The Revolution in Statecraft Andrew MacKay Scott,1965 **The Meaning of the Nuclear Revolution** Robert Jervis,1989 A comprehensive analysis that thrusts Jervis into the front ranks of nuclear essayists Kirkus Reviews Robert Jervis argues here that the possibility of nuclear war has created a revolution in military strategy and international relations He examines how the potential for nuclear Armageddon has changed the meaning of war the psychology of statesmanship and the formulation of military policy by the superpowers **The Revolution in Statecraft** John C. Wahlke,1965 **The Revolution in Statecraft: Informal Penetration. Third Printing** Andrew MacKay Scott,1968 **Revolution and World Order** David Armstrong,1993-06-10 In this important study David Armstrong examines the impact of revolutionary states on the international system These states have always posed major problems for the achievement of world order revolution is often accompanied by international as well as civil conflict while revolutionary doctrines have proven to be highly disruptive of the existing structure of international politics Dr Armstrong asks whether revolutionary states are socialized into adopting acceptable patterns of international behaviour or whether it is international society that is forced to change when these new states appear He looks in detail at the French American and Russian revolutions and at several post 1945 revolutionary states he also examines the relationship between revolutionary states and the principal ordering devices of international society international law diplomacy and the balance of power His book is a major contribution to international relations and an important development and application of the international society concept *Contesting the Iranian Revolution* Pouya Alimagham,2020-03-19 Examines the last forty years of Iranian and Middle Eastern history through the prism of the Green Uprisings of 2009 *Revolution and Regeneration* Peter Charles Hoffer,2021-10-15 Revolution and Regeneration is a book about the aging of the young men of 1776 the men who came to adulthood with the American Revolution found their identity merged with the new republic they had created and grew old as the nation matured As they identified themselves with their nation s past so they used that past to judge their own lives and what they had accomplished or failed to accomplish Revolution and Regeneration is a marriage of psychohistory and intellectual history applying the principles of the psychology of maturation to a generation whose experiences were crucial to our history the generation of Adams Jefferson Hamilton and Madison Their need for identity drove them to demand independence for themselves and their communities Revolution and Regeneration tells their stories from youth to old age The Georgia Open History Library has been made possible in part by a major grant from the National Endowment for the Humanities Democracy demands wisdom Any views findings conclusions or recommendations expressed in this collection do not necessarily represent those of the National Endowment for the Humanities **The Americas in the Age of Revolution, 1750-1850** Lester D. Langley,1996-01-01 Langley examines the political and social tensions reverberating throughout British French and Spanish America pointing out the characteristics that distinguished each upheaval from the others the impact of place or location on the course of revolution the dynamics of

race and color as well as class the relation between leaders and followers the strength of counterrevolutionary movements and especially the way that militarization of society during war affected the new governments in the postrevolutionary era Langley argues that an understanding of the legacy of the revolutionary age sheds tremendous light on the political condition of the Americas today virtually every modern political issue the relationship of the state to the individual the effectiveness of government the liberal promise for progress and the persistence of color as a critical dynamic in social policy was central to the earlier period

Revolution and Democracy in Tunisia Larbi Sadiki, Layla Saleh, 2024-04-08 This book offers a novel and interdisciplinary exploration of revolution as situated protest in Tunisia Larbi Sadiki and Layla Saleh present extensive local evidence to demonstrate that popular resistance has been a mainstay of modern Tunisia before during and after colonialism Protest makes peoplehood and peoplehood makes protest neither is self contained The book explores the rich history and diversity of insurrectionary politics in Tunisia from the onset of protests in the 1960s up to the 2011 Arab Spring revolution and beyond exploring bottom up activism hirak and revolution thawrah The six protestscapes presented in the volume unions student activists the phosphate uprising the 2010 11 revolution Kamour and football ultras offer a novel way of examining partial moving snapshots that are crucial to understanding revolution They counter the prevailing narrative of revolution as leaderless a spontaneous surprise with no historical pedigree or inherited learning and depict instead an active citizenry whose collective memories are stamped by trials of anti colonial and anti dictatorial rebellion
