The Revival in Indonesia Kurt E. Koch,1972 *Revival in Indonesia* George W. Peters,1973 **Hinduism in Modern Indonesia** Martin Ramstedt,2005-06-28 This book provides new data and perspectives on the development of world religion in post colonial societies through an analysis of the development of Hinduism in various parts of Indonesia from the early twentieth century to the present This development has been largely driven by the religious and cultural policy of the Indonesian central government although the process began during the colonial period as an indigenous response to the introduction of modernity *The Encycloedia of Christianity, Vol. 5* Erwin Fahlbusch,Geoffrey William Bromiley,1999 Written by leading scholars from around the world the articles in this volume range from sin Sufism and terrorism to theology in the 19th and 20th centuries Vatican I and II and the virgin birth **Defending Traditional Islam in Indonesia** Syamsul Rijal,2023-12-01 Defending Traditional Islam in Indonesia examines the rise of young preachers of Arab descent habaib and their sermon groups in the region and shows how Islam and politics coexist flourish interlace and strive in Indonesia in complex pragmatic and mutually beneficial relationships The book argues that the emergence of Arab preachers in the late 1990s when traditional forms of Islamic authority came under growing challenge from a diverse array of Muslim groups and ideologies is closely tied to contestation between traditionalists and their puritanical rivals the Salafi Wahhabi Not only have the habaib featured prominently in defending traditionalism they have also used this contestation as an opportunity to build their authority and religious capital through marketisation and their ties to the Middle East The author explores the ways in which habaib promote themselves to the mostly young urban Muslim community and also analyses the use of new media and marketing strategies by habaib to attract young followers The use of merchandise utilising popular culture and group identity markers is especially salient in the preachers outreach to urban audiences In addition public staging and entertainment during preaching activities are means by which the habaib cast their Islamic preaching dakwah as the Prophet s mission and encourage their followers participation A novel socio cultural and religious study and a contribution to the growing discussion on new media market and religion this book will be of interest to anthropologists social scientists and area studies scholars interested in Indonesia Southeast Asia and Islamic studies **Revival Follows Revolution in Indonesia** Andrew Gih,1973 **Revival Follows Revolution in Indonesia** Andrew Gih,1973 An Introduction to Pentecostalism Allan Anderson,2004-05-13 Global Pentecostalism and Charismatic Christianity in all its diversity is the fastest expanding religious movement in the world today Allan Anderson a former Pentecostal minister and a leading authority on global Pentecostalism aims to make more visible the non western nature of Pentecostalism without overlooking the importance of the movement emanating from North America Offering an innovative interpretation of Pentecostalism he takes seriously the contributions of the Majority World to its development and concentrating on its history and theology reflects on the movement s development and significance throughout the world Anderson also examines those

theological issues that helped form a distinctive spirituality and how this relates to different peoples and their cultures Finally Anderson discusses the development of Pentecostal and Charismatic Christianity in the different countries from its origins at the beginning of the twentieth century to its theological emphases in the present together with the impact of the processes of globalization

Traditional Communities in Indonesia Lilis Mulyani, 2022-08-26 This book explores the ambiguous legal status of traditional adat communities in Indonesia and their informal traditional rights to communal ulayat land It discusses the lack of recognition of adat communities and their legal rights in the Indonesian constitution surveys legal consideration of informal legal rights both in Indonesia and elsewhere and examines how thinking about these issues has evolved over time in Indonesia It provides an in depth study of the ways that government policies on adat communities are developed changed and implemented and how different actors give meaning to these policies particularly government bodies with authority to manage land and forests which exercise discretion as to the operational implementation of ideas about adat groups as legal persons and ulayat land rights as land title thus enabling their exploitation by government and business The book highlights how these issues are becoming more pressing as problems relating to legal personhood and rights to traditional customary land are increasingly giving rise to violent conflict dispossession and marginalisation It also demonstrates how adat communities can take action and are doing so to protect their legal positions
