theodicy of the remarkable Scottish Congregationalist theologian Peter Taylor Forsyth has long been recognized as a vital and significant contribution to twentieth century theology Up until now however there has not been a substantial full length treatment of Forsyth s work on the problem of evil The Theodicy of Peter Taylor Forsyth fills this lacuna by setting out in a fairly systematic and comprehensive manner Forsyth s justification of God in the face of evil In so doing it also illuminates several other related areas of his thought such as his epistemology and Christology as well as his understanding of sin the atonement providence divine passibility human origins and the God world relationship Bringing Forsyth s approach to the subject into conversation with other prominent thinkers like Leibniz Dostoyevsky Camus Moltmann Hick Bauckham and Fiddes this book also suggests ways in which Forsyth s justification of God contributes to the current state of Christian theodicy It highlights Forsyth s ability to integrate insights from different approaches even those that have hitherto generally been considered diametrically opposed notions Forsyth s theodicy therefore presents an integrative approach to the topic with every theme flowing from and returning to a clear center the cross of Christ As the book also makes clear Forsyth considers theodicy to be an immensely practical discipline with significant implications for human life In every sense therefore it constitutes a crucial justification of the ways of God to humanity

Women and Redemption Rosemary Radford Ruether, 2011-09 Rosemary Radford Ruether s authoritative award winning critique of women s unequal standing in the church which explored the complex history of redemption in evaluating conflict over the fundamental meaning of the Christian gospel for gender relations is now in an updated and expanded edition Ruether highlights women theologians work to challenge the patriarchal paradigm of historical theology and to present redemption linked to the liberation of women Ruether turns her attention to the situation of women globally and how the growing plurality of women s voices from multicultural and multireligious contexts articulates feminist liberation theology today Publisher description

Ritschl in Retrospect Darrell Jodock, 2020-08-31 Albrecht Ritschl 1822 1889 looms large in the second half of the nineteenth century He redirected theology from speculative idealism toward a more concrete historical apprehension of the Bible the church and Christian life Ritschl in Retrospect reassesses Ritschl s rich legacy and current import especially on such still pertinent topics as his attempt to reinvigorate the Reformation tradition his reflections on the communal dimensions of church his recognition of the centrality of the kingdom of God his community based Christocentric reading of the Bible his criticisms of classical theism and his thoughts on religion and science Joining Darrell Jodock in this reassessment are the following leading historians and theologians William R Barnett Clive Marsh Richard P Busse Hans Schwarz David W Lotz Rich M Wall Jr Gerald W McCulloh Claude Welch

Christian Faith B. A. Gerrish, 2015-08-24 At the beginning of *Christian Faith* B A Gerrish reminds us that dogmatics involves critical transmission of the Christian heritage The dogmatic theologian must interpret and assess the

traditional beliefs of the church while also considering the new and changing conditions in which that tradition is being embodied With that Gerrish goes on to outline the various presuppositions and affirmations of the Christian faith before ultimately offering a powerful and compelling restatement of Christian faith for the twenty first century As part of his framework Gerrish includes a critical comparison of Calvin s Institutes of the Christian Religion and Schleiermacher s Christian Faith while still paying close attention to the great cloud of theological witnesses from across the spectrum of Christian traditions Gerrish s book provides a robust and penetrating revisioning of Christian theology one that is thoroughly grounded in the classical traditions of the church

Introducing Redemption in Christian Feminism Rosemary Radford Ruether, 1998-01-01 Christianity begins with what appears to be an inclusive promise of redemption in Christ without regard to gender Paul proclaimed that In Christ there is no more male and female Yet Christianity soon developed a patriarchal social structure excluding women from public ministry with the argument that women were created subordinate in nature and were more culpable for sin Here distinguished feminist theologian Rosemary Ruether traces the tension between patriarchal and egalitarian patterns in Christian theology historically She then examines key theological themes Christology the self the cross and future hope in the light of her critique

John Calvin, Myth and Reality Amy N. Burnett, 2011-05-11 The chapters in this volume were originally presented as papers at the 2009 colloquium of the Calvin Studies Society held to mark the five hundredth anniversary of John Calvin s birth They offer a fresh evaluation of Calvin s ideas and achievements and describe how others from his contemporaries to the present have responded to or built upon the Calvinist heritage This book dispels popular misperceptions about Calvin and Calvinism allowing readers to make a more accurate assessment of Calvin s importance as a theologian and historical figure Contributions address areas in which Calvin s legacy has been most controversial or misunderstood such as his attitude toward women his advocacy of church discipline and his understanding of predestination These essays also give a nuanced picture of the impact of Calvinism by taking account of both the positive and negative reactions to it from the early modern period to the present Part 1 Calvin The Man and His Work Part 2 Appeal of and Responses to Calvinism Part 3 The Impact of Calvin s Ideas
