Revival In The City The Impact Of American Revivalists In Canada 1884 1914:

Revival in the City Eric R. Crouse, 2005-09-23 From the 1880s to the outset of World War I the best known American evangelists held hundreds of revival meetings in cities across Canada Over a million and a half Canadians gathered in churches roller rinks halls theatres factories and even saloons to hear the likes of D L Moody Sam Jones Sam Small Reuben Torrey and J Wilbur Chapman preach a particular brand of American revivalism While at first these meetings were as successful in Canada as they were in the US by the second decade of the twentieth century the support of Canadian Protestant leaders for revivalism had diminished The American evangelists inspired their largely working class listeners by talk of personal salvation but Eric Crouse argues in an increasingly secular climate this inspiration did not lead them to become church members The Canadian church leadership thus came to see the revival experience as costly and ineffective

The Routledge Research Companion to the History of Evangelicalism Andrew Atherstone, David Ceri Jones, 2018-07-11 Evangelicalism an inter denominational religious movement that has grown to become one of the most pervasive expressions of world Christianity in the early twenty first century had its origins in the religious revivals led by George Whitefield John Wesley and Jonathan Edwards in the middle decades of the eighteenth century With its stress on the Bible the cross of Christ conversion and the urgency of mission it quickly spread throughout the Atlantic world and then became a global phenomenon Over the past three decades evangelicalism has become the focus of considerable historical research This research companion brings together a team of leading scholars writing broad ranging chapters on key themes in the history of evangelicalism It provides an authoritative and state of the art review of current scholarship and maps the territory for future research Primary attention is paid to English speaking evangelicalism but the volume is transnational in its scope Arranged thematically chapters assess evangelicalism and the Bible the atonement spirituality revivals and revivalism worldwide mission in the Atlantic North and the Global South eschatology race gender culture and the arts money and business interactions with Roman Catholicism Eastern Christianity and Islam and globalization It demonstrates evangelicalism s multiple and contested identities in different ages and contexts The historical and thematic approach of this research companion makes it an invaluable resource for scholars and students alike worldwide

Christian Churches and Their Peoples, 1840-1965 Nancy Christie, Michael Gauvreau, 2010-12-15 Religious institutions values and identities are fundamental to understanding the lived experiences of Canadians in the nineteenth and early twentieth century Christian Churches and Their Peoples an inter denominational study considers how Christian churches influenced the social and cultural development of Canadian society across regional and linguistic lines By shifting their focus beyond the internal dynamics of institutions Nancy Christie and Michael Gauvreau address broad social issues such as the ways in which religion is linked to changing mores the key role of laypeople in shaping churches and the ways in which First Nations peoples both appropriated and resisted missionary teachings With an important analysis of popular religious ideas and practices Christian Churches and

Their Peoples demonstrates that the cultural authority and regulatory practices of religious institutions both affirmed and opposed the personal religious values of Canadians ultimately facilitating their elaboration of personal ethnic gender and national identities The Oxford History of Protestant Dissenting Traditions, Volume V Mark P. Hutchinson, 2018-10-18 The five volume Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration out of England It first traces organized church traditions that arose in Britain and Ireland as Dissenters distanced themselves from a state church defined by diocesan episcopacy the Book of Common Prayer the Thirty Nine Articles and Royal Supremacy but then follows those traditions as they spread beyond Britain and Ireland and also analyses newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent Secondly it does the same for the doctrines church practices stances toward state and society attitudes toward Scripture and characteristic patterns of organization that also originated in earlier British and Irish dissent but that have often defined a trajectory of influence independent of ecclesiastical organizations The Oxford History of Protestant Dissenting Traditions Volume V follows the spatial cultural and intellectual changes in dissenting identity and practice in the twentieth century as these once European traditions globalized While in Europe dissent was often against the religious state dissent in a globalizing world could redefine itself against colonialism or other secular and religious monopolies The contributors trace the encounters of dissenting Protestant traditions with modernity and globalization changing imperial politics challenges to biblical denominational and pastoral authority local cultures and languages and some of the century's major themes such as race and gender new technologies and organizational change In so doing they identify a vast array of local and globalizing illustrations which will enliven conversations about the role of religion and in particular Christianity **Religion and American Politics** Mark A. Noll, Luke E. Harlow, 2007-09-13 How do religion and politics interact in America How has that relationship changed over time Why have American religious and political thought sometimes developed along a parallel course while at other times they have moved in opposite directions These are among the many important and fascinating questions addressed in this volume Originally published in 1990 as Religion and American Politics From The Colonial Period to the 1980s 4921 paperback copies sold this book offers the first comprehensive survey of the relationship between religion and politics in America It features a stellar lineup of scholars including Richard Carwardine Nathan Hatch Daniel Walker Howe George Marsden Martin Marty Harry Stout John Wilson Robert Wuthnow and Bertram Wyatt Brown Since its publication the influence of religion on American politics and therefore interest in the topic has grown exponentially For this new edition Mark Noll and new co editor Luke Harlow offer a completely new introduction and also commission several new pieces and eliminate several that are now out of date The resulting book offers a historically grounded approach to one of the most divisive issues of our time and serves a wide variety of courses in religious studies history and politics *Saving Germany* James Enns, 2017-03-01 Historians have mainly concentrated on the significance of the Marshall Plan the creation of NATO

