Parr, 2013-12-10 For those who declare it doesn't work here is a book that can stimulate encourage and hopefully correct the problem that many churches and pastors have declared to be the problem Many have prophesied the demise of Sunday school however in this resource Steve Parr encourages the church to utilize a tool it has used for over a hundred years to be intentionally evangelistic Fully inundated with proof that Sunday school can bring vitality to your church *Sunday School that Works* aptly charges the church with reengaging its Great Commission using the tools that it has effectively *Sunday School That Really Works, Responds, and Excels* Steve R. Parr, 2013-12-10 Product contains *Sunday School That Really Works* *Sunday School That Really Responds* and *Sunday School That Really Excels* by Steve R. Parr *A History of Florida Baptist's Sunday School* L. David Cunningham, 2005-12 **The Everychurch Guide to Growth** Elmer L. Towns, C. Peter Wagner, Thom S. Rainer, 1998-08-01 Shows churches of every size how to revive and expand their ministries breaking through barriers and growing into the future *Calvinism* Brad J. Waggoner, E. Ray Clendenen, 2008-06-01 What impact is the Calvinist non Calvinist debate having on the Southern Baptist Convention today This book holds a theological conversation between followers of Christ about issues on which they often disagree And while such controversial points of doctrine cannot be ignored neither should they put up impenetrable walls between groups that are committed to the same essential Christian beliefs *Calvinism A Southern Baptist Dialogue* brings together new presentations from noted Southern Baptists including Daniel Akin Tom Ascol David Dockery Charles Lawless and Ed Stetzer that address misperceptions stereotypes and caricatures of the debate over Reformed theology Each strives to speak the truth in love and humility while seeking clarity in the presentation of the Gospel improving the health of our churches and seeking the kingdom of Christ above all Endorsements What do we have to agree on The doctrines of what it means for us to be lost and of how we are saved could not be more important This book explores how much we can disagree over these things and still work together If you care about both evangelistic cooperation and doctrinal integrity this book is a book for you Mark Dever pastor Capitol Hill Baptist Church and president of 9Marks.org *Breakthrough* Ken Braddy, 2022-08-16 A church without discipleship is just a gathering It is an important distinction that many pastors and leaders have known for years In leading their churches well pastors have provided a trustworthy curriculum enlisted gifted teachers and have made sure to offer times for members to gather and fellowship with each other However amid all these gatherings one question kept popping up among leaders How do we know if what we are doing is working Over the years leaders have tried to answer this question with numbers If people attended these groups and seemed to enjoy the material then they must be finding

success Ken Braddy the director of Sunday school for Lifeway Christian Resources felt that there had to be a better way to measure what matters In Breakthrough Ken guides leaders to measure their groups by observing if they are discipling each other if they are caring for others in and outside of their group and if they are engaging in acts of service Breakthrough offers a new scorecard for leaders to not only track the progress of their groups but measure their success

**Rethinking the Church** James Emery White,2003-07-01 Why is it important to rethink the church Today many leaders focus on how their ministries can be run more efficiently But the foundational question according to James Emery White should be Why do we have this ministry and then Why do we do this ministry the way we do Is it effective Rethinking the Church helps pastors and lay leaders work through questions that must be answered if a church is to rethink evangelism discipleship ministry worship community and the structure of the church Break old molds check assumptions and be sensitive says White He uses the language and aims of seeker targeted churches but urges readers not to tie themselves to any model without understanding the individual purpose of their church Now thoroughly revised and expanded Rethinking the Church contains more emphasis and key material on how to move from rethinking to transition White blends biblical reflection and hands on experience and uses the early church as described in the Book of Acts as the ultimate example
