Schneider,2021-11-15 The Original Portrayal of Mozart s Don Giovanni offers an original reading of Mozart s and Da Ponte s opera Don Giovanni using as a lens the portrayal of the title role by its creator the baritone Luigi Bassi 1766 1825 Although Bassi was coached in the role by the composer himself his portrayal has never been studied in depth before and this book presents a large number of new sources first and second hand accounts which allows us to reconstruct his performance scene by scene The book confronts Bassi s portrayal with a study of the opera s early German reception and performance history demonstrating how Don Giovanni as we know it today was not only created by Mozart Da Ponte and Luigi Bassi but also by the early German adapters translators critics and performers who turned the title character into the arrogant and violent villain we still encounter in most of today s stage productions Incorporating discussion of dramaturgical thinking of the late Enlightenment and the difficult moral problems that the opera raises this is an important study for scholars and
