Transforming Your Church Into a House of Prayer P. Douglas Small, 2006

Facing West David R. Swartz, 2020 In 1974 nearly 3 000 evangelicals from 150 nations met at the Lausanne Congress on World Evangelization Amidst this cosmopolitan setting and in front of the most important white evangelical leaders of the United States members of the Latin American Theological Fraternity spoke out against the American Church Fiery speeches by Ecuadorian Ren Padilla and Peruvian Samuel Escobar revealed a global weariness with what they described as an American style of coldly efficient mission wedded to myopic right leaning politics Their bold critiques electrified Christians from around the world The dramatic growth of Christianity around the world in the last century has shifted the balance of power within the faith away from the traditional strongholds of Europe and the United States to the Global South To be sure Western missionaries have carried religion abroad but the line of influence has often run the other way David R Swartz demonstrates that evangelicals in the Global South spoke frankly to American evangelicals on matters of race imperialism theology sexuality and social justice From the left they have pushed for racial egalitarianism ecumenism and more substantial development efforts From the right they have advocated for a conservative sexual ethic They forced American Christians to think more critically about their own assumptions The United States is just one node of a sprawling global network that includes Korea India Switzerland the Philippines Guatemala Uganda and Thailand Telling stories of the diverse array of evangelicals around the world Swartz shows that evangelical networks don t only extend outward but back home from the ends of the earth

Urban Conquest Dr. Mishael Carson,2025-02-16 Welcome to

Urban Conquest A 30 Day Prophetic Prayer Declaration for Taking Cities for Christ In this book you are invited on a transformative journey one that calls you to engage in the spiritual warfare and intercessory prayer necessary to reclaim our cities for the Kingdom of God Cities are much more than collections of buildings and streets they are vibrant communities cultural hubs and centers of influence that shape the lives of millions Yet beneath their bustling surface every city is a battleground where spiritual forces vie for control As believers we have been commissioned by Christ to take our cities for Him to bring His light into every dark corner to dismantle strongholds and to establish His rule over every sphere of society

Over the next 30 days this book will guide you through a series of prophetic prayer declarations designed to activate God's transformative power in your community. Each day's declaration is rooted in Scripture and inspired by the insights gleaned from works like *Urban Revival*, *God's Blueprint for Transforming Cities* and the *Spiritual Mapping Workbook*. Together these declarations form a comprehensive blueprint for spiritual warfare and urban revival, one that equips you to stand in the gap, break down barriers and usher in God's Kingdom in tangible, measurable ways. Throughout this journey you will be encouraged to Pray Boldly, Stand on the promises of God's Word and declare His truth over every aspect of your city: its government, education, economy, family, arts and media. Engage Spiritually: Recognize that cities are not only physical entities but also spiritual territories where forces of darkness have taken root. Through prophetic prayer you have the authority to dismantle these strongholds. Partner in Unity: Join with other believers in a unified intercession, knowing that when two or more agree in prayer, the heavens respond. Our collective efforts are a powerful catalyst for transformation. Walk in Victory: Embrace the victory of Jesus Christ who has overcome every obstacle. As you declare these truths, remember that you are more than a conqueror by the power of His love. Each day's declaration builds on the previous one, creating a cumulative impact that is designed not only to transform your own heart but also to ignite revival throughout your city. As you move through these 30 days, allow the Holy Spirit to guide your prayers and renew your passion for urban transformation. This is not merely a devotional exercise; it is a strategic call to action for every believer who desires to see their community reflect the glory and power of God. May this book inspire you to rise up, stand firm and boldly declare the promises of God over your city. Let your heart be filled with the vision of a transformed urban landscape, a place where the light of Christ shines brightly, where every soul experiences His redeeming love and where His Kingdom is advanced on earth as it is in heaven. Welcome to the battle. Welcome to the breakthrough. Welcome to Urban Conquest.

The Best is Yet Ahead Chuck D. Pierce, Rebecca Wagner Sytsema, 2002-02. God has a wonderful destiny for every life, but many Christians die never having accomplished all that God has for them. Pierce and Sytsema take a deeper look into why so many miss their divine calling. This book is filled with rich, fresh insight for finding God's direction in life, family and territory.
