

A GENERATION OF
AFRICAN AMERICANS GOES
HOME TO CHURCH

A woman in a flowing red dress is captured in a dynamic dance pose, her arms raised and one leg extended. She is set against a vibrant, golden-yellow background that resembles a sunset or a textured wall. The overall mood is one of joy and spiritual expression.

REVIVING THE SPIRIT

"A valuable and insightful
chronicle of a revolution in
the making in black churches
across America."

—*The Philadelphia Inquirer*

Reviving The Spirit A Generation Of African Americans Goes Home To Church

Marjorie Garber, Rebecca Walkowitz

Reviving The Spirit A Generation Of African Americans Goes Home To Church:

Reviving the Spirit Beverly Hall Lawrence, 1996 Looks at the social and political changes that have caused African Americans to refocus their churches as a power base and looks at the reasons for their return to the church **Reviving the Spirit** Beverly Hall Lawrence, 1997 Drawing on her own experiences and those of the parishioners of Baltimore's Bethel African Methodist Episcopal Church the author traces and celebrates the current renaissance of religious feeling among middle class blacks Reviving the Children of Nimrod A. Pinn, 2019-06-12 As Anthony Pinn argues in his latest collection humanism comes in many colors When more attention is given to issues of race as connected to other forms of oppression it is easier to see the manner in which humanism has lived and functioned within African American communities Using the biblical figure Nimrod as symbol African American Humanist Principles demonstrates African American humanists intellectual and praxis related grounding in a history of rebellion against over determined and oppressive limitations on human doing and being Pinn maintains that it is this quest for a fuller sense of being for greater existential and ontological worth that informs the basic principles of African American humanism African American Humanist Principles is one of the only books to present the inner workings of humanist principles as the foundation for humanism from the African American perspective its form and content nature and meaning **A Dream Unfinished** Eleazar S. Fernandez, Fernando F. Segovia, 2007-05-11 Theologians on the margins reflect how their experience of ethnic and racial minority has influenced their theology and how this relates to the American Dream The Dictionary of Pan-African Pentecostalism, Volume One Estrela Y. Alexander, 2018-06-22 This volume is the first in a series of volumes surveying the important names movements and institutions that have been significant in forging black renewal movements in various contexts worldwide In this volume the entries cover the more than 150 identifiable Holiness Pentecostal Charismatic Neo Pentecostal and quasi Pentecostal bodies within the United States and Canada In addition the dictionary contains entries on the important people places events and theological and secular issues that shaped these groups over their histories some of which go back more than a century This and subsequent volumes will be invaluable tools for students and scholars of the history of Pentecostalism *African American History Day by Day* Karen Juanita Carrillo, 2012-08-22 The proof of any group's importance to history is in the detail a fact made plain by this informative book's day by day documentation of the impact of African Americans on life in the United States One of the easiest ways to grasp any aspect of history is to look at it as a continuum African American History Day by Day A Reference Guide to Events provides just such an opportunity Organized in the form of a calendar this book allows readers to see the dates of famous births deaths and events that have affected the lives of African Americans and by extension of America as a whole Each day features an entry with information about an important event that occurred on that date Background on the highlighted event is provided along with a link to at least one primary source document and references to books and websites that can provide more information While there are other calendars of African American

history this one is set apart by its level of academic detail It is not only a calendar but also an easy to use reference and learning tool **One Nation Under God?** Marjorie Garber, Rebecca Walkowitz, 2013-09-13 One Nation Under God is a remarkable consideration of how religion manifests itself in America today **African American Christian Ethics** Samuel K. Roberts, 2008-09-01 In African American Christian Ethics Samuel K Roberts builds an ethic upon a Trinitarian foundation and explores scripture tradition human experience and reason as sources for such an ethic Using this framework he examines critical issues including human sexuality and family life medicine and bio ethics and the pursuit of justice

Understanding and Transforming the Black Church Anthony B. Pinn, 2010-01-01 What is the nature and purpose of the Black Church What is the relationship of the scholar of religion to the Black Church While black churches have been a major component of the religious landscape of African American communities for centuries little critical attention has been given to these questions outside an apologetic stance This book seeks to correct this trend by examining some of the major issues facing black churches in the twenty first century From a challenge to traditional ways of addressing sexism within black churches to African American Christianity's relationship to popular culture this set of reflections seeks to offer new perspectives on what it might mean to be Black and Christian in the United States Anthony Pinn's volume seeks to critically understand and sympathetically transform the Black Church Carrying on in the tradition of William R Jones Pinn's perspective on the Black Church is suspicious loving critical committed exasperating and exhilarating One may not always agree with his conclusions but one cannot ignore his penchant for ferreting out the truth This book is a passionate yet balanced argument which must be heard by anyone who is interested in the future of the black church James H Evans JR Robert K Davies Professor of Systematic Theology Colgate Rochester Crozer Divinity School Pinn is required reading in every Black Church Studies department and theological curriculum that seeks self understanding transformation and healing and an indispensable interlocutor in the broader public conversation about the American dilemma and its democratic possibilities Walter Earl Fluker Coca Cola Professor of Leadership Studies Morehouse College *The African-American Male* Jacob U. Gordon, 1999-07-30 The plight of the Black male in American society has been well documented by scholars and practitioners Although Black males represent only 6 percent of the American population they represent about 40 percent of the prison population the number of Black males in prison and jail exceeds the number of Black males in higher education The homicide rates for Black males were 72.5 percent per 100 000 nearly eight times higher than for White males This bibliographic volume explores the extent to which American academia has addressed these problems It will be an invaluable resource for researchers as well as practitioners in social service programs In addition to more than 400 annotated publications the book includes a selected list of works on the African American male and a compilation of doctoral dissertations This publication will serve as a reference in public as well as academic libraries human service agencies government policymaking agencies and in academic courses in gender and ethnic studies criminal justice and social psychology
