Wilson,2021-04-29 Harder Keep going don t stop Yeah you like that baby As forced as it sounds when you read it many of us love hearing dirty talk in the bedroom We lose ourselves in the heat of passion and take on a persona that turns us on in the most naughty unconventional ways But there s more to it than that What is it about erotic communication that increases our sexual arousal When we look past the kinkiness we may find there s more to dirty talk than our desire to bring out our wild side Since one of the most important things in a relationship is communication it only makes sense that when things get hot and heavy you should continue to have a dialogue Yes I m suggesting dirty talk and yes if you haven t given it a try during sex or foreplay it s time It s actually less scary than it seems While there are plenty of great articles and books about how to talk dirty to your partner there aren t enough out there about why you should do it Most of these aforementioned articles and books are angled in a way that you should talk to dirty to your man or woman because that s what he or she likes and wants and the rest of the heteronormative junk that fails to include everyone But what those pieces seem to forget is that when you bring dirty talk into the mix it isn t just about your partner and their needs it s equally about what you enjoy too and a lot of us really love to talk dirty It feels good to let it all out Whether you choose to talk dirty in bed via sexting or like to indulge in good old fashioned phone sex talking dirty is definitely something everyone should try Everyone has their own specific set of turn ons but few things are easier to actually do than talk dirty in the bedroom It may feel a little awkward at first but once you get the hang of it it can do amazing things for your sex life But is dirty talk healthy It s hard to believe that raunchy rough sex talk can positively impact a relationship However experts says dirty talk can in fact bring couples closer together Enough of my chit chat click the buy botton above to get started and become a pro dirty talker **The Sex Talk You Never**

Got Sam Jolman,2024-06-11 Men today are starved for sexual formation They ve been failed by parents churches and culture alike leading to widespread shame confusion and brokenness in the area of sexuality In *The Sex Talk You Never Got* therapist Sam Jolman helps men reconnect their God given sexuality with innocence awe and joy and shows readers how to celebrate instead of struggle against the gift of sexual desire In our sex saturated world it might seem surprising that men need more talk about sex But the reality is that sexuality is one of the most neglected aspects of men s lives From the woefully inadequate sex talks many young men receive from parents little more than an anatomy lesson or a purity lecture if anything

at all to cultural messages that unhelpfully weave both shame and permissiveness into men's understanding of their own sexuality and masculinity too many boys and men experience sexual desire as an area of struggle confusion and brokenness But it doesn't need to be this way God made men to be moved to live with wonder and awe and sexual desire must be formed within the context of that design Sam Jolman a professional therapist who specializes in men's issues and sexual trauma recovery shows men the way out of the wilds of sexual struggle This timely and incisive book will help readers learn about the vital link between sexual desire and their identity as worshipers regain a wild and vigorous sexuality within the context of God's design understand how purity culture has needlessly put men in a conflict ridden relationship with their sexuality see sexual purity not as the goal but as the preparation for becoming fully alive to beauty awe and worship and discover how to trade shame and confusion for a sexuality that's filled with innocence and wonder In the Bible Jesus' greatest kindness was often offered to those suffering sexual harm and brokenness He offers this same kindness today He does not want men to repent of their sexual desire Rather through reconnecting sexuality with innocence and awe God opens the door for men to experience the wild joy of desire rightly ordered toward worship and God's good purposes for their life
