Revival In The Scottish Hebrides:

The Lewis Awakening Duncan Campbell, Crossreach Publications, 2016-09-24 The island of Lewis has been the scene of a very gracious movement of the Spirit The breath of revival has been felt and communities have been conscious of the mighty impact of God This island had in days past experienced seasons of refreshing from the presence of the Lord but of late years the stream of vital Christianity appeared to be running low In our day of spiritual superficiality and anemic Christianity characterized by sin infested pulpits and indifferent pews the subject of revival is nonetheless a popular one Few who talk of it however have the faintest idea what a real moving of God is all about Impressive financial holdings ornate edifices of worship statistical proofs of success and mind boggling technological sophistications merely mask the spiritual bankruptcy within the Church as a whole today We are indeed poor in spirit The real problem is we seem completely incapable of even beginning to recognize just how spiritually poor we have become We lean to our own understanding make peace with our pet sins deem ourselves to be rich and increased with goods and in need of nothing all the while piddling piously with ideas of revival But revival can never be piddled with It is very very costly Duncan Campbell in this heart stirring message of personal and corporate revival strikes the taproot of the genuine working of God among His people Such revival is rare priceless and exceedingly costly Campbell captures the spirit of God s desire to work and carefully delineates both God s sovereign moving and man s responsibility to respond to the promptings of the Spirit of God This world has witnessed God s sovereign dealings through the humblest of men often at the darkest hours in history We remember the rebirth of Martin Luther and the Reformation that followed The Puritans obeyed God s Word with abandonment in the midst of a wicked generation The Spirit moved mightily upon the congregation of the dry preacher Jonathan Edwards and affected an entire generation The eighteenth century saw the powerfully convicting work of God s Spirit in New England the nineteenth had its great New York prayer revival and the early twentieth century heralded a phenomenal spiritual awakening in Wales The cry of our day is Where is the Lord God of Elijah The question might better be asked Where are the Elijahs of the Lord God While there is much prayer today there is little of the humility behind it that characterized the life of Duncan Campbell Here is a message by this great servant of our century It is hot with the breath of God It needs to be read and reread upon our knees until it burns its way into the hearts of the people of God and out through our lives The truth is here to kindle the flame Are we ignitable May God once again drench us with the oil of the Spirit and set us ablaze

Revival Fire, 150 Years of Revivals, Spiritual Awakenings and Moves of the Holy Spirit Mathew Backholer, 2018-02-01 Updated in 2020 Revival Fire 150 Years of Revivals features twelve of the most potent heaven sent revivals that the world has seen in the past one hundred and fifty years Including the Prayer Meeting Revival of 1857 that reverberated around the world the Azusa Street Revival that ushered in the modern Pentecostal movement the Pyongyang Great Revival where the Korean church less than a generation old swept the country the Gold Coast Revival on the west coast of Africa and the Shillong Revival in India of the twenty first

century Discover how Christians prayed the Scriptures that they pleaded the challenges faced and how they saw the blessing of God in their towns and cities as the Holy Spirit came down and convicted saints converted sinners and transformed lives unto the praise and glory of God The author makes many references to other lesser known revivals and brings facts to life through the use of detailed descriptions statistics interviews and eye witness accounts coupled with his broad and extensive knowledge of revival church history makes this book informative and a truly inspirational read Learn from the past be challenged for the present and be inspired for the future

The Believer's Authority Andrew Wommack, 2009-03-16 The controversial subject of the spiritual authority of the believer in Christ is widely discussed in the church today Now Andrew Wommack host of the 1 fastest growing ministry on television gives us a new perspective that may challenge everything we've been taught including If believers have been given authority then when how and

Revivals Visitations And Moves Of God, 2021-07-01 Revival is bringing something that is dead back to life Much of today's Church needs reviving When God comes in an unusual way releasing His presence and power over and above what a church normally experiences we call it a visitation of God Every visitation of God should become a habitation of God and become a move of God going beyond that local church into the community city and nation The move of God results in evangelization missions and the fulfilling of the Great Commission Starting in the book of Acts and down through the centuries there have been numerous visitations and moves of God We look at Church history Understanding history helps us correctly interpret the present and prepare for the future We draw inspiration insight and lessons from what God has done in the past by reviewing stories and asking relevant questions What can we learn from Church history about revivals visitations and moves of God What does it take for a visitation of God to become a move of God What are signs of a genuine visitation of God How do we steward a revival a visitation and a move of God The latter rain falls just before harvest Therefore be patient brethren until the coming of the Lord See how the farmer waits for the precious fruit of the earth waiting patiently for it until it receives the early and latter rain You also be patient Establish your hearts for the coming of the Lord is at hand James 5 7 8 In biblical context the early rains were showers that usually came during October November and prepared the ground for the seed The latter rain fell during March April and was necessary for the ripening of the crops before harvest If we believe God is preparing for a mighty endtime outpouring a great visitation and ingathering of harvest before His return then we must get ourselves and our congregations ready for the latter rain of the Holy Spirit Watch our online Sunday Church service live stream every Sunday at 10 30am Indian Time GMT 5 30 Spirit filled anointed worship Word and ministry for healing miracles