and exports of pop culture to describe the role of North Americans in the development of West Germany after the devastation of the Second World War In *Saving Germany* James Enns brings an entirely new focus to West Germany's recovery by demonstrating how North American missionaries played a formative role in cultivating the humanitarian and spiritual conscience of postwar Germany Enns begins by categorizing the kinds of Protestant missionary agencies active in West Germany which ranged from mainline churches overseeing ecumenical humanitarian and church reconstruction projects to independent evangelical mission agencies working alongside local church groups He then identifies notable themes that contextualize the spectrum of missionary responses including the degree to which missionaries intentionally functioned as agents of Western democracy In addition to discussions of well known figures such as US evangelist Billy Graham Enns highlights the important contributions of the Janz Quartet from the Canadian prairies and Robert Kreider of the Mennonite Central Committee Tracking thirty years of transnational Christian missionary work *Saving Germany* demonstrates the significant role of North American missionary agencies in the reconstruction of Germany

Contesting Zion Adrian Ciani, 2025-08-17 The modern relationship between the Vatican and the State of Israel is rooted in a long history of hostility between Judaism and Roman Catholicism Through the centuries popes and theologians marginalized the Jewish people assigning them collective guilt for the death of Jesus Christ and claiming that the sacred territory of Palestine was the true patrimony of the Roman Catholic Church With the advent of political Zionism in the nineteenth century Catholic fears of a Jewish dominated Palestine were renewed *Contesting Zion* examines the relationship between the Vatican and the Zionist movement from the Balfour Declaration in 1917 to the first decade of Israeli statehood Adrian Ciani considers the transnational nature of Catholic responses to Zionism and the creation of Israel with a focus on the Catholic Church in the United States From the 1920s through the 1950s American Catholic leaders became crucial intermediaries between Washington and the Vatican Speaking as both loyal American citizens and devout Catholics they were uniquely positioned to articulate the Vatican's policy objectives to the American government including on the future of Palestine American Catholics were also instrumental in advocating the church's Palestine policy at the United Nations playing a central role in the Holy See's attempts to shape the twentieth century international order From the 1920s through the 1960s *Contesting Zion* argues convincingly American Catholics were at the forefront of the Vatican's efforts to sway the fate of Palestine and to influence the future of the wider region

Covenanters in Canada Eldon Hay, 2012-11-01 In *The Covenanters in Canada* Eldon Hay sheds light on a religious community often overlooked in the chronicle of Canadian history A group of religious and political dissenters who opposed the interference by the Stuart kings in the affairs of the Presbyterian Church of Scotland the Covenanter movement was small but had deep roots worthy of attention and respect This study of a resilient tradition of religious dissent reflects the value of variance in a genuinely pluralistic society The Covenanters objected to a ruler who was both the head of state and head of the church Tracing the theological and historical significance of the movement in Scotland

Ireland and the United States Hay outlines the trials tribulations and triumphs of Covenanter missionaries in the Maritimes Upper and Lower Canada and the West Despite fierce opposition from rival denominations the Covenanters ultimately survived to carve a niche for themselves and develop a precarious relationship with other denominations and secular society a relationship that remains tenacious and tenuous A comprehensive study of a minority religious movement The Covenanters in Canada is an insightful perspective on the evolving relationship between small religious movements and the majority culture

