Kaiser, Jr.,1999 With his customary scholarship and vision Dr Walter C Kaiser Jr uncovers spiritual principles inherent in the great awakenings of the Bible and shows us how to prepare the way for revival today He also includes explicit instructions on how to pray for revival how to accept the revival spirit and how to use that power for the glory of God Kaiser carefully examines 16 monumental revivals described in the Bible including those led by Moses and John the Baptist drawing inspirations and direction for the valuable lessons they teach Prepare the way for revival in your community and the world

Revival Preaching Ernest Eugene Klassen,2021-09-03 As part of his passion to bring glory to God Ernie Klassen is particularly interested in the revival of God s people and the awakening of the lost He believes strongly that God honoring Christ exalting and Spirit empowered preaching plays a critical role in revival and awakening No one models this dynamic better than Jonathan Edwards He was a pastor who was a protagonist of the First Great Awakening He thought deeply and critically about religious movements and his reflections and sermons provide valuable fodder for reflection Revival Preaching extracts the most important lessons of Edwards s writings and sermons for preaching in today s world

The Surprising Work of God Garth M. Rosell,2020-03-18 The Surprising Work of God tells the story of how America s mid twentieth century spiritual awakening became a worldwide Christian movement This seminal study brings a unique perspective to the history personalities and institutions of that period and offers an intimate look at evangelicalism through the window of the life ministry and writings of Harold John Ockenga and his long friendship with Billy Graham Ockenga was pastor of the historic Park Street Congregational Church in Boston and cofounder of Fuller Theological Seminary Gordon Conwell Theological Seminary the National Association of Evangelicals and Christianity Today As such he was a central figure in the birth and development of American neo evangelicalism This lively engaging story will be of value to anyone with an interest in the American church of the last century

Jonathan Edwards's Apologetic for the Great Awakening Robert Davis Smart,2011-06-06 In the 1740s Jonathan Edwards emerged as the New Light proponent of the claim that the Great Awakening was in the main a true work of the Spirit of God Conversely Charles Chauncy led the Old Lights in opposition by offering criticisms of the Awakening In this book Robert Davis Smart examines Edwards s defense of the revival with particular attention to Chauncy s criticisms which have often been acknowledged but not previously subjected to thorough analysis He sets forth historical and contextual factors that shaped Edwards and his generation shows how Edwards emerged as a leader of the revival from its early days and offers an updated survey of the modern attempts to interpret the Awakening theologically sociologically and historically Here is a detailed treatment of the contrasting perspectives of Edwards and Chauncy an extensive analysis of their major works regarding the revival an able assessment of the essential issues raised by the debate and an evaluation of

the significant contributions of these men Table of Contents Introduction to Edwards s Historical Context Chapter One Jonathan Edwards and the Great Awakening Chapter Two Interpretations of the Awakening Chapter Three The Distinguishing Marks and Some Thoughts Chapter Four Chauncy s Seasonable Thoughts Chapter Five Edwards s Final Response to Chauncy Conclusion The Debate and Its Legacy Shaping the Claim Marvin A. McMickle,2008-09-03 Shaping the Claim helps the preacher discover the core of the message to be preached the sermon claim In order to be effective says McMickle a sermon needs to address the hearers at three distinct levels the head or the intellect the heart or passion and conviction and the hand or an expected and desired response In order to discover the biblical claim that a sermon should make upon a particular congregation at a particular time McMickle presents a helpful three step process 1 What 2 So What and 3 Now What The book is keyed to online sermon samples and other Web based features such as sermon illustrations and art *The Old Testament Documents* Walter C. Kaiser, Jr.,2001-08-17 Are They Reliable and Relevant In this thought provoking book Walter C Kaiser Jr makes the case that the Old Testament documents are both historically reliable and personally relevant Also includes a helpful glossary of terms The Forgotten Officer Joe Kohler,2016-04-11 The Bible teaches that the church is the fullness of Christ on earth Eph 1 23 and that God is able to do abundantly beyond all that we ask or think according to the power at work within the church Eph 3 20 So why are so many people disappointed with their church experiences Why do so many outsiders view the church as irrelevant Why do so many hop from one church to the next looking for fulfillment Why are so many professing Christians seeking a form of Christian experience that no longer needs any connection with the organized church The truth is that we have collectively drifted away from Gods blueprint for growing the body of Christ up into full maturity and attaining the fullness that he designed We have inherited a leadership model that is more influenced by pagan practices pragmatism and capitalism than by the Scriptures This cultural inheritance is extremely powerful and it has resulted in a contemporary blind spot on a biblical truth of critical importance It has led to our modern failure to properly recognize and appreciate a gift given by Jesus to his bride This is the bad news The good news is that reform is possible Learn what has been forgotten and rediscover the fullness of Gods design for his church **Gate Crashers** Joe Kohler,2015-02-23 Gate Crashers The Offensive Church makes the case that God desires to work through the church to do abundantly beyond all that we ask or think according to the power that works within us not because we deserve it but for the praise honor and glory of his own name Eph 3 20 21 Although much modern experience within the ranks of the professing church would cast doubt on this the Scriptures reveal God s amazing plan and model for his church While it may be true that our present system of church has drifted away from God s perfect design the good news is that we can get back on track by submitting to his perfect will Are you ready to get onboard the Offensive Church and become a gate crasher