Canadian Pentecostalism Michael Wilkinson, 2009 One of the most significant transformations in twentieth century Christianity is the emergence and development of Pentecostalism The fastest growing form of Christianity with over five hundred million followers worldwide this widely diverse movement has influenced many sectors of Christianity flourishing in Africa Latin America and Asia and also affecting Canada Bringing together a previously scattered and somewhat hidden literature Canadian Pentecostalism provides the first comprehensive overview of the subject The collection is broad in focus examining classical Pentecostalism charismatic movements in the Roman Catholic and mainline Protestant traditions and neo Pentecostalism Contributing authors examine historical debates about the origins of the movement the response of Pentecostalism to institutionalization and globalization and the roles of women aboriginals and immigrants within the Canadian movement A multi disciplinary study with contributions from scholars in history sociology cultural studies theology and religious studies Canadian Pentecostalism provides an important window into the Pentecostal Charismatic movement and fills a gap in our general understanding of religion in Canada Contributors include Peter Althouse Southeastern University Peter Beyer University of Ottawa Robert K Burkinshaw Trinity Western University Michael Di Giacomo Valley Forge Christian College Bruce L Guenther Trinity Western University Randall Holm Providence College Pamela M S Holmes Th D candidate Toronto School of Theology Stephen Hunt University of the West of England Martin Mittelstadt Evangel University David Reed University of Toronto Thomas A Robinson University of Lethbridge Donald S Swenson Mount Royal College and Michael Wilkinson Trinity Western University

Religion, Ethnonationalism, and Antisemitism in the Era of the Two World Wars Kevin P. Spicer, Rebecca Carter-Chand, 2022-01-15 In the wake of the devastating First World War leaders of the victorious powers reconfigured the European continent resulting in new understandings of nation state and citizenship Religious identity symbols and practice became tools for politicians and church leaders alike to appropriate as instruments to define national belonging often to the detriment of those outside the faith tradition Religion Ethnonationalism and Antisemitism in the Era of the Two World Wars places the interaction between religion and ethnonationalism a particular articulation of nationalism based upon an imagined ethnic community at the centre of its analysis offering a new lens through which to analyze how nationalism ethnicity and race became markers of inclusion and exclusion Those who did not embrace the same ethnonationalist vision faced ostracization and persecution with Jews experiencing pervasive exclusion and violence as centuries of antisemitic Christian rhetoric intertwined with right wing

nationalist extremism The thread of antisemitism as a manifestation of ethnonationalism is woven through each of the essays along with the ways in which individuals sought to critique religious ethnonationalism and the violence it inspired With case studies from the United States France Italy Germany Finland Croatia Ukraine and Romania Religion Ethnonationalism and Antisemitism in the Era of the Two World Wars thoroughly explores the confluence of religion race ethnicity and antisemitism that led to the annihilative destruction of the Second World War and the Holocaust challenging readers to identify and confront the inherent dangers of narrowly defined ideologies

ballistic pendulum i theory college of san mateo - Jul 04 2022

web experiment 7 ballistic pendulum i theory the purpose of this experiment is to measure the velocity of a ball that is fired from a spring gun for many years police laboratories used ballistic pendulums to measure the muzzle velocities of firearms the ballistic pendulum consisted of a large block suspended by cords

ballistics lab report ballistics application of studocu - Sep 06 2022

web to obtain the velocity of a projectile using a ballistic pendulum the length of the pendulum had to be measured as well as the mass of the pendulum projectile and the pendulum swing angle there were two methods used to complete this experiment and obtain the value of the velocity

lab experiment 6 reports and answers ballistic pendulum - Aug 05 2022

web 1 introduction in the ballistic pendulum experiment a small ball is shot from a launcher into a barrel at the end of rigid arm pendulum the ball lodges itself in the barrel and they swing together up to some maximum height energy is not conserved in the completely inelastic collision but linear momentum is

pdf phy 400 lab report 3 nur aini mohamad - Jan 10 2023

web this paper presents the implementation of a physical pendulum for the physics laboratory using mainly a bar and a disc mounted on it which can be moved along this bar using implements such as a flexometer to measure the different lengths and a stopwatch to take the oscillation period of the pendulum

ballistic pendulum thomas more university - Oct 07 2022

web lab 12 ballistic pendulum experimental objectives to verify that the equations of conservation of momentum and conservation of mechanical energy give the same results as the equations of two dimensional motion by comparing the initial velocity the muzzle velocity of the ballistic projectile from two different sets of experimental measurements

ballistic pendulum lab physics - Apr 01 2022

web experimental technique 1 use foam to set up a trap to catch the projectile see image 1 2 set up the pendulum and projectile launcher with the rotary motion sensor see image 2 3 3 measure the mass of the pendulum and the projectile as well as the length of the pendulum 4 prepare data studio for the experiment 5

ballistic pendulum lab report ballistic pendulum phys 215 - Aug 17 2023

web theory a ballistic pendulum is a device that can be used to measure the speed of projectiles using both conservation of

momentum and conservation of energy it contains a swinging pendulum and a spring gun the gun shoots out the projectile ball bearing into the bob creating an inelastic collision
